Exhibit B Location of Authorized Improvements

The Metropark Public Improvement District (the "PID") was created by Resolution No. R-17-007 adopted by the City Council of the City of Shenandoah (the "City Council") on March 22, 2017 in accordance with the Public Improvement District Act, being Chapter 372 of the Texas Local Government Code (the "PID Act") to finance and/or reimburse the costs of the Authorized Improvements for the benefit of the property in the PID.

A service and assessment plan (the "Service and Assessment Plan") was subsequently prepared at the direction of the City Council identifying the Authorized Improvements and their estimated costs, the manner of assessing the property in the PID for the costs of the Authorized Improvements, and the indebtedness to be incurred. Following a public hearing held on January 10, 2018, which was continued to and concluded on January 24th, 2018, the City Council accepted and approved the Service and Assessment Plan and then levied assessments by ordinance. Special assessment revenue bonds in the principal amount of \$15,200,000 were issued in February 2018 pursuant to the bond ordinance approved by the City Council on January 10, 2018 (the "Series 2018 Bonds").

Pursuant to Sections 372.013, 372.014, and 372.016 of the PID Act, this update of the Service and Assessment Plan (the "Annual Service and Assessment Plan Update") includes an update to the service plan, an update to the assessment plan, and an updated 2020 assessment roll (the "2020 Assessment Roll") identifying the assessments on each Assessed Lot, based on the method of assessment set forth in the Service and Assessment Plan and pursuant to this Annual Service and Assessment Plan Update.

"Administrative Expenses" means the actual or budgeted costs and expenses of the City related to the creation and operation of the PID, the issuance and sale of PID Bonds, and the construction of the Authorized Improvements and the collection and enforcement of the Assessments, including, but not limited to, costs and expenses for: (1) the Administrator; (2) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City; (3) calculating, collecting, and maintaining records with respect to Assessments and Annual Installments; (4) preparing and maintaining records with respect to Assessment Rolls and Annual Service Plan Updates; (5) issuing, paying, and redeeming PID Bonds; (6) investing or depositing Assessments and Annual Installments; (7) complying with this SAP and the Act with respect to the issuance and sale of PID Bonds, including continuing disclosure requirements; (8) the paying agent/registrar and Trustee in connection with PID Bonds, including their respective legal counsel; (9) complying with arbitrage rebate requirements; (10) administering the construction of the Authorized Improvements; (11) the collection of the Assessments in installments, including the costs of foreclosure, the administration of the PID, maintaining a record of installments, payments and reallocations and/or cancellation of Assessments, and associated legal costs, and costs as deemed appropriate by the City. Administrative Expenses shall also include the administrative costs and expenses of issuing, making debt service payments on, and redeeming PID Bonds; provided, however, that for the avoidance of doubt, Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on PID Bonds. Administrative Expenses collected but not expended in any year shall be carried forward and applied to reduce Administrative Expenses for subsequent years.

"Additional Interest" means the revenue generated from the Additional Interest Rate permitted to be charged and collected under the PID Act.

"Additional Interest Rate" is one half of one percent (0.50%).

"Administrator" means an officer or employee of the City or third-party designee of the City who is not an officer or employee thereof, who shall have the responsibilities provided for herein, in an Indenture relating to the PID Bonds or in any other agreement approved by the City Council relating to the PID.

"Annual Installment" means the annual installment payments of an Assessment on an Assessed lot as shown on the Assessment Roll calculated by the Administrator and approved by the City Council, including: (1) annual principal amount due on the Assessment; (2) annual interest due on the Assessment; (3) Additional Interest; and (4) Administrative Expenses.

"Annual Service Plan Update" means an update to the Service Plan prepared no less frequently than annually by the Administrator and approved by the City Council.

"Assessed Lot" or "Assessed Lots" means property within the PID that benefit from the Authorized Improvements and on which Assessments have been levied as shown on the Assessment Roll.

"Assessment" means the assessment levied against a Lot imposed pursuant to an Assessment Ordinance and the provisions herein, as shown on the Assessment Roll, subject to reallocation upon the subdivision or reduction of such Parcel according to the provisions hereof and the PID Act.

II. Defined Terms

"Assessment Ordinance" means the ordinance adopted by the City Council in accordance with the Act that levied the Assessments and approved the Service and Assessment Plan (including any amendments or supplements to the Service and Assessment Plan).

"Authorized Improvements" means the improvements described in Section III.B herein authorized by Section 372.003 of the PID Act, and that are acquired, constructed or installed in accordance with the Service and Assessment Plan, and any future updates and/or amendments, for which Assessments are levied against the Assessed Property that receives a special benefit from such improvements.

"Authorized Improvements Costs" means the Costs of the Authorized Improvements as set forth in Section III.C herein.

"City" means the City of Shenandoah, Texas.

"Condominium Unit" means a unit as defined in the Uniform Condominium Act being Chapter 82 of the Texas Property Code.

"Costs" means, with respect to Authorized Improvements, (i) prior to completion of the construction of an Authorized Improvement, the budgeted costs of constructing such Authorized Improvement as set forth in the Service and Assessment Plan, and (ii) following completion of the construction of an Authorized Improvement the actual, documented cost of designing and constructing the Authorized Improvements as specified in a payment request in a form that has been reviewed and approved by the City. Cost(s) may include the reasonable, allocable and allowable actual costs paid or incurred by or on behalf of owners and developers of the property within the PID: (1) to plan, finance through the issuance of PID Bonds, design, acquire, construct and install, the Authorized Improvements; (2) to prepare plans, specifications (including bid packages), contracts, and as-built drawings for the Authorized Improvements; (3) to obtain zoning, licenses, plan approvals, permits, inspections, and other governmental approvals for the Authorized Improvements; (4) to acquire easements and other right-of-way for the Authorized Improvements; (5) for third-party professional consulting services including, but not limited to, engineering, surveying, geotechnical, land planning, architectural, landscaping, legal, accounting, and appraisals; (6) of labor, materials, equipment, fixtures, payment and performance bonds and other construction security, and insurance premiums; (7) of fees charged by the City or any other political subdivision or governmental authority; and (8) to implement, administer, and manage the above-described activities including a construction management fee equal to four percent (4%) of construction costs if managed by or on behalf of the owners or developers. Costs shall not include general contractor's fees in an amount that exceeds a percentage equal to the percentage of work completed or construction management fees in an amount that exceeds an amount equal to the construction management fee amortized in approximately equal monthly installments over the term of the applicable construction management contract. Amounts expended for costs described in subsections (3), (4), (5), (7) above shall be excluded from the amount upon which the general contractor and construction management fees are calculated.

"County" means Montgomery County, Texas.

"Delinquency and Prepayment Reserve Requirement" means five and one-half percent (5.5%) of the outstanding principal balance of the PID Bonds.

II. Defined Terms

"Delinquent Collection Costs" means, for an Assessed Lot, interest, penalties, and other costs and expenses authorized by the Act that directly or indirectly relate to the collection of delinquent Assessments, delinquent Annual Installments, or any other delinquent amounts due under this SAP, including costs and expenses to foreclose liens and including attorney fees to the extent permitted by Texas law.

"Developer" means Metropark Square, Ltd., its successors and permitted assigns.

"Indenture" means an indenture of trust, trust agreement, ordinance or similar document between the City and Trustee, authorizing the issuance of, and setting forth the terms and other provisions relating to any PID Bonds, including the collection of Annual Installments for the repayment thereof, as modified, amended, and/or supplemented from time to time.

"Lot" means a tract of land described as a "lot" in a plat recorded in the official real property records of the County.

"Non-Benefitted Property" means any property within the PID that does not receive a special benefit from the Authorized Improvements. Non-Benefitted Property includes certain undevelopable Lots that receive no benefit from the Authorized Improvements and all Public Property. Property identified as Non-Benefitted Property at the time the Assessments (i) are imposed or (ii) are reallocated pursuant to a subdivision of a parcel, shall not be assessed. Assessed Property converted to Non-Benefitted Property, if the Assessments may not be reallocated pursuant to the provisions herein, remains subject to the Assessments and requires the Assessments to be prepaid as provided for in Section VI.C of the Service and Assessment Plan.

"Parcel ID" means the identification number assigned by the County for property tax purposes to an Assessed Lot.

"PID Bonds" means the City of Shenandoah, Texas, Special Assessment Revenue Bonds, Series 2018 (Metropark Public Improvement District) secured by Assessments.

"Prepayment Costs" means, to the extent allowed by the Act: (1) interest, penalties, costs, and Administrative Expenses, resulting from the prepayment of an Assessment; and (2) third-party costs and expenses, if any, paid or incurred by the City and resulting from the prepayment of an Assessment up to the date of prepayment.

"Public Property" means real property, whether conveyed or dedicated in fee simple, as an easement, license, or otherwise, to the Federal Government, County, City, or any other political subdivision, public or government agency, or public utility.

"Trustee" means the trustee (or successor trustee) under an Indenture.

"Zoning Ordinance" means Ordinance No. O-17-005 adopted by the City Council on January 25, 2017.

Section 372.013 of the PID Act requires that the annual service plan update (i) define the annual indebtedness and the projected costs of the Authorized Improvements and (ii) cover a period of at least five (5) years.

A. PID Indebtedness

The sources and uses of funds for the Series 2018 Bonds are shown below in Table III-1. In accordance with the Indenture, \$175,000 in principal was redeemed on August 19, 2019 from excess Bond Reserve Account and Pledged Revenue Funds. The bond redemption occurred on August 19, 2019. Additionally, \$160,000 in principal will be redeemed on August 7, 2020 from excess Bond Reserve Account and Pledged Revenue Funds.

The City has covenanted not to issue any additional bonds secured by the Assessments so long as the Series 2018 Bonds are outstanding. However, the City has reserved the right, subject to the provisions in the Indenture, to issue additional obligations under other indentures, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on the trust estate for and are not payable by the revenues pledged to the Series 2018 Bonds.

B. Description of Authorized Improvements

A description of the Authorized Improvements follows below.

1. Roadway Improvements

Roadway Improvements are the public road improvements depicted on Exhibit B-1 including import fill, subgrade stabilization (including lime treatment and compaction), concrete and reinforcing steel, and may include improvement and extension of David Memorial Drive.

2. Sanitary Sewer Improvements

Sanitary sewer improvements are the public sanitary sewer improvements depicted on Exhibit B-2, including trench excavation and embedment, trench safety, dewatering, PVC piping, manholes, service connections, and testing.

3. Water Improvements

Water improvements are the public water improvements depicted on Exhibit B-3 including trench excavation and embedment, trench safety, dewatering, PVC piping, valves, fittings, fire hydrants, thrust restraint devices, service connections, disinfection, and testing.

4. Storm Drainage Improvements

Storm drainage improvements are the public drainage improvements depicted on Exhibit B-4 including earthen channels, swales, excavation and embedment, trench safety, dewatering, curb and grate inlets, RCP piping and boxes, headwalls, concrete flumes, rock rip rap, and concrete outfalls.

5. Design & Engineering

Soft costs include costs related to engineering, design, surveying, inspecting, geotechnical testing, governmental permitting and approvals, and contractor completion bonds for the Authorized Improvements.

6. District-Related Soft Costs

District-related soft costs include costs approved related to the establishment, administration, and operation of the PID.

C. Projected Costs of Authorized Improvements

The original estimated Costs of the Authorized Improvements and the actual Costs reimbursed to-date are shown in Table III-3 below.

² THROUGH REIMBURSEMENT CERTIFICATE 10 (JANUARY 31, 2020).

