22. Discussion and possible action to approve the accounts payable for April, 2020.

23. CITIZENS FORUM

Citizens are invited to speak for three (3) minutes on matters relating to city government that relate to agenda or non-agenda items. Speakers are asked to address Council and give their name and address before sharing their comments.

Responses to inquiries are limited by state law to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision by Council shall be limited to a proposal to place the subject on the agenda of a future meeting.

24. City Administrator updates – Monthly Reports.

25. COUNCIL INQUIRY

Pursuant to Texas Government Code Sect. 551.042, the Mayor and Council Members may inquire about a subject not specifically listed on this Agenda. Responses are limited to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision shall be limited to a proposal to place the subject on the agenda of a future meeting.

EXECUTIVE SESSION

Public notice is given that the City Council may elect to go into Executive Session at any time during the meeting in order to discuss any matters listed on the Agenda when authorized by the provisions of the Open Meeting Act, Chapter 551 of the Texas Government Code, to receive advice from legal counsel, to discuss matters of land acquisition, personnel matters or other lawful matters that are specifically related to items listed on this Agenda. Prior to any such closed session, the Mayor, in open session, will identify the agenda item to be discussed and the Section or Sections of Chapter 551 under which the closed discussion is authorized.

Executive Session – According to the Texas Open Meetings Act, Chapter 551 of the Texas Government Code as follows:

- i) Government Code § 551.074. Personnel Matters;
 - Police Chief

- a) Consideration and if determined appropriate, take action resulting from the item(s) listed under Executive Session.

ADJOURN

The Council may vote and/or act upon each of the items listed on this Agenda. One agenda item will be discussed at a time unless logic and practical consideration allow similar topics to be considered together for purposes of convenience and efficiency. The Council may retire into executive session concerning any of the items listed on this Agenda, whenever it is considered necessary and legally justified under the Open Meetings Act.

Any discussion item on the City Council agenda permits City Council to question the involved parties or receive a presentation by the involved parties.

City Hall is wheelchair accessible. A sloped entry is available at the entrance with specially marked parking spaces available. Requests for accommodations or interpretive services must be made 48 hours prior to this meeting. Please contact the City Secretary's office at 281-298-5522 or Fax 281-367-2225 for information.

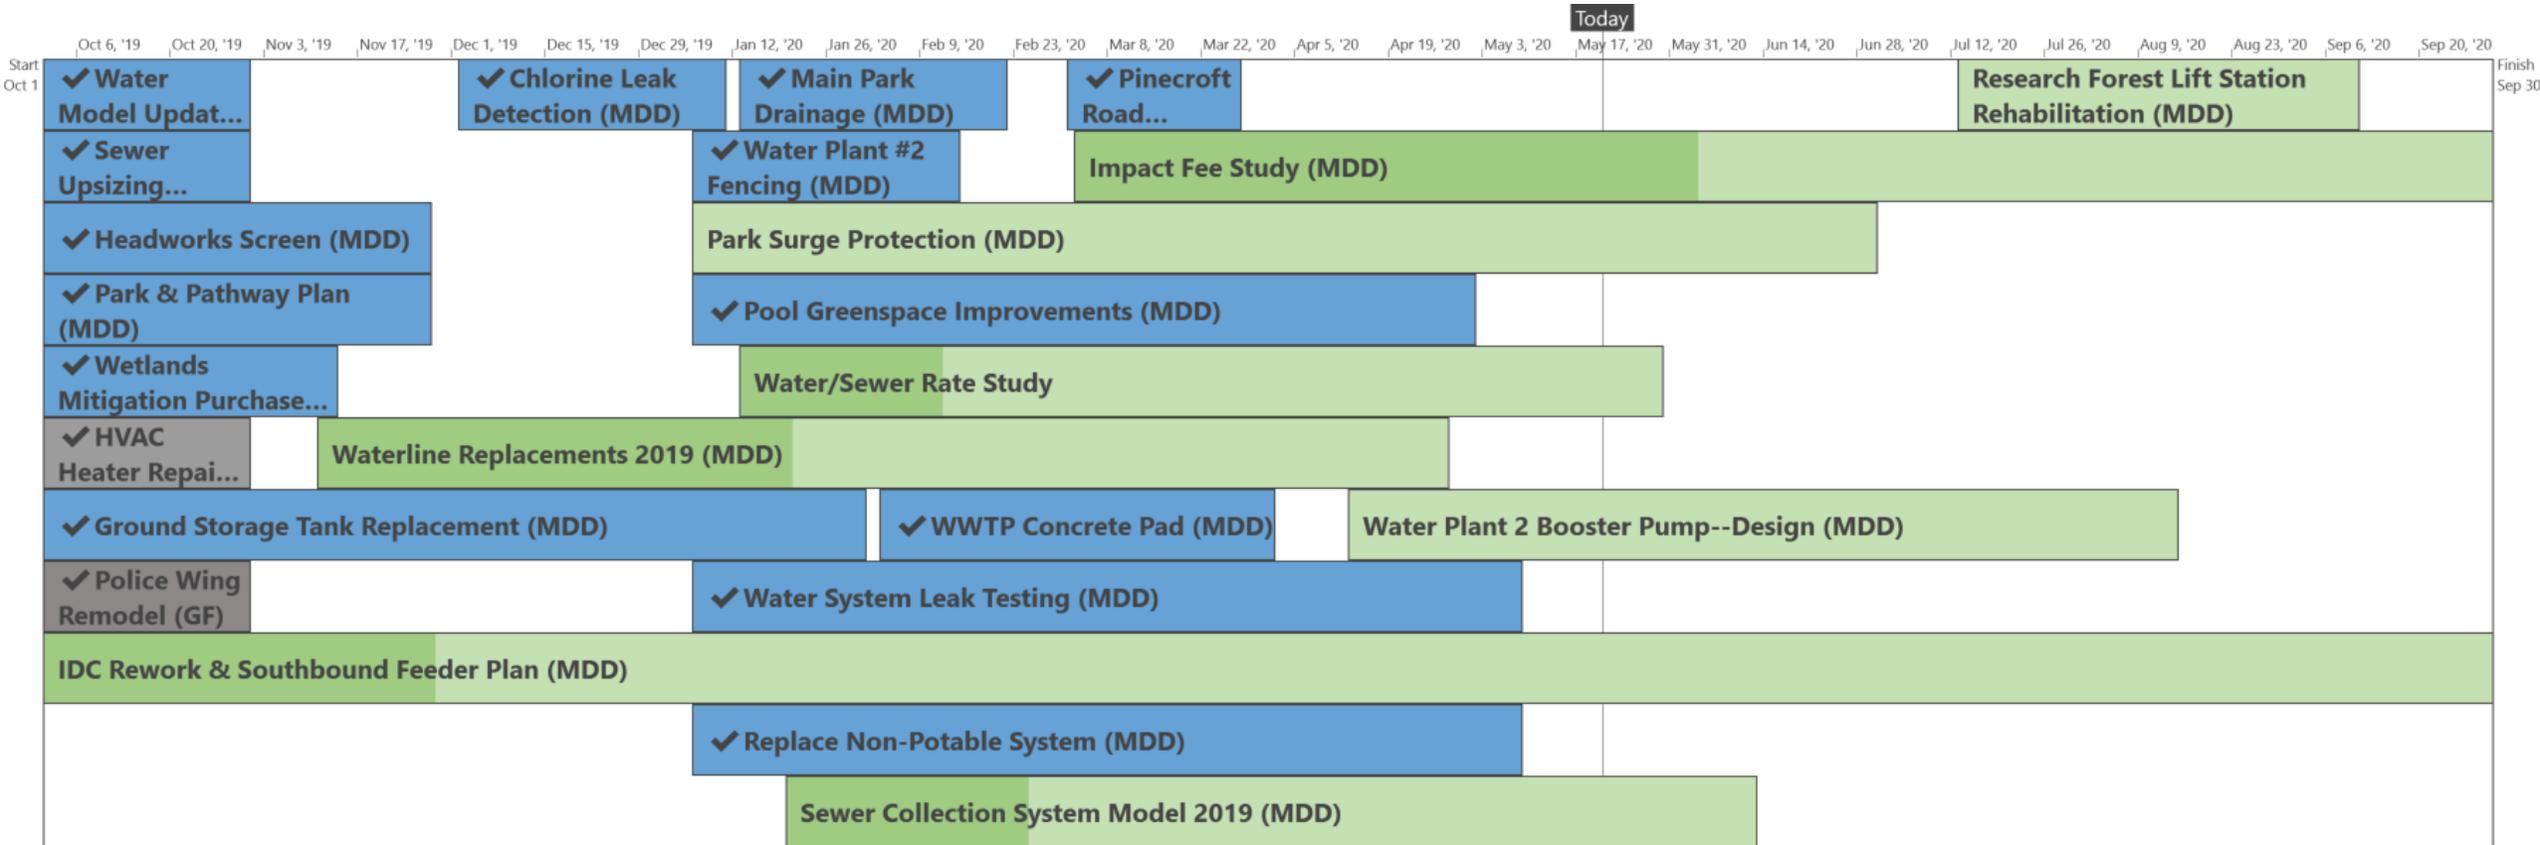

I certify that the attached notice of meeting was posted on the bulletin board at City of Shenandoah Municipal Complex, 29955 IH-45 North, Shenandoah, Texas, on the 21 day of May 2020 at: 4:15 o'clock p.m.

Courtney Clary, City Secretary

AGENDA REPORT

AGENDA DATE: <u>May 27, 2020</u>	ITEM NUMBER: <u>8 - 10</u>
DEPARTMENT: <u>Community Development</u>	PREPARED BY: <u>Jackie Thompson</u>
PRICING: _____	EXHIBITS: <u>Final Report, Property Location, SUP Application, Ordinance</u>

SUBJECT/PROCEEDING:

Final Report regarding the proposed zoning amendment for a special use permit for a Mixed Beverage Restaurant Permit with Feed and Beverage Certificate. The proposed zoning amendment is for 1644 Research Forest, Suite 100, Shenandoah, Texas.

Public Hearing regarding the proposed zoning amendment for a special use permit for a Mixed Beverage Restaurant Permit with Feed and Beverage Certificate. The proposed zoning amendment is for 1644 Research Forest, Suite 100, Shenandoah, Texas.