Pursuant to Section 372.015 of the PID Act, the cost of an improvement to be assessed against property in an improvement district shall be apportioned based on the special benefits accruing to the property because of the improvement. The costs of an improvement may be assessed (i) equally per front foot or square foot, (ii) according to the value of the property as determined by the Board, with or without regard to improvements on the property, or (iii) in any other manner that results in imposing equal shares of the cost on properties similarly benefitted.

A. Apportionment of Costs of Authorized Improvements

The Service and Assessment Plan provides that the Costs of the Authorized Improvements be apportioned equally per acre within the Assessed Lots. The determination to apportion the Costs of the Authorized Improvements on the basis of acreage was made by the City Council, acting in its legislative capacity, taking into consideration (i) the size and location of the property comprising the PID; (ii) the size, shape, and layout of the Lots; (iii) the market demand for retail, restaurant, hotel, entertainment, and multi-family uses in the vicinity of the PID and along the Interstate I-45 corridor; (iv) the land uses and development standards contained in the Zoning Ordinance; and (v) the construction that is underway and planned within the PID. The Assessments for each Lot are shown in Table IV-1 below.

B. Assessment Terms

A lien was established against the Assessed Lots effective as of the date of the Assessment Ordinance, privileged above all other liens, except for liens for State, county, school district or municipal ad valorem taxes, including prior mortgage liens, to the extent allowed by Section 372.018(b) of the Local

Government Code. The Assessments shall be imposed and may be collected in Annual Installments from the Assessed Lots through the application of the procedures described below. Notwithstanding the above, the lien shall be perfected immediately as to the entire Assessment but is executed only with respect to the amounts then due or past due for current or prior Annual Installments or final payment. Each Assessment shall terminate on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any.

1. Assessment Roll

The Assessment for each Assessed Lot shall be as shown in the Assessment Roll attached hereto as Appendix A. Note, Lot 11 was subdivided into Lot 11-A and Lot 11-B. The Assessment Roll reflects the apportionment of the Assessment for Lot 11 to Lots 11-A and 11-B, the August 19, 2019 extraordinary optional redemption of \$175,000 of the 2047 Term Bonds, and the anticipated August 7, 2020 extraordinary optional redemption of \$160,000 of the 2047 Term Bonds. No Assessment shall be changed except pursuant to the provisions provided for in the Service and Assessment Plan or as permitted under the PID Act. The Administrator shall prepare for City Council approval updates to the Assessment Roll each year to reflect (i) any subdivision and/or consolidation of the Assessed Lots and the identification of each Assessed Lot by Parcel ID, if available, (ii) the Assessments and/or any supplemental PID assessments levied pursuant to Section 372.019 of the PID Act, including any adjustments as provided in the Service and Assessment Plan, (iii) the Annual Installment for each Assessed Lot for the year, (iv) the Administrative Expenses allocable to each Assessed Lot, (v) the payment of any Assessment in lump sum, and (vi) any other changes permitted by law.

2. Payment and Collection of Assessments

The PID Act provides that an Assessment may be paid in lump sum, in full at any time without penalty and which amount shall include the principal amount of the outstanding Assessment, interest, including Additional Interest as applicable, and Administrative Expenses. If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount. Upon payment in full of an Assessment and all Prepayment Costs, the City shall deposit the payment to a separate account whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate. The principal amount of the Annual Installments may not exceed the principal amounts shown on the Assessment Roll as finally adopted by the City Council.

If not paid in full, the PID Act authorizes the City to collect interest, Additional Interest as applicable, and Administrative Expenses on the outstanding Assessments. An Assessment that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which include interest and, Additional Interest as applicable, on the outstanding balance of such Assessment and Administrative Expenses.

a. Optional Payment in Lump Sum

An owner of an Assessed Lot may pay at any time the entire Assessment then outstanding on such Assessed Lot, with interest, including Additional Interest as applicable, and Administrative Expenses on the Assessment accrued through the date of payment. At the option of the owner, the Assessment on any Assessed Lot plus interest and Administrative Expenses may be paid in part. Upon the payment of such amounts for an Assessed Lot, the Assessment for the Assessed Lot shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Assessed Lot shall be reduced to the extent of the partial payment made. Once an Assessment is paid in full, the Finance Director of the City is hereby authorized to sign a release relating to the Assessed Lot. The form of such release shall be as determined by the City Council to comply with State law and shall effectuate the release of the Assessment lien on such Assessed Lot upon payment in full of the Assessment.

b. Mandatory Payment in Lump Sum

An owner of Assessed Property is required to pay all or part, as applicable, of the Assessment for an Assessed Lot in the event of the following circumstances:

- (i) If an Assessed Lot is transferred to a person or entity that is exempt from payment of the Assessment under applicable law;
- (ii) If the owner of an Assessed Lot causes the Assessed Lot to become Non-Benefited Property;
- (iii) If all or any portion of an Assessed Lot becomes Non-Benefited Property (i) because of inadequate or insufficient on or off-site storm water detention facilities and/or (ii) because all or a portion of such Assessed Lot will be required to be used for storm water detention purposes, as determined by the Public Works Director of the City; or
- (iv) If an Assessed Lot is divided and the reallocation of the Assessment levied against such Assessed Lot pursuant to Section VI.B.1 of the Service and Assessment Plan results in an Assessment per acre for any newly created lot that is in excess of \$250,474 as set forth in Exhibit H of the Service and Assessment Plan.

Any such mandatory prepayment (a "Mandatory Prepayment") shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, the Service and Assessment Plan, and this Annual Service and Assessment Plan Update, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

c. Payment in Annual Installments

Pursuant to Sections 372.017 and 372.018 of the PID Act, the City Council may provide that the Assessments be paid in periodic installments and may bear interest at the rate specified by and beginning at the time or times or on the occurrence of one or more events specified by the City Council. Such installments must (i) be in amounts necessary to retire the indebtedness on the

improvements and (ii) continue for the period approved by the City Council for the payment of the installments.

The City Council has determined that the Assessments shall be paid in Annual Installments over a thirty-year period, as shown in the Assessment Roll, with interest accruing on the Assessments at the interest rate on the PID Bonds issued with a pledge of the Assessments plus the Additional Interest Rate. The Additional Interest shall be used for establishing the Delinquency and Prepayment Reserve or for any other purpose authorized by the PID Act, the Service and Assessment Plan, and/or as set forth in the Indenture or PID Bond ordinance. The Annual Installment of the Assessments will be due and payable at the same time property taxes are due and payable to the County. Payment of the Annual Installments commenced with tax bills mailed in October 2018.

The County Tax Assessor/Collector or City will invoice each owner of property for the Annual Installment at the same time as the County's annual property tax bill, and the Annual Installments shall be due and payable, and incur penalty and interest for unpaid installments in the same manner as provided for the County's property taxes. Thereafter, subsequent Annual Installments shall be due in the same manner in each succeeding calendar year until the Assessment together with interest and Administrative Expenses as provided herein, has been paid in full. Failure of an owner to receive an Annual Installment on the property tax bill shall not relieve the owner of the responsibility for the Assessment. Assessments or Annual Installments that are delinquent shall incur Delinquent Collection Costs. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act.

The Assessments are personal obligations of the person owning the property assessed in the year an Annual Installment payment becomes due, and only to the extent of such Annual Installment(s). Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

d. Administrative Expenses

Administrative Expenses shall be collected on a pro-rata basis by each Assessed Lot based on the amount of outstanding Assessment remaining on such Assessed Lot. Administrative Expenses shall be collected as part of the Annual Installments in the amounts shown on the Assessment Roll attached hereto as Appendix A and are subject to revision through Annual Service and Assessment Plan Updates.

3. Apportionment of Assessments Upon Consolidation of Assessed Lots

Upon the consolidation of two or more Assessed Lots, the Assessment for the Lot created by the consolidation shall be the sum of the Assessments for the Lots subject to the consolidation with the

intent being to apportion Authorized Improvements Costs uniformly per acre.

4. Apportionment of Assessments Upon Division of Assessed Lots

If an Assessed Lot is divided, the Assessment for such Assessed Lot shall be allocated to the newly created lots by the Administrator in an equitable manner consistent with the Act and with the intent being to apportion Authorized Improvements Costs uniformly per acre as follows:

$$A = B \times (C \div D)$$

Where:

- A = the Assessment for the newly created Assessed Lot
- B = the Assessment for the Assessed Lot prior to division
- C = the acreage of the newly created Assessed Lot
- D = the total acreage for all Assessed Lots created by the subdivision

However, the reallocation of an Assessment for an Assessed Lot may not exceed the Assessment prior to the reallocation without compliance with the notice and hearing requirement for the levy of assessments under the PID Act or, alternatively, a Mandatory Prepayment may be made pursuant to IV.B.2.b above. Any reallocation pursuant to this section shall be calculated by the Administrator and reflected in an Annual Service and Assessment Plan Update approved by the City Council. The reallocation of any Assessments as described herein, shall be considered an administrative action and will not require any notice or public hearing, as defined in the PID Act, by the City Council.

5. Reduction of Assessments

If (i) the Costs of completed Authorized Improvements funded with the net proceeds of PID Bonds are less than the Costs used to calculate the Assessments pledged to the PID Bonds or (ii) the City does not undertake some of the Authorized Improvements to be funded with the net proceeds of PID Bonds, the City Council shall, at its discretion and in accordance with the terms of the applicable PID Bond Indenture, reduce each Assessment pledged to the PID Bonds on a pro-rata basis to the extent that either event results in excess Assessments. Excess PID Bond proceeds shall be applied to redeem outstanding PID Bonds. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds. The Administrator shall include a revised Assessment Roll and corresponding Annual Installments reflecting the reduced Assessments in the next Annual Service and Assessment Plan Update for review and approval by City Council.

6. Exempt Jurisdictions

Payment of Assessments, if any, on property owned by exempt jurisdictions other than the City shall be established by contract.

C. Collections

All 2018 Annual Installments were received and timely paid. All 2019 Annual Installments were initially delinquent but have now been paid along with late penalties and interest. No Assessments prepayments have been made to-date.

RESOLUTION R-20-005

A RESOLUTION OF THE CITY OF SHENANDOAH, TEXAS APPROVING ANNUAL SERVICE PLAN UPDATE TO THE SERVICE AND ASSESSMENT PLAN AND ASSESSMENT ROLL FOR PUBLIC IMPROVEMENTS FOR THE METROPARK PUBLIC IMPROVEMENT DISTRICT; AND ENACTING OTHER PROVISIONS RELATING THERETO

WHEREAS, the City of Shenandoah, Texas (the "City") received a petition meeting the requirements of Sec. 372.005 of the Public Improvement District Assessment Act (the "Act") requesting the creation of a public improvement district over a portion of the area of the City to be known as the Metropark Public Improvement District (the "District"); and

WHEREAS, the petition contained the signatures of the owners of taxable property representing more than fifty percent of the appraised value of taxable real property liable for assessment within the boundaries of the proposed District, as determined by the then current ad valorem tax rolls of the Montgomery Central Appraisal District and the signatures of property owners who own taxable real property that constitutes more than fifty percent of the area of all taxable property that is liable for assessment by the City; and

WHEREAS, on March 8, 2017, the City Council of the City (the "City Council") accepted the Petition and called a public hearing for March 22, 2017 to on the advisability of the improvements; and

WHEREAS, notice of the hearing was mailed on March 8, 2017 and was published in The Conroe Courier, a newspaper of general circulation in the City on March 10, 2017; and,

WHEREAS, the owners of 100% of the property subject to assessment under the proposed District had actual knowledge of the public hearing to be held on March 22, 2017, have waived notice of such public hearing, and have consented to the creation of the proposed District; and

WHEREAS, the City Council opened and conducted such public hearing on the advisability of the improvements, and closed such hearing on March 22, 2016; and