Consideration and possible action to approve or deny the proposed zoning amendment for a special use permit for a Mixed Beverage Restaurant Permit with Feed and Beverage Certificate. The proposed zoning amendment is for 1644 Research Forest, Suite 100, Shenandoah, Texas.

RECOMMENDED ACTION:

The Planning and Zoning Commission reviewed the application for Mixed Beverage Restaurant Permit with Food and Beverage Certificate during their regular meeting on May 19th. The Commission unanimously recommends approval of the special use permit.

BACKGROUND/DISCUSSION:

Lama Mediterranean Cuisine, located at 1644 Research Forest Drive, Suite 100 has requested a Special Use Permit to allow for a Mixed Beverage (On-Premise) Permit with Food and Beverage Certificate.

The Special Use Permit will the following permits be issued to the property.
 Mixed Beverage Permit (MB) – Permit Authorizes the holder to sell mixed beverages form unsealed containers and wine, beer, ale, and malt liquor in container of any legal size for on-premise consumption.
 Food and Beverage Certificate (FB) - A Food and Beverage Certificate may be issued to the holder of a Beer Retailer's On-Premise Permit or Wine and Beer Retailer's Permit if food service is the primary business being operated on the licensed premise or to the holder of a Mixed Beverage Permit or Private Club Permit if food service is available on the premises and the gross receipts of alcoholic beverages do not exceed 50% of total gross receipts.

The business is located in the "NS" – Neighborhood Service Zoning District.

APPROVALS:

DEPARTMENT HEAD  DATE: May 20, 2020

CITY ADMINISTRATOR  DATE: May 20, 2020

Shenandoah City Council
May 27, 2020 Public Hearing
Final Report

Subject: Lama Mediterranean Cuisine has requested a Special Use Permit (SUP) at 1644 Research Forest Drive, Suite 100, Shenandoah, TX to allow for a Special Use Permit for a Mixed Beverage Permit with Food and Beverage Certificate.

Public Hearings: Planning & Zoning Commission –May 5, 2020
Planning & Zoning Commission – May 19, 2020
City Council – May 27, 2020

Current Zoning District: “NS” Neighborhood Service Zoning District

Proposed SUP: An alcohol permit is required to allow the sale of wine and beer for on-site consumption within any zoning district in the City. The requested SUP for a mixed beverage permit will allow the sale of mixed beverages from unsealed containers and wine beer, ale and malt liquor in containers from any legal size for on premise consumption. The SUP will be applicable to 1644 Research Forest Drive, Suite 100, Shenandoah, TX.

Recommendation: The Planning and Zoning Commission reviewed the application for Mixed Beverage Restaurant Permit with Food and Beverage Certificate during their regular meeting on May 19th. The Commission unanimously recommends approval of the special use permit.

Public Hearings

Parties in interest and citizens shall have an opportunity to be heard at public hearings conducted by the Planning and Zoning Commission and the City Council before any amendment to a district regulation, restriction, or boundary shall become effective. Regularly scheduled meetings are as follows and will be held accordingly unless public notice has been given of a change of dates:

Planning and Zoning Commission (two public hearings): **3rd Tuesday of every month at 7:00 p.m.**

City Council: **4th Wednesday of every month at 7:00 p.m.**

Protests

If a protest against a proposed zoning change including PDD and SUP requests has been filed with the City Secretary, duly signed and acknowledged by the owners of twenty percent (20%) or more, either of the area of the land included in such a proposed change or those owners of property immediately adjacent to the subject property and extending two hundred feet (200) there from, such zoning change shall not become effective except by a three-fourths (3/4) vote of governing body in accordance with the provisions of Section 211.006 of the Texas Local Government Code.

Resubmission

Rezoning requests which have been heard and decided by the Council of the City of Shenandoah may not be re-filed with the city for six (6) months after the date of such decision by the Council, absent a change in circumstances.

Rezoning requests for the same property to a different classification than the denied request may be re-filed prior to the expiration of six (6) months.

ORDINANCE NO. O-20-009

AN ORDINANCE OF THE CITY OF SHENANDOAH, TEXAS, AMENDING THE CODE OF ORDINANCES, CHAPTER 102, SO AS TO A SPECIAL USE PERMIT FOR A MIXED BEVERAGE PERMIT FOR LAMA MEDITERRANEAN CUISINE LOCATED AT 1644 RESEARCH FOREST DRIVE, SUITE 100, SHENANDOAH, TEXAS; PROVIDING FOR A PENALTY IN THE AMOUNT OF \$2,000 FOR VIOLATIONS THEREOF; PROVIDING SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Secretary of the City of Shenandoah, Texas, directed that notices of public hearings be issued, as required by the Zoning Ordinance of the City of Shenandoah, Texas and laws of the State of Texas for the purpose of considering a change in the Zoning Ordinance; and

WHEREAS, the City Secretary of said City accordingly caused to be issued and published the notices required by its Zoning Ordinance and laws of the State of Texas applicable thereto, the same having been published in a paper of general circulation at least fifteen days prior to the time for such hearing; and

WHEREAS, pursuant to such notice, public hearings were held on May 5, 2020, May 19, 2020 and May 27, 2020 allowing all persons wishing to be heard both for and against the aforesaid change in the Zoning Ordinance to voice their opinions; and

WHEREAS, the Planning and Zoning Commission has recommended approval of this special use permit; and

WHEREAS, the City Council finds that such change would not be detrimental to the public health, safety, or general welfare in the City of Shenandoah, and as well, the owners and occupants thereof.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SHENANDOAH, TEXAS, THAT:

Section 1. Code of Ordinances, City of Shenandoah, Texas, Chapter 102 is hereby amended so as to approve a Special Use Permit for a Mixed Beverage Permit. The proposed special use permit is for 1644 Research Forest Drive, Suite 100 in the City of Shenandoah, Montgomery County, Texas.