WHEREAS, on March 22, 2017, after due notice, the City Council of the City (the "City Council") held the public hearings in the manner required by law on the advisability of the Authorized Improvements described in the petition as required by Sec. 372.009 of the Act and made the findings required by Sec. 372.009(b) of the Act and, by Resolution adopted by a majority of the members of the City Council, authorized the District in accordance with its finding as to the advisability of certain public improvement projects and services; and

WHEREAS, on March 29, 2017, the City published notice of its authorization of the District in the Conroe Courier, a newspaper of general circulation in the City; and

WHEREAS, no written protests of the District from any owners of record of property within the District were filed with the City within 20 days after publication; and

WHEREAS, the City, pursuant to Section 372.016(b) of the Act, published notice on December 27, 2018 in a newspaper of general circulation in the City to consider the proposed Service and Assessment Plan for the District and the levy of the Assessments on property in the DISTRICT on the 10th day of January, 2018; and

WHEREAS, the City, at its regularly scheduled meeting on January 10, 2018 opened the public hearing for the levy of assessments on property in the District and in open session continued such public hearing to a date and time certain of January 24th, 2018 at 7:00 p.m.; and

WHEREAS, the City Council, pursuant to Section 372.016(c) of the Act, caused the mailing of notice of the public hearing to consider the proposed Service and Assessment Plan and the related assessment roll (the "Assessment Roll") and the levy of Assessments on property in the District to the address of the last known address of the owners of the property liable for the Assessments; and

WHEREAS, the City Council continued the public hearing at 7:00 p.m. on the 24th day of January, 2018, at which all persons who appeared, or requested to appear, in person or by their attorney, were given the opportunity to contend for or contest the Service and Assessment Plan, the Assessment Roll, and each proposed Assessment, and to offer testimony pertinent to any issue presented on the amount of the Assessment, the allocation of the costs of the Authorized Improvements, the purposes of the Assessment, the special benefits of the Assessment, and the penalties and interest on annual installments and on delinquent annual installments of the Assessments; and

WHEREAS, pursuant to Sections 372.013 and 372.014 of the Act, the City Council approved and adopted the Service and Assessment Plan for the District and levied Assessments on property within the District for the financing of the Authorized Improvements; and

WHEREAS, pursuant to Section 371.013, the Service and Assessment Plan must cover a period of at least five years and must also define the annual indebtedness and projected costs for improvements and such Service and Assessment Plan must be reviewed and updated annually for the purpose of determining the annual budget for improvements; and

WHEREAS, pursuant to Act, the District has issued its Special Assessment Revenue Bonds, Series 2018 (Metropark Public Improvement District) (the "Bonds") payable from the assessments levied for the Authorized Improvements on property within the District; and

WHEREAS, the Act requires the City to annually update the Service and Assessment Plan and Assessment Roll, and in compliance with the requirements of the Act, the City has directed that an update to the Service and Assessment Plan, including the Assessment Roll, be prepared for the 2020-2021 fiscal year (together, the "2020 Annual Service Plan Update");

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SHENANDOAH, THAT:

Section 1. Findings. The findings and determinations set forth in the preambles hereto are hereby incorporated by reference for all purposes.

Section 2. Terms. Terms not otherwise defined herein are defined in the 2020 Annual Service Plan Update attached hereto as Exhibit A.

Section 3. Approval of Update: The 2020 Annual Service Plan Update attached hereto as Exhibit A is hereby approved and accepted by the City Council of the City.

AGENDA REPORT

AGENDA DATE: <u>June 24, 2020</u>	ITEM NUMBER: <u>11 - 13</u>
DEPARTMENT: <u>Community Development</u>	PREPARED BY: <u>Jackie Thompson</u>
PRICING: <u>N/A</u>	EXHIBITS: <u>Final Report, Property Location, SUP Application, Ordinance</u>

SUBJECT/PROCEEDING:

Final Report regarding the proposed zoning amendment for a special use permit for a Wine and Beer Retailers (On-Premise) Permit with Food and Beverage Certificate. The proposed zoning amendment is for 1500 Research Forest, Suite 240, Shenandoah, Texas.

Public Hearing regarding the proposed zoning amendment for a special use permit for a Wine and Beer Retailers (On-Premise) Permit with Food and Beverage Certificate. The proposed zoning amendment is for 1500 Research Forest, Suite 240, Shenandoah, Texas.

Consideration and possible action to approve or deny the proposed zoning amendment for a special use permit for a Wine and Beer Retailers (On-Premise) Permit with Food and Beverage Certificate. The proposed zoning amendment is for 1500 Research Forest, Suite 240, Shenandoah, Texas.

RECOMMENDED ACTION:

The Planning and Zoning Commission reviewed the application for Wine and Beer Retailers (On-Premise) Permit with Food and Beverage Certificate for 1500 Research Forest Drive, Suite 240, and unanimously recommend approval.

BACKGROUND/DISCUSSION:

Ploy Thai Cuisine, located at 1500 Research Forest Drive, Suite 240 has requested a Special Use Permit to allow for a Wine and Beer Retailers (On-Premise) Permit with Food and Beverage Certificate.

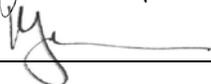

The Special Use Permit will allow the following permits to be issued to the property:

Wine and Beer Retailers (On-Premise) (BQ) – Permit authorizes the sale for consumption on or off the premises where sold but not for resale, beer, ale, malt liquor and wine not more than 14% or 17% (Section 251.81). Requires adequate seating area for customers.

Food and Beverage Certificate (FB) - A Food and Beverage Certificate may be issued to the holder of a Beer Retailer's On-Premise Permit or Wine and Beer Retailer's Permit if food service is the primary business being operated on the licensed premise or to the holder of a Mixed Beverage Permit or Private Club Permit if food service is available on the premises and the gross receipts of alcoholic beverages do not exceed 50% of total gross receipts.

The business is located in the "NS" – Neighborhood Service Zoning District.

Shenandoah City Council
June 24, 2020 Public Hearing
Final Report

Subject: Ploy Thai Cuisine has requested a Special Use Permit (SUP) at 1500 Research Forest Drive, Suite 240, Shenandoah, TX to allow for a Special Use Permit for a Wine and Beer (On-Premise) Permit with Food and Beverage Certificate.

Public Hearings: Planning & Zoning Commission –May 19, 2020
Planning & Zoning Commission –June 17, 2020
City Council – June 24, 2020

Current Zoning District: “NS” Neighborhood Service Zoning District

Proposed SUP: An alcohol permit is required to allow the sale of wine and beer for on-site consumption within any zoning district in the City. The requested SUP for a Wine and Beer Retailers (On-Premise) permit authorizes the sell for consumption on or off the premises where sold but not for resale, beer, ale, malt liquor and wine not more than 14% or 17% (Section 251.81). Requires adequate seating area for customers. The SUP will be applicable to 1500 Research Forest Drive, Suite 240, Shenandoah, TX.

Recommendation: The Planning and Zoning Commission reviewed the application for Wine and Beer Retailers (On-Premise) Permit with Food and Beverage Certificate for 1500 Research Forest Drive, Suite 240, and unanimously recommend approval.

ORDINANCE NO. O-20-011

AN ORDINANCE OF THE CITY OF SHENANDOAH, TEXAS, AMENDING THE CODE OF ORDINANCES, CHAPTER 102, GRANTING A SPECIAL USE PERMIT FOR A WINE AND BEER RETAILERS (ON-PREMISE) PERMIT WITH A FOOD AND BEVERAGE CERTIFICATE FOR PLOY THAI CUISINE LOCATED AT 1500 RESEARCH FOREST DRIVE, SUITE 240, SHENANDOAH, TEXAS; PROVIDING FOR A PENALTY IN THE AMOUNT OF \$2,000 FOR VIOLATIONS THEREOF; PROVIDING SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Secretary of the City of Shenandoah, Texas, directed that notices of public hearings be issued, as required by the Zoning Ordinance of the City of Shenandoah, Texas and laws of the State of Texas for the purpose of considering a change in the Zoning Ordinance; and

WHEREAS, the City Secretary of said City accordingly caused to be issued and published the notices required by its Zoning Ordinance and laws of the State of Texas applicable thereto, the same having been published in a paper of general circulation at least fifteen days prior to the time for such hearing; and

WHEREAS, pursuant to such notice, public hearings were held on May 19, 2020, June 16, 2020 and June 24, 2020 allowing all persons wishing to be heard both for and against the aforesaid change in the Zoning Ordinance to voice their opinions; and

WHEREAS, the Planning and Zoning Commission has recommended approval of this special use permit; and

WHEREAS, the City Council finds that such change would not be detrimental to the public health, safety, or general welfare in the City of Shenandoah, and as well, the owners and occupants thereof.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SHENANDOAH, TEXAS, THAT:

Section 1. Code of Ordinances, City of Shenandoah, Texas, Chapter 102 is hereby amended to approve a Special Use Permit for a Wine and Beer Retailers (On-Premise) Permit with a Food and Beverage Certificate. The proposed special use permit is for 1500 Research Forest Drive, Suite 240 in the City of Shenandoah, Montgomery County, Texas.

Section 2. All provisions of the ordinances of the City of Shenandoah in conflict with the provisions of this Ordinance are hereby repealed, and all other provisions of the Ordinances of the City of Shenandoah, not in conflict with the provisions of this Ordinance, shall remain in full force and effect.

Section 3. The provisions of this Ordinance shall be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent or in conflict with any of the provisions of this Ordinance are hereby expressly repealed to the extent that such inconsistency is apparent.

Section 4. Any person, firm or corporation violating any of the provisions or terms of this Ordinance shall be subject to the same penalty as provided for in the code of Ordinances of the City of Shenandoah, and upon conviction, shall be punished by a fine not to exceed the sum of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00) for each offense, and each and every day such violation shall continue shall be deemed to constitute a separate offense.

Section 5. It is the intention of the City Council that this Ordinance, and every provision thereof, shall be considered severable and the invalidity of any section, clause or provision or part or portion of any section, clause, or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance.

Section 6. This Ordinance shall become effective immediately upon its passage and publication as required by law. If the use is not established by June 24, 2021 and no extension is approved, the Special Use Permit will expire by its own terms.

PASSED, APPROVED AND ADOPTED this the 24th day of June, 2020.