Section 2. All provisions of the ordinances of the City of Shenandoah in conflict with the provisions of this Ordinance are hereby repealed, and all other provisions of the Ordinances of the City of Shenandoah, not in conflict with the provisions of this Ordinance, shall remain in full force and effect.

Section 3. The provisions of this Ordinance shall be cumulative of all other ordinances or parts of ordinances governing or regulating the same subject matter as that covered herein; provided, however, that all prior ordinances or parts of ordinances inconsistent or in conflict with any of the provisions of this Ordinance are hereby expressly repealed to the extent that such inconsistency is apparent.

Section 4. Any person, firm or corporation violating any of the provisions or terms of this Ordinance shall be subject to the same penalty as provided for in the code of Ordinances of the City of Shenandoah, and upon conviction, shall be punished by a fine not to exceed the sum of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00) for each offense, and each and every day such violation shall continue shall be deemed to constitute a separate offense.

Section 5. It is the intention of the City Council that this Ordinance, and every provision thereof, shall be considered severable and the invalidity of any section, clause or provision or part or portion of any section, clause, or provision of this Ordinance shall not affect the validity of any other portion of this Ordinance.

Section 6. This Ordinance shall become effective immediately upon its passage and publication as required by law. If the use is not established by May 27, 2021 and no extension is approved, the Special Use Permit will expire by its own terms.

PASSED, APPROVED, AND ADOPTED this the 27th day of May, 2020.

Statement of Work

Background:

Customer requires a water transfer system to remove water from a pond in an effort to lower the pond for greater

Scope:

Rain for Rent will provide labor and equipment necessary to deliver, install, remove, and demobilize the water transfer system products outlined in this quote. The pump station location will be at the manhole west of the pond and discharging at location 900' north of the pond. Rain for Rent will provide equipment as listed in the product page of this quote. Rain for Rent will provide and install manifolds, hoses and connection between Rain for Rent products.

References Materials:

Documents used as input for this proposal include:
Job walk and customer requests for flow rates

Operating Parameters:

System is designed to operate at a flow rate of 2,500gpm with peak flows of 3,500gpm.

Suction Location:

Suction Lift: 5'-15'

Discharge Locations:

Elevation Change from Suction to Discharge:

Pipe Distance: 950'

Estimated Duration:

For the quoted items, Rain for Rent requires a signed quote not less than 8 business days prior to delivery.

Rain for Rent Responsibilities:

- Labor and equipment necessary to perform one (1) unimpeded delivery & return trip per load to site.
- Labor and equipment necessary to install & remove system except for customer provided items.

Customer Responsibilities:

- Ensure that the application of this system does not damage nearby structures or cause negative impacts to the environment either directly or indirectly.
- Coordinate and acquire appropriate permissions and permits for water usage.
- Provide dedicated equipment with operator and fuel to perform unloading activities. Equipment must be capable of lifting 8,000lbs.
- Provide the following fueling, filter changes, and lubricating oils as needed for project operation. Pumps require service every 250 hours and can be provided by RfR for additional costs.

- Protect system from damage and malfunction due to temperature or any substance that will cause corrosion, damage or leakage. Customer must provide protection that does not impede system function. Customer is responsible for all damages to system.
- Supply all needed water for any applicable system testing, startup, and cleaning.
- Provide any needed vehicular or pedestrian traffic control, site security and the modification or alteration of any permanent structure or site element, including any needed suction pits, pump pads, and discharge locations.
- All waste materials associated with this system.

Rain for Rent Exclusions:

- Sound attenuation.
- Compliance with unknown discharge requirements.

Additional Information

Services quoted in this proposal provided on a Time and Material basis. All values for service totals and phases are estimates only. Actual time used will be billed to customer.

Always use equipment in a safe and proper manner and in accordance with manufacturers and regulatory standards and industry best practices. Improper usage will cause system failure, product damages, possible injuries, and spills.

Rain for Rent has not assessed the suitability of the equipment quoted herein for its intended application is providing this equipment as directed by the customer without guarantee.

Rental Quotation

Houston

www.rainforrent.com

2712 Independence Pkwy South
La Porte TX 77571
Phone: 281-479-4500
Fax: 281-479-3092

Quotation Number: 1017-IND-885448

Scope of Agreement

If Customer has entered into a Master Service Agreement with Rain for Rent and there is a conflict between the terms and conditions of this Scope of Agreement and the Customer's Master Service Agreement, then the terms and conditions in the Customer's Master Service Agreement signed by Rain for Rent will prevail.

Availability of products and services is subject to change without notice.

The rental period begins the day the equipment is delivered and continues until returned to originating Rain for Rent facility unless agreed to in writing before the rental period begins. A Cycle is defined as 4 weeks or 28 days which is our standard billing period. The weekly and/or daily rate for equipment quoted will be listed in the products grid when products are eligible for less than cycle rates. Payment terms are net 30 days from invoice date. Interest at the rate of 18% per year shall be charged on any past due invoice.

A Fuel Surcharge will be calculated and invoiced based on the diesel fuel price as published by the Department of Energy on <https://www.eia.gov/petroleum/gasdiesel/>

An Environmental Recovery Fee shall apply to all rental charges invoiced for the duration of the rental pursuant to this quote/Estimate to help offset direct and indirect costs associated with regulatory compliance, obtaining permits, and obtaining licenses. California Air Quality Fee will be added to the cost of diesel pumps used in California only. This is a State mandated fee.

Customer is prohibited from deducting retention from Rain for Rent invoices and charging Rain for Rent liquidated damages.

Customer is responsible for flushing and cleaning tanks, roll off boxes, pipelines, pumps, filters and other Rain for Rent equipment prior to return unless specifically agreed to by both parties in writing.

The Terms and Conditions of the Rain For Rent Rental and Acute Hazardous Waste Agreements, Credit Application/Master Rental & Sales Agreement, Invoice and this Quotation (also known as the Rain for Rent Rental/Sale Estimate as may be referenced in any Master Service Agreement, Blanket Purchase Order, or any other contractual document executed between the parties) contain the complete and final agreement between Rain For Rent and Customer and no other agreement in any way modifying or adding to any of said Terms and Conditions will be binding upon Rain For Rent unless made in writing and signed by a Rain For Rent Corporate Officer or Rain for Rent authorized representative.

The Customer cannot alter the equipment without Rain for Rent's prior written approval. Customer is responsible for equipment, repairs, maintenance and damage, excluding normal wear and tear or damage caused by Rain for Rent. All returned equipment is subject to inspection by Rain for Rent personnel. Damages and accrued rent will be invoiced to Customer while equipment is out of service for repairs. The Customer is responsible for damage caused by reactive, corrosive or abrasive material; including, but not limited to sand, sodium hydroxide, chlorine, and acids. Customer must notify Rain for Rent immediately of any spill so that any necessary repairs to the system can be made and to minimize service interruption. The Customer assumes all risks of loss due to operation and use of the equipment. Customer will provide "all risk" property insurance for rented equipment.

Customer shall pay Rain For Rent additional expenses caused by unforeseen or changing conditions, including, but not limited to, soil, underground conditions, rock formations, environmental conditions, weather events, regulations or restrictions, hard pan, boulders, cesspools, gas lines, water lines, drain pipes, underground electrical conduits or other above ground or underground obstructions.

All equipment rented or used products sold are provided "AS IS, WHERE IS" in their present condition. Rain for Rent makes no warranties, expressed or implied of any kind whatsoever with respect to the equipment or products. Customer agrees that customer is renting equipment or purchasing used products based on their judgment and evaluation, without reliance upon any statements of representations by Rain for Rent, and that Rain for Rent is not responsible for any defects in their operation or for any repairs, parts or services, unless otherwise noted.

All new products sold are provided without warranty beyond the terms of such warranty offered by the manufacturer, if any. Customer must comply with all original manufacturer's terms and conditions for any warranty claims that may arise. Neither Rain for Rent nor the manufacturer warranties the product if it has failed due to corrosion, misuse or damage; (2) it has been altered, repaired or modified in any way that would adversely affect its operation; or (3) it was installed or operated other than in accordance with manufacturer's operating instructions. Products supplied by Rain for Rent are warranted to be free from any defect in workmanship and material under conditions of normal use and service. Rain for Rent's obligation under this warranty is limited to replacing or repairing at the designated manufacturer's or Rain for Rent facility any part or parts returned to it with transportation charges prepaid, which Rain for Rent determines in its sole discretion to be defective.

This Quotation excludes any additional costs to Rain for Rent associated with Owner Controlled Insurance (OCIP) or WRAP insurance programs that will be added to Rain For Rent's prices.

De-watering, Roll-off, Vacuum boxes and similar equipment are not liquid tight. Rentee accepts full responsibility for all losses, damages and costs caused by or arising out of spills, leakage or discharge from this equipment. Rain for Rent will not be held liable for any structural or soils subsidence. This Quotation is valid for 30 days and is subject to credit approval.

RENTAL PROTECTION PLAN PROGRAM AGREEMENT

If you elect to maintain All Risk Property Insurance coverage, and the certificate of insurance You provide to Rain for Rent to evidence Your insurance coverage expires or is cancelled for any reason, You agree Rain for Rent may charge RPP for Your rentals until such time as You provide an acceptable and valid certificate of insurance to Rain for Rent.

This Rental Protection Plan Program Agreement (this "RPP Agreement") is entered into between the undersigned Rentor and Rentee in relation to the Master Rental and Sales Agreement (MRSA) between Rentor and Rentee. If Rentee has checked or initialed, as applicable, the Rental Protection Plan Program (the "RPP Program") box on the quote, then Rentee has opted-in to the RPP Program and this RPP Agreement shall supplement the MRSA whether or not executed by Rentee. Rentee understands and agrees that the RPP Program is not insurance and that the RPP Program provides only limited coverage, as described below.