Water Capital Projects

Water Plant #2

Booster Pump Cover

- Construction of a fixed metal shade structure
- Protects booster pumps from the outdoor elements and reduces maintenance and replacement of pumps

Motor Control Center (MCC) Replacement

- Original MCC since construction
- MCC components are aging and failing more frequently, replacement is recommended by city engineers
- Out of space to add additional booster pump controls 1000 GPM or greater

Chlorine System Replacement and Building Update

- Original chlorination system
- Components are aging and requiring regular maintenance, replacement is recommended by staff

Water Plant #3

Chlorine System Replacement

- Repair and replacement of worn components

Hydropillar Rehabilitation

- Repair and replacement of water storage tank protective coating
- Replacement of exterior and interior protective coating
- Repair of overflow drain piping

Water Distribution System

ACP Waterline Replacement - I-45 at Texaco

- Replacement of existing ACP along Interstate 45 service road between Shenandoah Dr. and Research Forest Dr.
- Unknown length of pipe, pot hole digging will need to be completed to determine extent

ACP Waterline Replacement - Memorial Hermann

- Replacement of ACP under the west parking lot at Memorial Hermann hospital

- Unknown length of pipe, pot hole digging will need to be completed to determine extent
- Very disruptive project due to ACP being located under concrete parking spaces

ACP Waterline Replacement - David Memorial at Vetter

- Replacement of existing ACP at the intersection of David Memorial Dr. and David J. Vetter Blvd.
- Unknown length of pipe, pot hole digging will need to be completed to determine extent

ACP Waterline Replacement - I-45 Crossing at Research

- Replacement of existing ACP that crosses under IH-45 at the Research Forest/Tamina intersection
- Coordination and permitting with TxDOT will be required

Wastewater Capital Projects

Wastewater Treatment Plant (WWTP)

Replacement Fencing

- Replacement of wooden 8' fencing surrounding the wastewater treatment facility with cedar pickets and rot board

WWTP Improvements

- Upgrades recommended by the city engineer as follows:
 - Replace blowers, upgrade electrical system, and expand MCC room
 - Upgrade generator
 - Repair uneven airflow in chlorine contact basin
 - Extend 3-phase power to chemical building
 - Recoat Clarifier No. 1 bearing ring
 - Modify Return Activated Sludge (RAS) transfer from Clarifier No. 2
 - Begin building first half of digester complex
 - Convert existing aerobic digester to aeration
 - Supervisory Control and Data Acquisition (SCADA) improvements
 - Modify dewatering method

WWTP Drainage Improvements

- Installation of sheet pile walls along the east and southern fence at the WWTP to prevent flooding of WWTP during heavy storm events
- Also includes the installation of a manual floodgate to release accumulated stormwater from the site into the outfall structure

WWTP Security Cameras

- Installation of security cameras as part of the police department security plan
- Cameras will also allow operators to view treatment processes remotely

Lift Stations

Pump Replacement at NTB Lift Station

- Purchase and installation of new pump

Solids Treatment with Conditioning Pump at Pineroft Lift Station

- The Pineroft Lift Station handles a large amount of rags from the hospital district

- A conditioning pump will homogenize the wastewater and rags coming from the hospital district before the lift pumps active, reducing the size of rags for easy passage

Wastewater Collection System

Inflow and Infiltration (I&I) Testing and Repair

- City data shows that our wastewater collection system has evidence of I&I
- Testing of the wastewater collection lines will identify and locate areas of inflow of storm water and infiltration of groundwater
- Often pressurized smoke is used during testing, public notifications are strongly recommended
- Funding for repairs also included in total cost

Savanah Dr. Sanitary Rehabilitation

- This area experiences a higher rate of clogs and it caused by low spots in the line
- Pipe bursting and spot repair will allow the flowline to be corrected and prevent sewer line clogs and excursions of wastewater onto the ground or into homes
- Approximately 740 linear feet of repairs

Saddlewood Dr. Sanitary Rehabilitation

- This area experiences a higher rate of clogs and it caused by low spots in the line
- Pipe bursting and spot repair will allow the flowline to be corrected and prevent sewer line clogs and excursions of wastewater onto the ground or into homes
- Approximately 1200 linear feet of repairs

Equipment

Sewer Inspection Camera System

- Purchase of camera to replace camera system from 2007

Stormwater Capital Projects

Detention Ponds

East Relief Pond

- A city owned property between David Memorial Dr. and the Pacific Union railroad tracks is acting as a detention pond for the region
- This project would deepen and improve the land into a wet-bottom amenity pond
- A large pump station with ten 20,000 gpm pumps will reduce the 100 year surface elevation and provide capacity during large storm events
- The project also includes funding to provide landscaping and pathways to create an amenity area

Sediment Removal

- Detention ponds regularly collect sediment over time as organic and inorganic debris is washed downstream
- The project provide sediment removal from all of the city's detention ponds (Vision Park, Oak Haven, and City Hall)

Stormwater Collection Lines

Wellman Road Bridge - Drainage Expansion

- Expansion of storm collection lines just east of the bridge on Wellman Rd.
- During heavy storm events this section of road closes due to high waters when the collection lines are overwhelmed

Cedarwood Reserve

- Installation of new storm collection lines in the 3 acre reserve west of Cedarwood Dr. and south of Blue Ridge Dr.
- This will provide drainage to areas that regularly have standing water after storm events

Holly Hill Reserve

- Installation of new storm collection lines in the 4.5 acre reserve at the north end of Holly Hill Dr.
- Amenity detention pond will be considered as a possible solution
- This will provide drainage to areas that regularly have standing water after storm events
- This project will consider the end use of the property for a park as discussed by city council and residents during townhall meetings

Cedarwood to Headwall Improvements

- Replacement and repair of existing storm collection lines that will connect the Cedarwood Reserve to the drainage headwall to the north
- Project can be completed separately from the Cedarwood Reserve project, however if the Cedarwood Reserve project is completed this project will need to be completed as well to handle additional flows and accommodate new flow lines

Stormwater Mapping

- No comprehensive map exists for the city's stormwater system
- Project would include GIS mapping of the entire stormwater system, pipe diameters, inverts, manhole locations, etc.

Road and Pathway Capital Projects

Road Maintenance Projects

David Memorial at Tamina Intersection Improvements

- Relocation of utilities on northwest corner of intersection and extension of north most lane to the intersection
- Repair of crosswalk located on the south side of the intersection

David Memorial Extension to HWY 242

- Extension of David Memorial Dr. to HWY 242 as a four lane boulevard with grassy median
- Project is planned to create a four way intersection with HWY 242 and S. Trade Center Blvd.
- Total project cost is approximately \$9.2M with 1/3 of the project located inside city limits
- Project requires extensive wetlands mitigation as well as ROW acquisition

Research Forest Right Turn Lane Extension

- Extension of dedicated right turn lane for Research Forest as it approaches I-45
- Noted in a traffic study to improve intersection wait times

I-45 and Research Forest Dr. Intersection Improvements

- Project to add two additional lanes underneath I-45 at Research Forest/Tamina
- Extensive work with TxDOT will be required for completion
- Relocation of a fiber data point will add significant cost to project

Home Depot Driveway Modification

- Project to add a driveway from Home Depot's loading dock to Tamina Rd. to reduce traffic delays due to shipping trucks exiting the drive and blocking all lanes during maneuver
- Project also includes the removal of Home Depot's existing driveway off David Memorial Dr. closest to the intersection
- ROW will need to be acquired from multiple parties

Road Replacement

Shenandoah Park Drive Roadway Replacement

- Removal of asphalt paving and replacement with concrete to tie in with existing driveway
- The existing tie-in is a common source of pot holes and maintenance issues

Pathways

David Memorial and Shenandoah Park

- Project to extend the pathway from the David Memorial roundabout west to IH-45 and south to existing an existing pathway at the Wood Forest Stadium
- This will provide a connection between two divided sections of the city's pathway system

Park and Pool Capital Projects

Park Projects

All Court Resurfacing at Main Park

- Project to repair and resurface both tennis courts and basketball court

Additional Parking at Toddler Park

- Project to add two parking spaces at the Toddler Park

Construction of Holly Hill Park

- Construction of a walking trail style park on the City's property at the north end of Holly Hill Dr.
- This project could be completed separately after drainage work is completed in the same area or together with the drainage project

Main Park Security Camera

- Installation of security cameras as part of the police department security plan

Pool Facilities

Deck Resurface

- Resurfacing of pool deck area with new texture and grip material to provide anti-slip surface around the pool

Facilities Capital Projects

City Hall

Flooring

- Removal and replacement of worn flooring surfaces throughout city hall

CVB Buildout

- Project to buildout the space inside city hall to accommodate CVB

Interior Paint

- Project to repaint walls inside of city hall that are in disrepair

Parking Rehabilitation and Fencing

- Project to remove all asphalt paving for the parking lot in front of city hall and replacement with concrete
- Repair of storm inlets and replacement of grates
- Demolition of existing parking lot lights and electrical, then installation of new LED parking lot lights
- Installation of fencing and security cameras to secure the police fleet

Public Works Building

Office Expansion

- Modification of interior space to create additional offices in the eastern side of the building
- City hall is reaching capacity and the staff members are sharing office space in the public works building

Platform and Lift

- Installation of a permanent platform and motorized lift for safe access to the storage on the second story
- Load bearing ratings for the second story will need to be checked in conjunction with this project

Set Generator and Automatic Transfer Switch

- Project to place the backup generator on a concrete pad outside of the public works building
- Installation of new electrical and an auto transfer switch to provide the building with backup power

Equipment

Skid Loader

- Purchase of skid loader, bobcat
- This equipment will receive regular use to move heavy materials and for drainage projects that are currently outsourced

MINUTES OF REGULAR MEETING

May 13, 2020

SHENANDOAH CITY COUNCIL

The meeting was called to order by Mayor M. Ritchey Wheeler at 7:00 p.m. City Council members present, Councilmember McLeod, Councilmember Bradt, Councilmember Gristy, Councilmember Fletcher and Councilmember Raymaker. City Administrator Kathie Reyer, City Secretary Courtney Clary, City Attorney William Ferebee, Finance Director Lisa Wasner, Public Works Director Joseph Peart, Interim Police Chief Troye Dunlap, Communications Manager Debbie Pilcher, CVB Director John Mayner, and IT Manager Chris Grizzaffi were also present.

1. CALL TO ORDER

Mayor Wheeler called the meeting to order at 7:00 p.m.

2. CALL OF ROLL

Mayor Wheeler stated for the record that all members were present.

3. PLEDGE OF ALLEGIANCE

4. INVOCATION

Mayor Wheeler gave the invocation.

5. CITIZENS FORUM (CALL IN ONLY)

Responses to inquiries are limited by state law to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision by Council shall be limited to a proposal to place the subject on the agenda of a future meeting.

6. COUNCIL'S INQUIRY

Pursuant to Texas Government Code Sect. 551.042, the Mayor and Council Members may inquire about a subject not specifically listed on this Agenda. Responses are limited to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision shall be limited to a proposal to place the subject on the agenda of a future meeting.

Mayor Wheeler stated for the record that there were no Councilmembers wishing to speak.

MINUTES OF REGULAR MEETING

May 13, 2020

SHENANDOAH CITY COUNCIL

INDIVIDUAL CONSIDERATION:

7. Promotion of Sergeant Jake Reuvers.

Interim Police Chief Troye Dunlap pinned the lieutenant badge onto Jake Reuvers uniform.

8. Discussion regarding monument sign designs.

To view the presentation, please click [HERE](#)

Mr. Peart stated that in February Council was presented with a proposal with Landology to do design work for an updated monument sign for the City. He added that the goal was to carry similar design elements of the new residential entrance signs to the proposed monument sign.

Councilmember McLeod asked if LifeTime Fitness would be covering the cost of the new monument sign. Mr. Peart stated that this was correct.

After some discussion Mayor Wheeler requested that the item be brought back with option A shown with elevation for a vote at the next meeting.

9. Discussion regarding the Water/Sewer rate study.

To view the presentation, please click [HERE](#)

Mayor Wheeler pointed out that this is a discussion item only and that no vote would be taken. He added that a rate study was mentioned in 2019 and that the intention was to find out the true cost of water in the City.

Mr. Peart stated the discussion would cover a rate study concerning the water and sewer rates charged to residential and commercial customers and that revenue projections included predicted consumption based on past usage and anticipated growth.

MINUTES OF REGULAR MEETING

May 13, 2020

SHENANDOAH CITY COUNCIL

John Bleyl of Bleyl Engineering stated that he had exhibits to present and that the goal was to make the revenue and expenses line up. He stated that the exhibits included example billing information with the proposed rates and that option two was the recommended rate option.

10. Discussion regarding the residential permit fee schedule.

Ms. Reyer stated that new residential homes and additions over \$100,000 would incur fees due to a greater workload in regard to inspections and staff time.

Councilmember Fletcher stated that his understanding was that if a resident wanted to improve their property for less than \$100,00 that no permit fees would be paid.

Ms. Thompson stated the scope of the work on additions determine the extent of the inspections required and that, in regard to additions, it is not possible to include a threshold. In other words, there will be a fee for all additions or there will not be a fee required for additions.