1. Cost; Deductible; Maximum Coverage; Rentee shall pay a fee equal to 14 percent (14%) of the rental charge for each covered item, which fee shall be listed on each invoice during which period Rentee has opted to participate in the RPP Program. In the event of a Covered Occurrence, as defined below, Rentee shall further be responsible for the lesser of \$500 or 10 percent (10%) of the total loss, as a deductible. The maximum coverage available under the RPP Program is \$150,000 per Covered Occurrence, whether or not there is more than one piece of equipment involved in the occurrence.

2. Coverage; The RPP Program provides coverage only for losses involving Covered Equipment, as defined below, in the following instances: fire that was not caused by Rentee's gross negligence or willful misconduct; theft for which a police report was filed, and that occurred despite Rentee's reasonable precautions to protect and secure the covered equipment; and vandalism for which a police report was filed (individually, "Covered Occurrence," and collectively, "Covered Occurrence"). The RPP Program provides coverage only for the following types of equipment: pumps, electric submersible pumps, tanks, generators, light towers, filtration, boxes, heaters, spillguards, safety products, sprinklers, hoses, pipe, valves and fittings ("Covered Equipment"). Coverage does not extend to any equipment not owned by Rentor such as re-rented equipment.

3. Exclusions; The RPP program does not cover any equipment or event of loss that is not specifically described in Section 2. Without limiting the foregoing, the RPP Program does not provide coverage for the following: misuse of equipment; willful abuse of equipment; failure to maintain equipment; failure to secure items from theft (including but not limited to failing to store items in a fenced, locked area or failing to maintain personnel on site); damage or theft while in transit to or from a jobsite; corrosion from any source; any damage caused by named storm events; any instance that occurs while the account is not in good standing, such as a default as defined in the MRSA or upon written notice of non-payment; and any occurrence not reported to Rentor within 24 hours after the occurrence. The RPP program does not provide coverage for: electronic equipment (controls, instrumentation, and wiring), flow meters, water meters, wheel wash systems & accessories, Freezesentry items, or tires.

4. Claims; All claims must be submitted within 24 hours of the Covered Occurrence. Rentor's mechanic will inspect the equipment following any claim. The mechanic's findings as to the cause of the damage and cost of repair will be final. In the event of a theft or vandalism, Rentee must also provide supporting evidence that the site was secured at the time of loss.

RESOLUTION NO. R-20-004

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SHENANDOAH, TEXAS APPOINTING A MUNICIPAL COURT CLERK FOR THE MUNICIPAL COURT OF THE CITY OF SHENANDOAH, TEXAS.

WHEREAS, the City Council of the City of Shenandoah ("City") has determined that it is in the best interest of the citizens of Shenandoah to have a municipal court clerk to conduct municipal court business of the City.

WHEREAS, City of Shenandoah Section 26-5 in the Code of Ordinances provides that all court clerk(s) shall be appointed in a municipal court for a term of office of two years running concurrently with the term of office of Mayor for the purpose of complying with the provisions of the City of Shenandoah Code of Ordinances.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Shenandoah, Texas:

That the position of Municipal Court Clerk is to be filled by the following individual:

Jackie Thompson

Municipal Court Clerk

Furthermore, this resolution will become effective on May 27, 2020 upon adoption.

PASSED AND APPROVED THIS THE 27th of May 2020.

SUBJECT/PROCEEDING:

Discussion and possible action regarding residential fee schedule

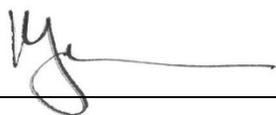

RECOMMENDED ACTION:

BACKGROUND/DISCUSSION:

During the May 13 meeting, Council discussed reducing the construction fees for residential additions. New residential construction fees are as outlined below. All residential fees are paid by the general contractor at the time an application is submitted and includes all sub-contractor fees, plan review, and inspections.

- **New residential homes:** \$300 plus \$0.55 per square foot of air-conditioned space (plus digital plan review fee and digitizing plans fee is applicable).
- **Residential pool greater than \$100,000:** \$300 plus digital review and digitizing fees for pools greater than \$50,000.
- **All Residential Remodels, Residential Additions, Pools less than \$100,000, and independent trade permits:**
No Fee

APPROVALS:

- 1-10 sheets\$15.00
- 11-20 sheets\$20.00
- 21-30 sheets\$25.00
- 31-40 sheets\$30.00
- 41-50 sheets plus\$50.00

Digitizing Plans

Paper plans converted to digital format (based on number of sheets submitted)

- 1-20 sheets\$25.00
- 21-50 sheets\$50.00
- 50 sheets plus\$75.00
*in addition to the digital plan review fee

esidential Pool greater than 100,000

- Building Permit (includes all sub-contractors fees, plan review, and inspections).....\$300.00
*Cost valuation is only for work requiring a permit
*Digital plan review and digitizing fee also applies to pools greater than \$50,000.00

esidential remodels, esidential Additions, and Residential Pools less than 100,000

- Building Permit (plan review and inspections)..... No fee
- Trade Permits (Electrical, Mechanical, Plumbing)..... No fee
*Cost valuation is only for work requiring a permit.