Councilmember Fletcher stated that the intent is to give back to the residents, especially if residents are trying to improve their properties.

Councilmember McLeod stated that he would be in favor of removing all fees for remodels and new additions.

Mr. Ferebee stated that the City is not allowed to charge a fee based on the value and that fees were set at all or nothing.

After some discussion it was decided that the City Attorney would review the fee schedule and would bring the agenda item back to Council.

11. Discussion and possible action regarding an appointment to the Montgomery County Emergency

MINUTES OF REGULAR MEETING

May 13, 2020

SHENANDOAH CITY COUNCIL

14. Discussion and possible action to amend the Civic Club bylaws.

COUNCILMEMBER BRADT MADE A MOTION TO APPROVE THE PROPOSED AMENDMENTS TO THE CIVIC CLUB BYLAWS, COUNCILMEMBER RAYMAKER SECONDED. THE MOTION CARRIED 5/0.

15. Discussion and possible action regarding approval of the 2020 Budget Workshop dates.

COUNCILMEMBER MCLEOD MADE A MOTION TO APPROVE THE 2020 BUDGET WORKSHOP DATES AS JULY 31, 2020 AND AUGUST 1, 2020, COUNCILMEMBER GRISTY

MINUTES OF REGULAR MEETING

May 13, 2020

SHENANDOAH CITY COUNCIL

SECONDED. THE MOTION CARRIED 5/0.

16. Discussion regarding 2020-2021 Council Budget Requests.

Ms. Wasner stated that one request was submitted regarding Holly Hill park and that staff would like to get more feedback from Council.

Mayor Wheeler stated that he did not feel it was the right time to build a park.

Councilmember McLeod stated that he wanted to see where the City would be financially by the end of July at Budget Workshop.

Ms. Reyer stated that staff would look at drainage improvements as a possible option to bring to budget and then look at other updates in the future.

17. Discussion and possible action to approve the minutes of the April 8, 2020 regular meeting.

COUNCILMEMBER BRADT MADE A MOTION TO APPROVE THE MINUTES OF THE APRIL 8, 2020 REGULAR MEETING, COUNCILMEMBER RAYMAKER SECONDED. THE MOTION CARRIED 5/0.

SHENANDOAH CITY COUNCIL

- The water tower was completely tented and exterior sandblasting had begun
- Parks were open Monday, May 11, 2020 with the exception of the splash pad
- The pool was scheduled to open May 16, 2020, with 25% capacity maximum, which is equal to 50 patrons

20. COUNCIL'S INQUIRY

Pursuant to Texas Government Code Sect. 551.042, the Mayor and Council Members may inquire about a subject not specifically listed on this Agenda. Responses are limited to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision shall be limited to a proposal to place the subject on the agenda of a future meeting.

Councilmember McLeod inquired about the ad campaign as the City would begin to open back up. Ms. Reyer stated that Mr. Mayner's had mapped out a one, two, and three month plan and had locked in good rates. Ms. Reyer stated that the goal was to be ready once the restaurants were open. Mr. Mayner added that he was reviewing unique digital campaigns along with working with the Houston Chronicle and Community Impact.

Councilmember Fletcher asked if there were time limits at the pool with the new restrictions. Mr. Peart stated that a low number of residents had registered. He stated that if residents began waiting outside the pool that staff would announce it during the breaks and ask for volunteers to leave so that others would have the option to swim.

Mayor Wheeler asked that residents be responsible and practice social distancing. Mayor Wheeler also inquired about updates on the Entergy project on the Wellman Loop. Ms. Reyer stated that some staking had been done and that cabinets had been delivered. She stated that they were also working remotely due to COVID-19 which had delayed some of the communication. Councilmember Raymaker stated that he had seen the foundation and the transformer when he was out in the neighborhood and that the project was moving forward.

IMPORTANT POINTS: Anything above 500 for Shenandoah can be considered a “viral” posting. This month, we had **13** postings. The City’s Facebook page, Shenandoah, TX was renamed Shenandoah, TX – City Government this month to recognize that it is an official communication outlet of the city of Shenandoah. It is an instrument for providing information to our residents unlike personal and business Facebook pages that are designed for the interchange of ideas and opinions.

PROBLEM SOLVING EFFORTS

The police department encounters and addresses a wide assortment of criminal trends, nuisances, and quality of life issues that vary at any given time. Below are some issues encountered and addressed for **May 2020**.

- Multiple complaints of COVID-19 disaster declaration capacity violations on City Park basketball court. Officers addressed each call until park facilities were completely opened.
- Ten (10) identified instances of nearby jurisdiction (The Woodlands, Oak Ridge North, South Montgomery County) car burglaries where officers saturated similar areas/parking lots, resulting in no further vehicle burglaries in Shenandoah.

TRAFFIC ENFORCEMENT OPERATIONS

In **May 2020**, Shenandoah officers made 150 traffic stops. The following table indicates general locations and number of traffic stops in conducted in each area.

TRAFFIC ENFORCEMENT AREA	May 2020	April 2020	March 2020
North Bound Service Road and Eastern Commercial Areas	96	24	76

COUNCIL MONTHLY REPORT

DEPARTMENT: PUBLIC WORKS

MONTH: MAY 2020

PUBLIC WORKS

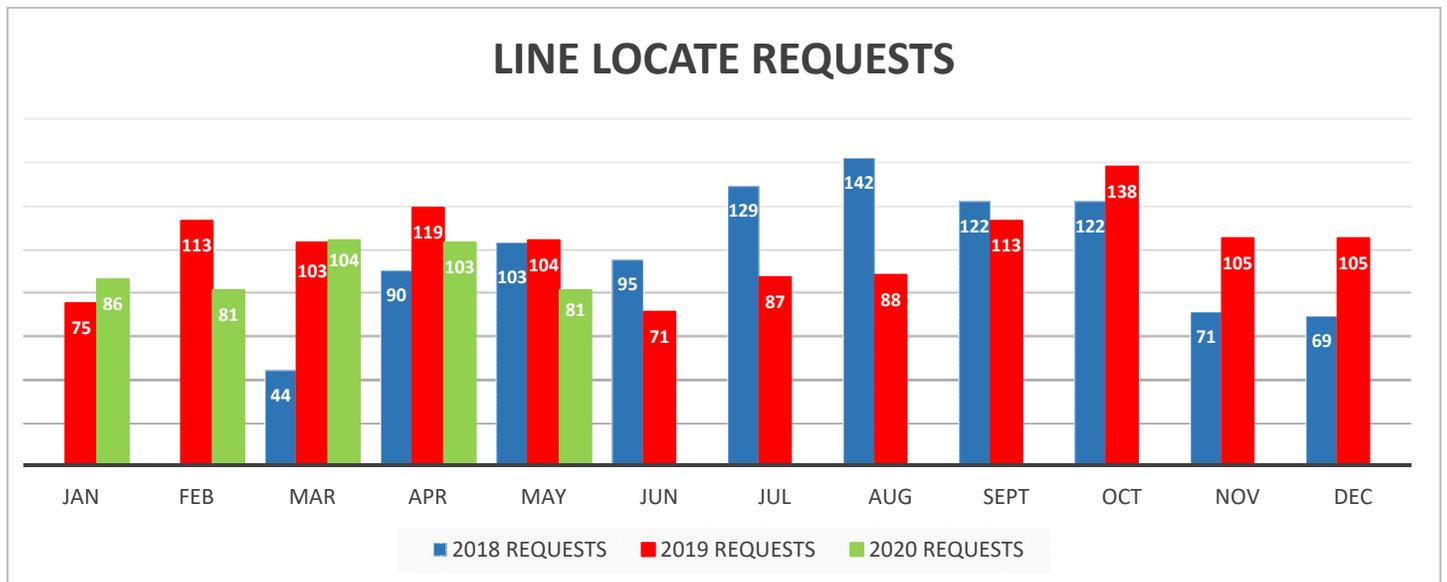

During this month, Public Works staff responded to 20 requests for service submitted through the City's E-Gov software. Of those requests for service 25% were generated from outside City Hall.

Public Works staff ran the street sweeper four times this month. The table below records the debris recovered, diesel used, hours swept, and the volume of water used.

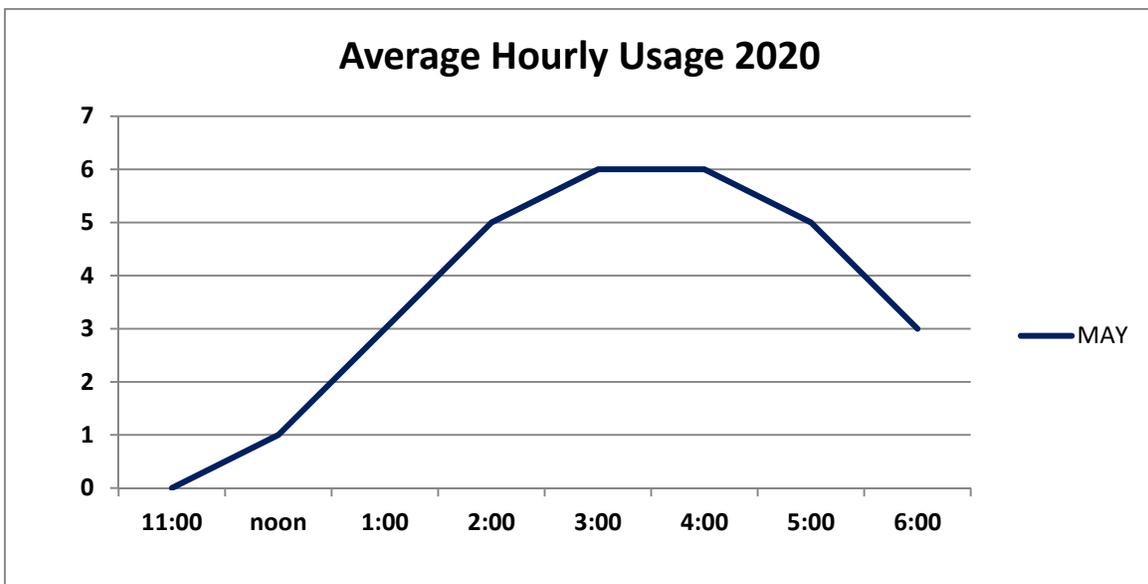

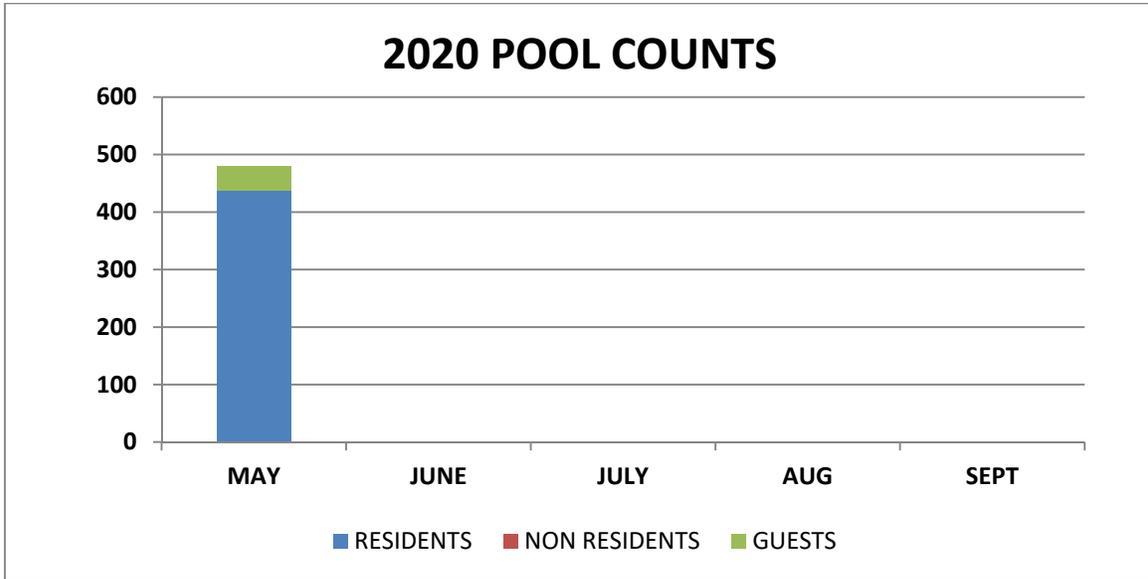

Date Swept	Diesel Used (gallons)	Hours Swept	Collected Amount (cubic yards)	Water Used (gallons)
5/07/2020	7	2	4	150
5/14/2020	7	2	4	150
5/21/2020	8	4	4	300
5/28/2020	9	3	4	300
MAY	31	11	16	900

In May, there was five cuts of the irrigated areas (those areas of the City with sprinkler systems), and five cuts of the non-irrigated areas. Once a week LandCare's staff checks these areas and picks up any debris.

In March 2018 the City became a member of Lone Star 811. The chart below shows the number of requests the City has received to locate our water and sewer lines from contractors before they dig.

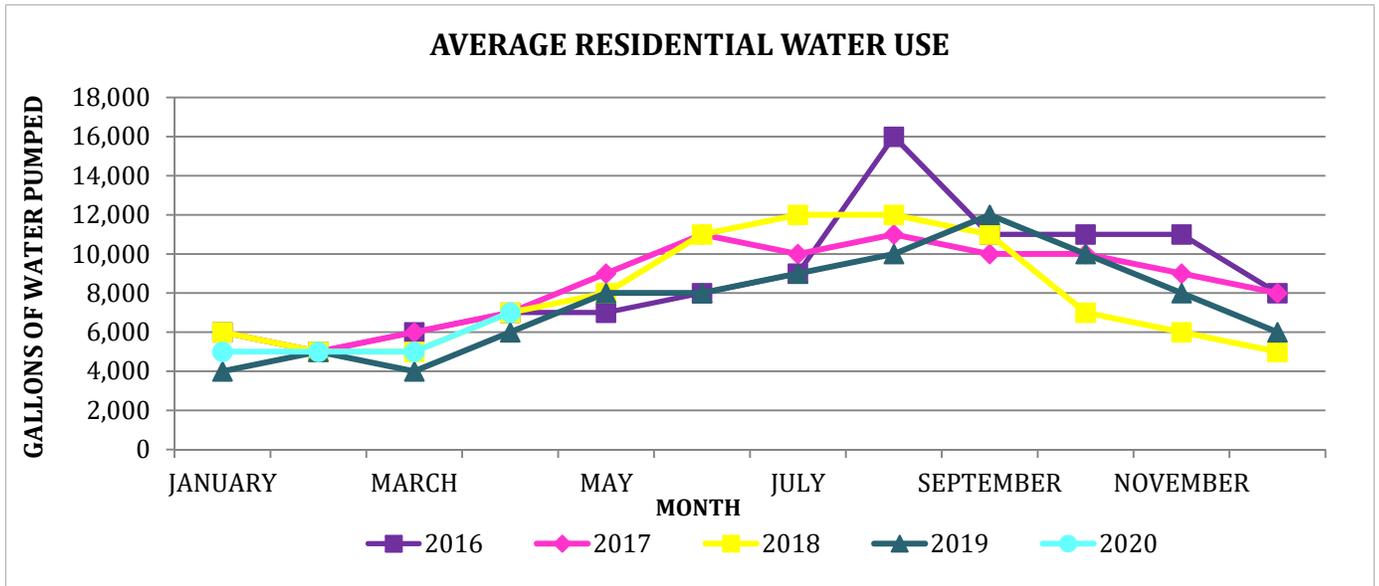

The pool opened for weekends only in May. Pool data is recorded in the following charts.

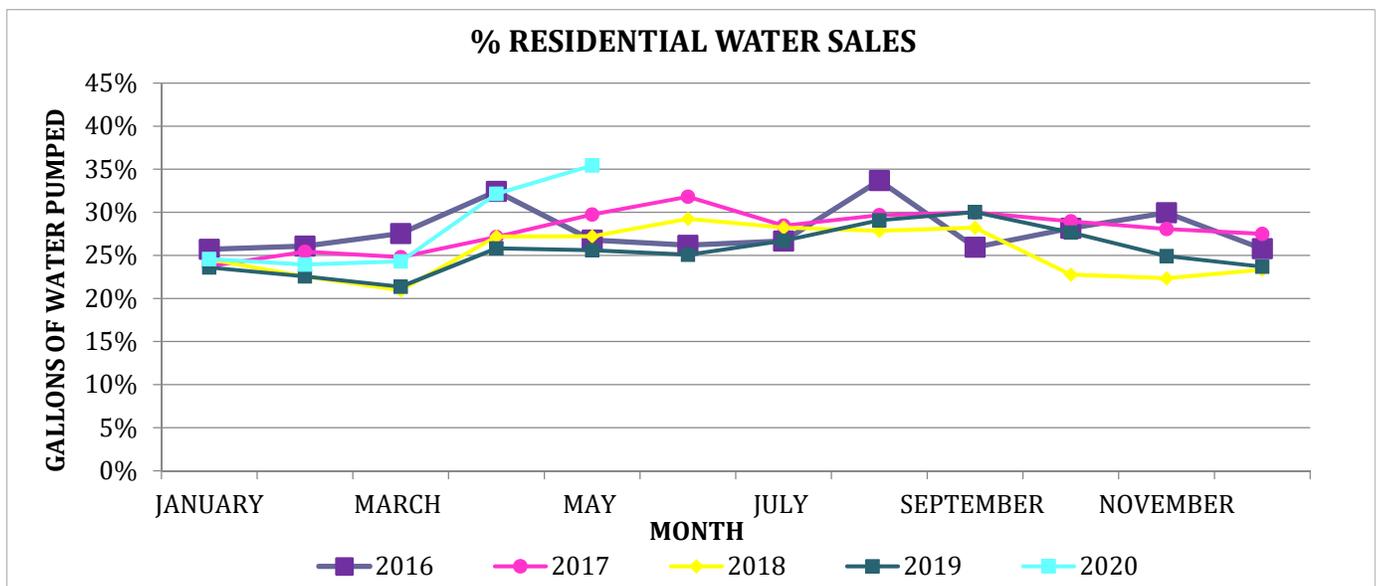

WATER & SEWER

Water and sewer data is reported on monthly reports as calendar months except for the average residential water use and the water loss data which are reported for the billing month as these data points are based on use data which is only available on a billing month cycle.

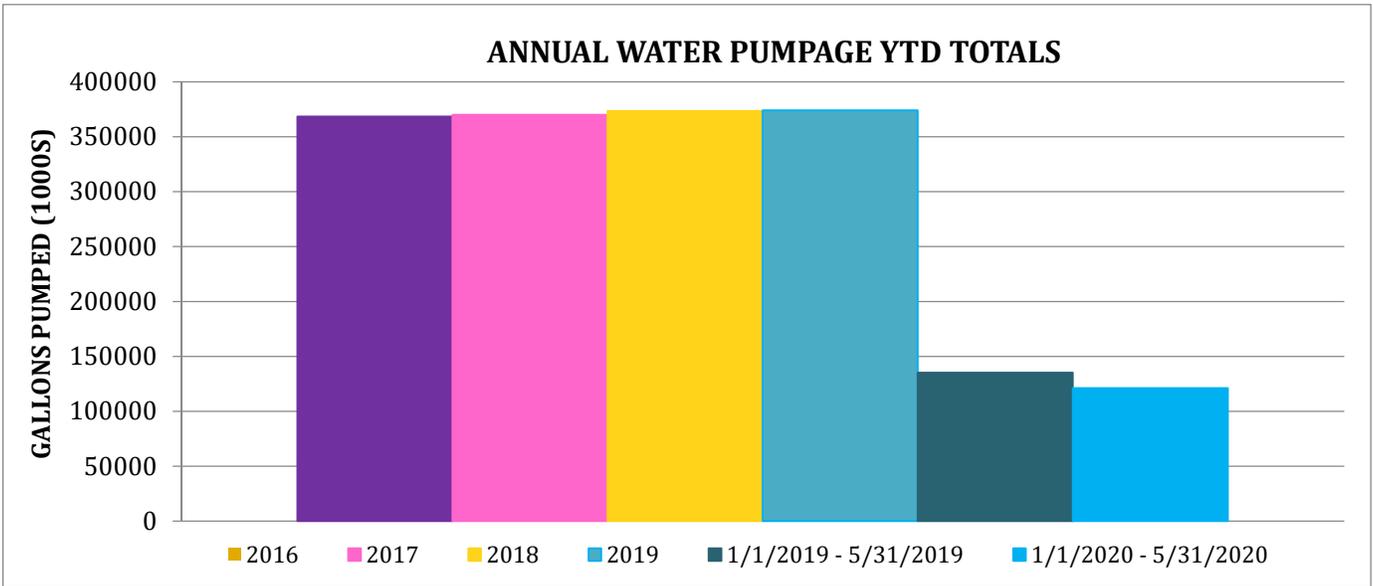

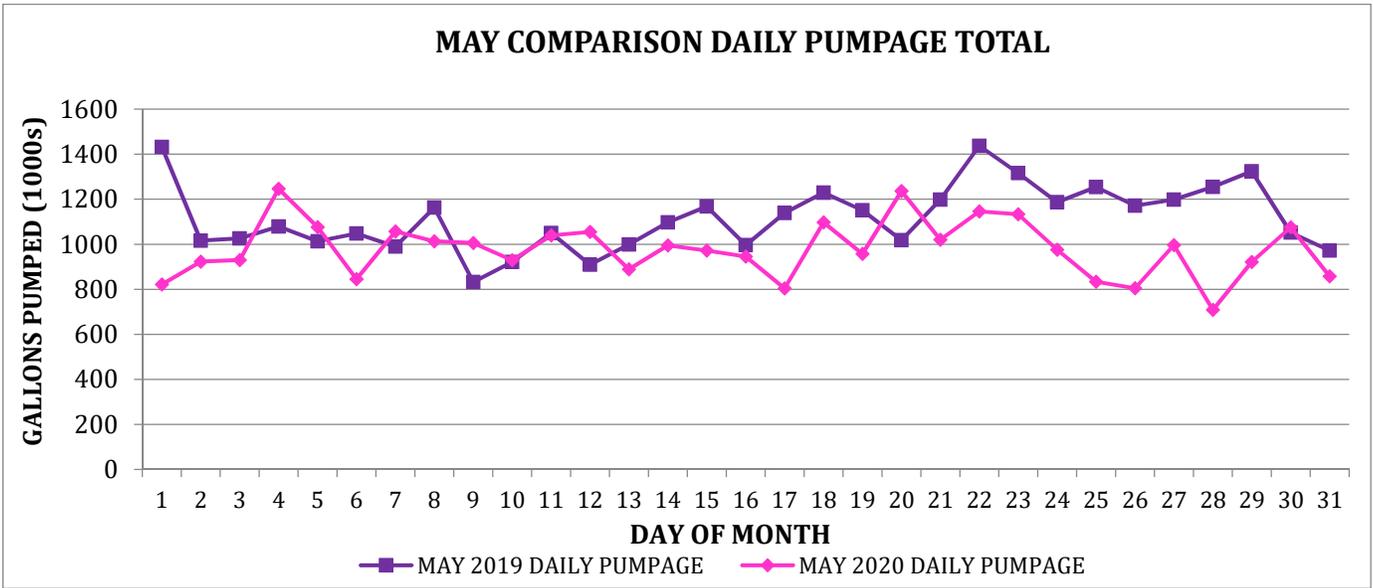

Groundwater production for the calendar month of May was approximately 30.3 million gallons with an average daily use of 978,000 gallons. The average residential water use for the billing month was 7,000 g allons. The next chart shows the average residential water use for each month compared to previous months.