Tap ees

- Application Fee.....\$10
- Inspection Fee.....\$50
- Residential Sewer Tap.....\$450
- Residential Water Tap.....\$450
- Transponder Fee\$125

ther ees

- Re-Inspection Fee (assessed after 2nd failed inspection)\$50
- Additional Plan Review (assessed after two reviews for each subsequent review).....\$250
- Additional Plan Review (assessed after plans approved).....1st review \$500 each additional review increase by \$250
- Investigation Fee (assessed for working without permit.....1st offense \$250. Each additional infraction \$1,000 per day
- After Hour Inspection.....1st hour \$300 each additional half hour \$150
- Large Format Scanning (11” X 17” and above) \$2 per sheet
- Roof, fence, irrigation, alarm, generator, demo..... No fee

Note: All permits shall be on display at the site of the project prior to any work being started. If a permit is not on display at the site or a permit has not been attained, the individual/contractor doing the work may incur an investigation fee of \$250.00 for the first offense and each additional infraction will increase to \$1,000.00 each day. This fee is in addition to any permit fees or criminal charges. If it has been determined that work has been done prior to pulling the permit the contractor must cease doing any further work until a permit has been issued unless it has been determined by the Director of Public Works and Community Development that it is an emergency situation. No fee permits do not imply that a permit is not required.

After hour inspections must be scheduled 72 hours in advance and must be cancelled 24 hours prior to inspection to avoid any penalties. The rate for the 1st hour is \$300.00 each additional half hour is \$150.00 each inspection is a one hour minimum.

Inspections must be cancelled by 8:30 a.m. the day of the inspection request in order to have the inspection cancelled. If the request is not cancelled by 8:30 a.m. fees will occur.

If an inspection fails and the re-inspection fee is applied, that fee must be paid prior to receiving any further inspections for that segment of the project.

If building plans have been approved, any additional plan sheets submitted after approval will require the Additional Plan Review fee of \$500.00 for the first review each additional review will increase by 250.00.

Additions are defined as construction, which adds new air conditioned space to the [existing](#) property.

Commercial Permit Fee Schedule

City of Shenandoah

- Door Access Control (21 or more doors).....\$200 plus \$20 per door
- All Hazardous Material Occupancies (add to basic fee schedule, including service stations)\$250
- Smoke Control, Elev. Recall, Standpiping, Dry Pipe Hose Connections, Wall Hydrants, Fixed Chemical Suppression \$200 ea.
- Occupancy Load Evaluation \$50
- Fire Lane Design..... \$200
- Inspection Assistance (assistance prior to permitting) \$100
- Other Inspections (per inspector hour) \$50
- Fire Expedite (five working days or after hours) \$500
- Fire Re-inspection Fees ½ of original permit fee
-

Tap

- *Commercial Water2.5¢ per sq. ft.
- *Commercial Sewer2.5¢ per sq. ft.

Commercial taps are based on the square footage of the entire lot – not just the building footprint

Generator

- Generator Permit.....\$250

Temporary Meter

- Monthly Fee.....\$100
- Meter Deposit\$2,000

Site Work Permits

- Clearing Permit.....\$500
- Grading Permit\$500

Other Fees

- Re-Inspection Fee (assessed after 2nd failed inspection)\$50
- Additional Plan Review (assessed after two reviews for each subsequent review).....\$250 per 10 sheets

- Additional Plan Review (assessed after plans approved).....1st review \$500 each additional review increase by \$250
- Investigation Fee (assessed for working without permit).....1st offense \$250 Each additional infraction \$1,000 per day
- Fire Investigation Fee (assessed for working without a permit).....½ of the original permit fee
- After Hour Inspection.....1st hour \$300 each additional half hour \$150
- Fire After Hour Inspection.....\$500
- Large Format Scanning (11” X 17” and above) \$2 per sheet
- Temporary Trailer Permit\$100

Notes: All permits shall be on display at the site of the project prior to any work being started. If a permit is not on display at the site or a permit has not been attained, the individual/contractor doing the work may incur an investigation fee of \$250.00 for the first offense and each additional infraction will increase to \$1,000.00. If a fire permit is not on display at the site or a permit has not been attained, the individual/contractor doing the work may incur an investigation fee of ½ of the original permit fee. This fee is in addition to any permit fees or criminal charges. If it has been determined that work has been done prior to pulling the permit the contractor must cease doing any further work until a permit has been issued unless it has been determined by the Building Official that it is an emergency situation.

If the contractor’s declared building permit valuations appear unreasonably low staff can use International Code Council’s (ICC) most current valuation table to verify accuracy of declared value. If the declared building permits value is 10% less than the ICC’s determined value then staff can use the ICC value instead or staff can request the contractor to provide the bid to verify the declared amount.

If building plans have been approved any additional plan sheets submitted after approval will require the Additional Plan Review fee of \$500.00 for the first review each additional review will increase by \$250.00 .

After hour inspections must be scheduled 72 hours in advance and must be cancelled 24 hours prior to inspection to avoid any penalties. The rate for the 1st hour is \$300.00 each additional half hour is \$150.00 each inspection is a one hour minimum. Fire after hour inspections must be scheduled 72 hours in advance and must be cancelled 24 hours prior to inspection to avoid any penalties. The after hour inspection rate is \$500 per fire inspection.