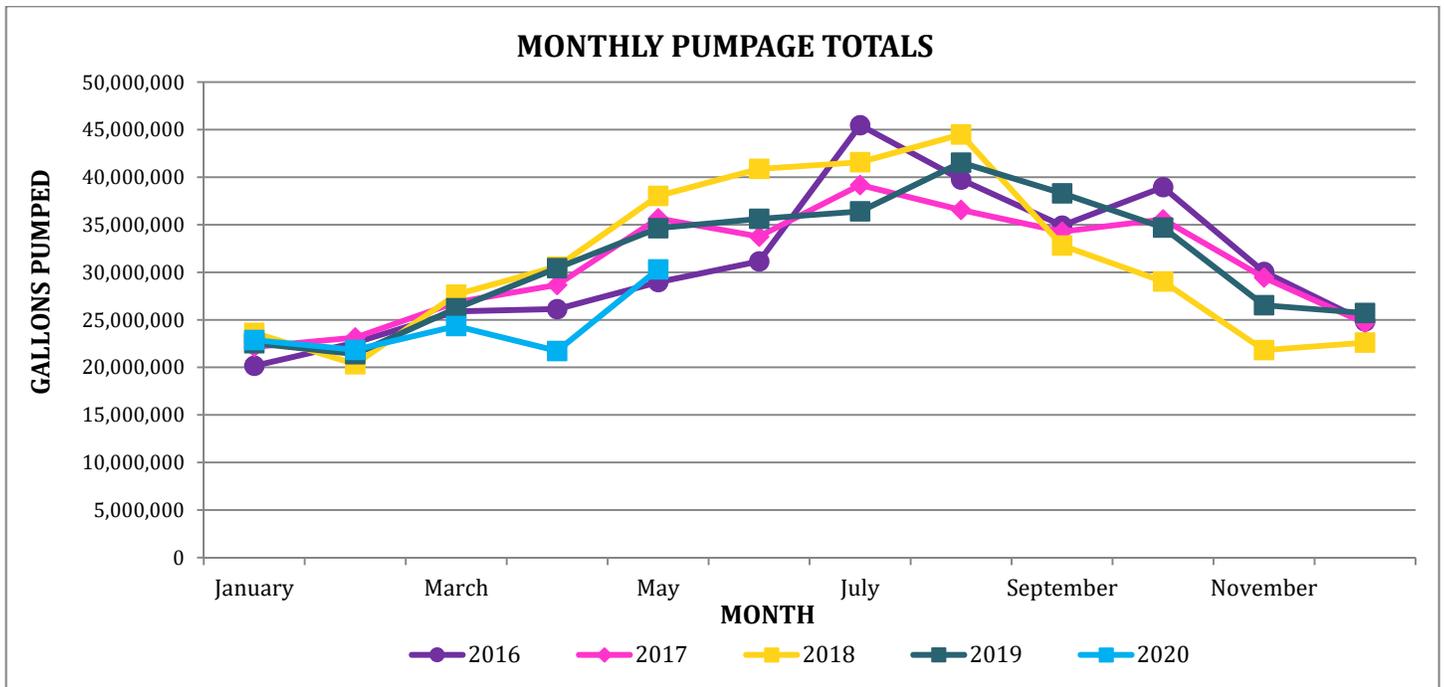

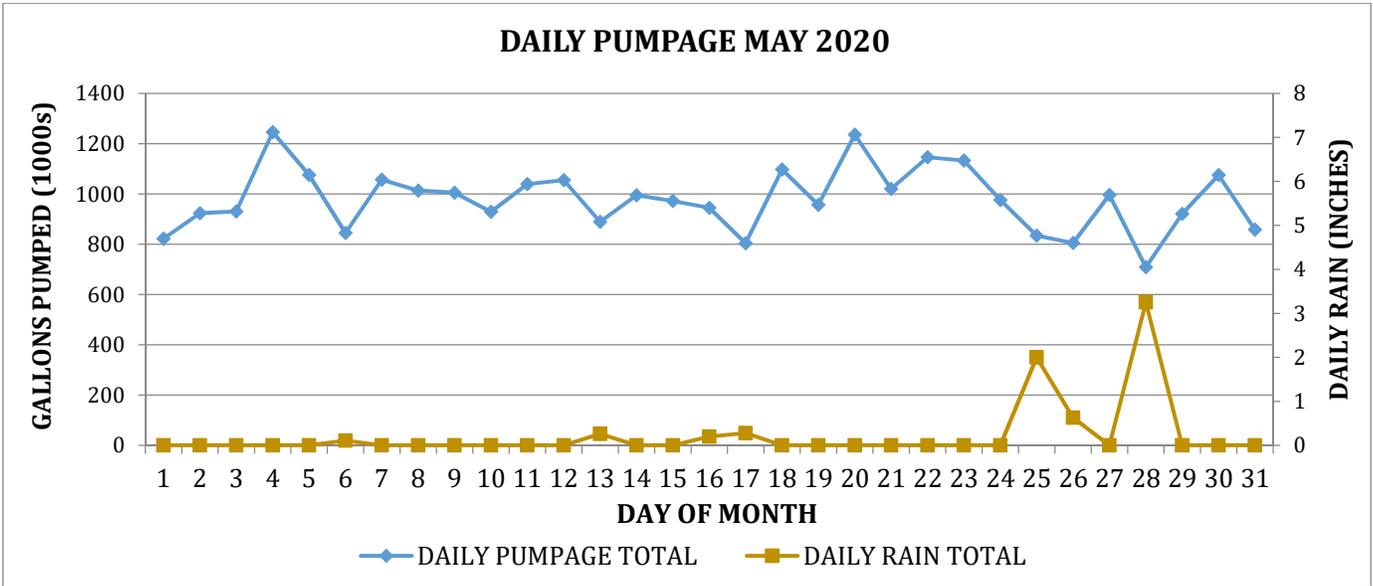

The next chart shows how much residential water sales have accounted for. In May 2019 residential water sales accounted for 25.60% of all water sales compared to 35.43% for the current month.

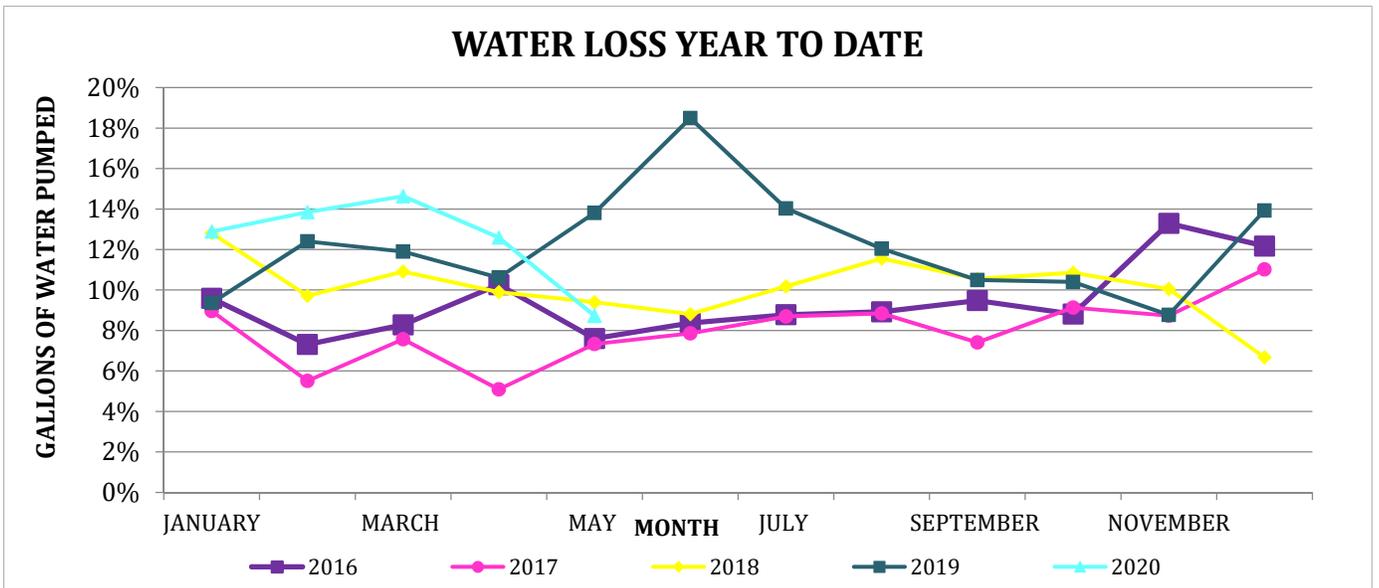

The next two charts show the daily pumpage data compared to previous years. Through May the City has pumped 121.1 million gallons of water this year. Last year during the same period the City pumped 135.2 million gallons.

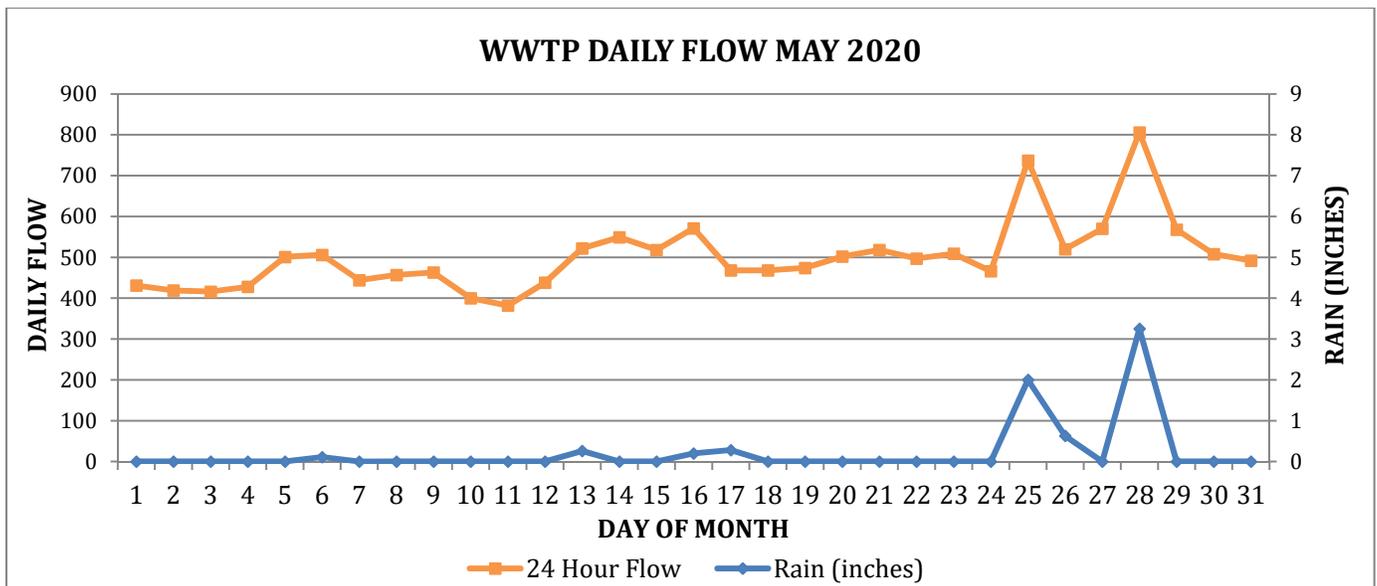

The next charts show the daily pumpage compared with rain and monthly pumpage totals.

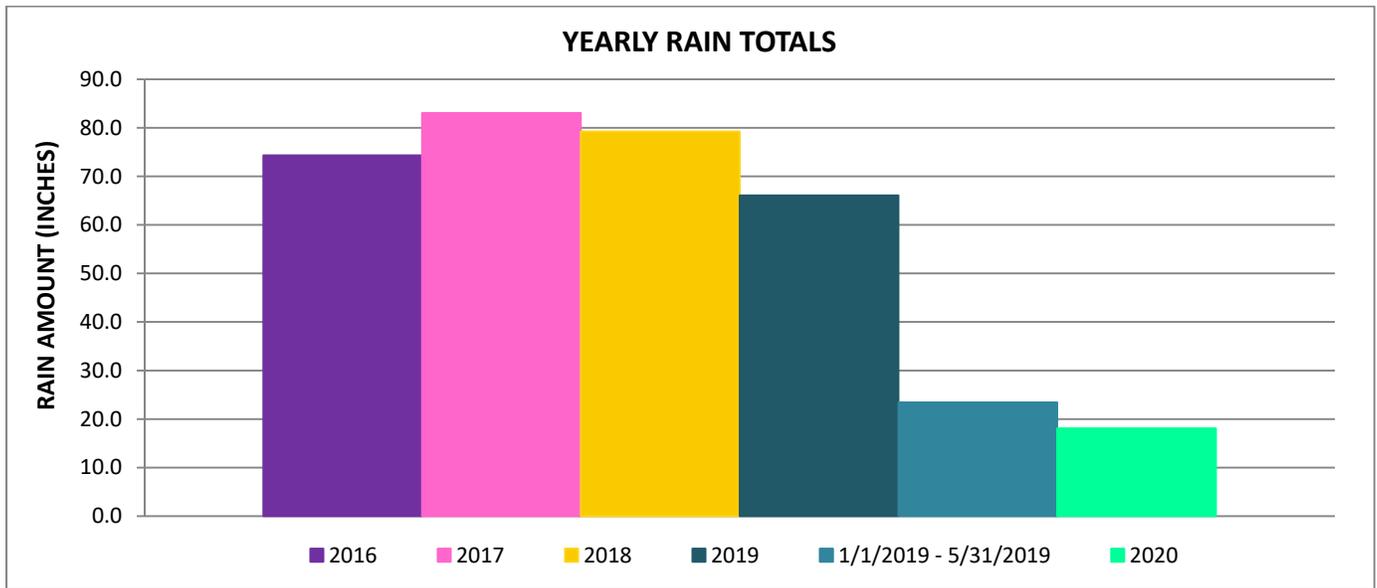

The water loss for the month of May was 8.73%. The next chart compares the loss rate to previous years.

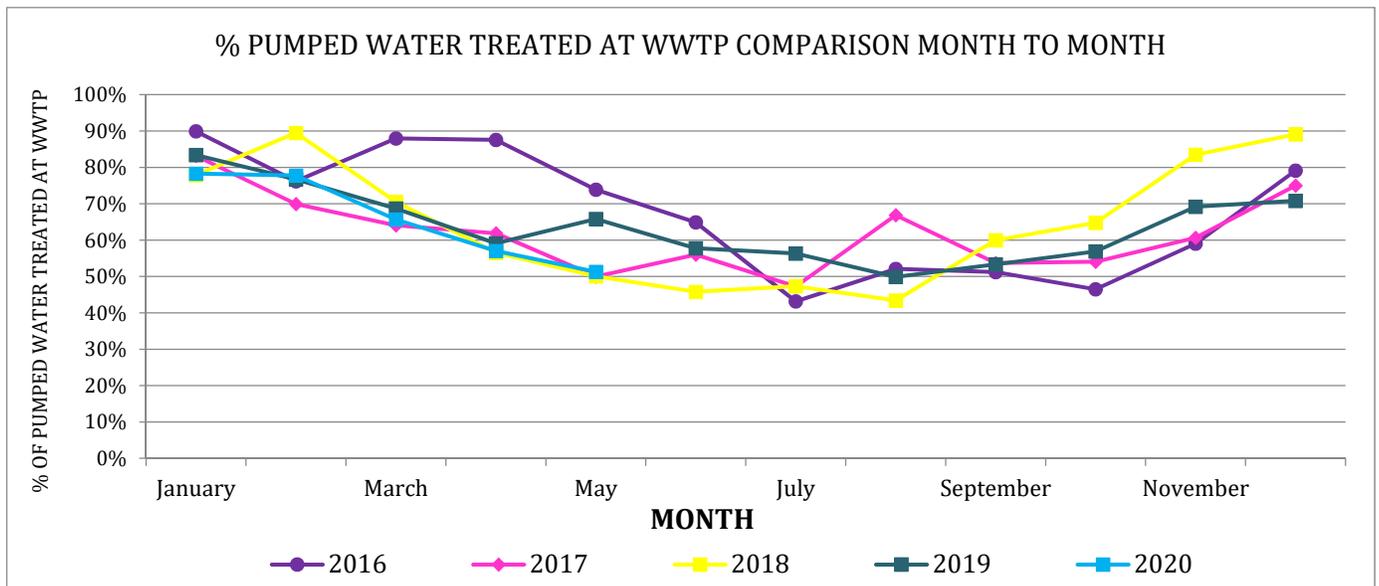

The City's wastewater treatment plant flowed 30.3 million gallons this month for an average of 501.5 gallons per day. Through the year, the City has treated 78.8 million gallons of drinking water. The next chart shows the daily flow at the treatment plant and daily.

Through May 31st the City has registered 18.07 inches of rain at the treatment plant compared to 23.42 and 27.04 inches in previous years. The next chart summarizes rainfall from previous years.

The City “recovered” over 51.30 % of the water pumped at the treatment plant. The next chart compares the monthly percent recovery to previous years.

Our water system has been reviewed by TCEQ and rated to be a Superior water system.

CAPITAL PROJECTS

PROJECTS UNDER DESIGN

- **East Relief Pond (Eastside Regional Detention Pond)**

March – Ongoing

April – Ongoing discussions with property owners to obtain drainage easements.

May – Easement acquisition discussions still underway.

- **David Memorial Extension Phase II and III**

March – Project design is being funded through a County grant program.

April – ROW deeds in preparation.

May – Revised USACE application submitted for the section in the county and city of Conroe limits.

- **Impact Fee Study 2019**

March - Bleyl Engineering submitted a draft report for staff to review and a review by the public including outside of the city limits needs to make a recommendation. An impact fee advisor committee was selected by city council to review staff recommendations for impact fees.

April – Impact Fee advisory committee meetings delayed by COVID-19.

May – Impact Fee advisory committee meetings delayed by COVID-19.

- **Water/Sewer Rate Study 2019**

March - Bleyl Engineering was sent all information required to complete draft report(s)/study.

April – Rate study nearly completed, presentation of findings to city council anticipated in May.

May – Rate study presentation completed. Modifications underway based on council comment. Additional financials are being organized for presentation. A second presentation likely to occur in July with additional data.

- **Sewer Collection System Model 2019**

March - Bleyl continued to work on system base map with data sent from city and information already in position by Bleyl.

April – Several locations across the city are lacking sizing data and invert elevations. Subcontractor

considered by Bleyl to collect remaining missing data.

May – Additional data (lift station pump sizing, pump curves, etc.) being collected for final report.

- **Transportation Coordination (Tamina, David Memorial, I-45, Research, and Grogan's Mill at Research)**

March - Design and construction projects have been started from the work completed under this project.

April – Design of Research Forest right turn lane extension and Home Depot driveway swap is nearing completion. ROW discussions are in progress with Home Depot to complete IH-45 Intersection improvements at Tamina/Research Forest. Grogan's Mill improvements on hold while Entergy moves an existing pole out of proposed lane.

May – ROW discussions still underway with Home Depot.

- **Research Forest Lift Station Rehabilitation**

Project not started.

PROJECTS UNDER CONSTRUCTION

- **Elevated Storage Tank Rehabilitation 2019**

March – Construction started on the 27th.

April – Construction ongoing. Several items not listed in original bid in need of repair are being combined in Change Order #1.

May – Exterior sandblasting nearing completion. Repairs of interior tank nearly completed and ready to be put back in service.

- **Vision Park Rear Lot Storm Sewer Improvement Project**

March – Project advertised and bid.

April – Project bid and approved for construction by city council.

May – Project underway and projected completion in June.

- **Pinecroft/Savannah Waterline Replacement Project**

March – Waterline install almost completed and customer tie-ins complete but one. A power/communication box was placed in the path of the old and new water line tie in and is being scheduled for relocation.

April – All customer tie-ins completed. Change order #1 completed, final walkthrough scheduled for May.

May – Project completed. Few punch list items remain to be completed.

- **Community Room**

March – Demolition in progress. Change order #1 added for re-plumbing work, and HVAC electrical and thermostat modifications.

April – Re-construction of room nearing completion, ADA accessible exterior door yet to be completed and some minor electrical work. Final walkthrough scheduled for May.

May – Project is complete. Few punch list items remain to be completed.

- **Park Surge Protector**

March – COVID-19 delays to rebuilding of surge protector.

April – COVID-19 delays to rebuilding of surge protector.

May – COVID-19 delays to rebuilding of surge protector.

Savanah and Pineroft Waterline Improvements - 12243

Project Description	Update
Bleyl was authorized on 12/12/18 for Pineroft and 2/28/18 for Savanah for engineering and management services to design waterline improvements off of Savanah Drive and along Pineroft Drive.	The project is complete and placed into the one-year warranty period (April 23, 2020).

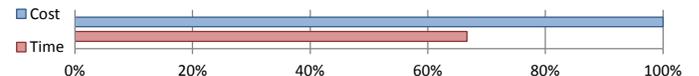

Elevated Storage Tank Rehabilitation - 12531

Project Description	Update
Bleyl was authorized on 9/25/19 to provide plans and specifications for sand blasting and recoating the existing elevated storage tank.	The project is in construction and completion is scheduled for September 2020. The interior and exterior blasts and prime are complete. The logo and colors have been approved.

Shenandoah Vision Park Storm Drain - 11824

Project Description	Update
Bleyl Engineering was authorized on 4/27/16 by the City Council to proceed with design on the necessary improvements to the storm drain system that ties into the Vision Park Detention Pond. Route changes and pond easement acquisition have delayed the project.	The project was awarded to A-Status Construction and began on 5/12/20. The construction is substantially complete and a final inspection is scheduled for 6/11/20.

EXPEDIA ADVERTISING

Below is a recap of April 2020 performance on Expedia TravelAds. Current reporting lag time is running one month behind in order to coincide with occupancy tax and self-reported occupancy data.

ITEMS OF ADDITIONAL NOTE

- Closed Visitor Center and relocated CVB offices over to City Hall on Wednesday, May 6, 2020.
- Launched a redesigned CVB website at www.VisitShenandoahTx.com on May 19-20, 2020. Redesign included a new, **“Small Meetings & Special Events” planner** and **updated Visitor map**.
- Monthly hotel tax revenue is down 90.23% year-over-year due to pandemic, but this also reflects Towneplace Suites being temporarily closed and collections from Homewood Suites, as they have not been received yet.
- Continued to communicate with our hotels regarding updates to the Governor’s orders, and to stores and restaurants regarding who is open and serving, etc.
- Continued to make calls and plan for hyperlocal ad campaign to support local businesses once Governor authorizes re-opening and adequate numbers of businesses re-open and public begins to feel safe enough to get out. Continued work with agency, local media companies and major advertisers to discuss timing issues as well as potentialities of “layering in” hyper-local campaign with larger marketing efforts.