Inspections must be cancelled by 8:30 a.m. the day of the inspection request in order to have the inspection cancelled. If the request is not cancelled by 8:30 a.m. fees will occur.

If an inspection fails and the re-inspection fee is applied that fee must be paid prior to receiving any further inspections.

**The fee for site work permits are included in the building permit if the plans are submitted with the building plans as on combined submission. If the plans are submitted separately the fees for the building permit and site work permits will be charged separately and in their full amounts.

RECOMMENDED ACTION:

Staff Recommends Council Approve the Presented Budget Amendments

BACKGROUND/DISCUSSION:

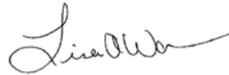

Staff is seeking approval of the proposed budget amendments. A budget amendment is either an increase or a decrease to a particular line item within the budget to account for any unexpected expenditures or unexpected increase or decrease in costs on budgeted items. This is just to confirm that we are to perform the amendment to expense towards the surplus in the budget and record the following expenses in the budget.

General Fund budgeted surplus will decrease to \$208,382.07 and CVB budgeted surplus will decrease to \$471,159.00.

Approval of Payment to Montgomery County Fire Marshal's Office for April 2020 Fire Inspections and Reviews

RECOMMENDED ACTION:

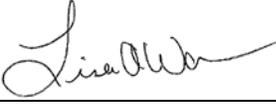

Staff recommends that Council approve the payment.

BACKGROUND/DISCUSSION:

With the current vacancy in the Fire Inspector position, the City has continued to use the Montgomery County Fire Marshal's office to complete fire inspections and reviews. We did not fund in the 2019-2020 adopted budgeted for these professional services. Per purchasing policy, Council needs to approve the payment since it is over \$15,000.00 and not listed in the adopted budget. This is a pass-through cost and will be a wash with the revenue we have collected.

Jackie Thompson, our Community Development Manager, has provided copies of the invoice and the fee revenue collected.

MEMORANDUM

To: City Council/Kathie Reyer/Lisa Wasner
From: Jackie Thompson *JThompson*
Subject: April Fire Plan Review and Inspection Fees
Date: May 19, 2020

While the Fire Inspector position remains vacant the Montgomery County Fire Marshal's Office continues to complete fire reviews and inspections. For the month of April Community Development collected \$30,200.00 in fire fees that is due to the Fire Marshal's Office for their service. The unbudgeted expense and revenue are requested to show as a budget amendment.

An attached invoice and fee transaction report are include show breakdown of the expense and revenue collected.

AGENDA REPORT

AGENDA DATE:	<u>May 27, 2020</u>	ITEM NUMBER:	<u>17</u>
DEPARTMENT:	<u>Water and Sewer</u>	PREPARED BY:	<u>Joseph Peart</u>
PRICING:	<u>NA</u>	EXHIBITS:	<u>Ordinance</u>

SUBJECT/PROCEEDING:

Ordinance to establish a sanitary control easement for the Water Plant #3 site.

RECOMMENDED ACTION:

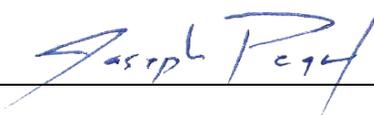

Staff recommends enacting the proposed ordinance to gain compliance with the Texas Commission on Environmental Quality (TCEQ).

BACKGROUND/DISCUSSION:

At the last site inspection by TCEQ, it was noted that the city's water plant #3 site did not have a sanitary control easement. TCEQ requires a 150' sanitary control easement around every public water system well in an effort to protect the state's water aquifers by limiting uses within the 150'. Currently, none of the prohibited activities or facilities exist within 150' of the city's wellhead.

The proposed ordinance enacts a sanitary control easement around the city's water well at water plant #3 and is an acceptable method of obtaining easements by TCEQ.

APPROVALS:

DEPARTMENT HEAD	<u></u>	DATE:	<u>May 21, 2020</u>

ORDINANCE NO O-20-010

AN ORDINANCE PROTECTING THE WATER SUPPLY OF ALL PUBLIC WELLS IN THE CITY OF SHENANDOAH BY MEANS OF CREATING SANITARY CONTROL EASEMENTS WITHIN 150 FEET OF WELLS AND ESTABLISHING EXCEPTIONS TO SUCH EASEMENTS; PROVIDING ENFORCEMENT AUTHORITY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR PENALTIES OF UP TO \$2000 FOR THE VIOLATION OF THIS ORDINANCE; PROVIDING FOR A SAVINGS CLAUSE IF ANY PORTION HEREOF IS DEEMED TO BE INVALID; PROVIDING A TEXAS OPEN MEETINGS ACT CLAUSE; AND PROVIDING AN EFFECTIVE DATE AFTER PUBLICATION AS PROVIDED BY LAW.

WHEREAS, pursuant to Title 30, Chapter 290 of the Texas Administrative Code, the Texas Commission on Environmental Quality (TCEQ) can authorize a municipality to protect the water wells of public water system (PWS) by means of sanitary control easements and regulation; and

WHEREAS, a public water system is defined as a system for the provision to the public of water for human consumption through pipes or other constructed conveyances, which includes all uses described under the definition for drinking water. Such a system must have at least 15 service connections or serve at least 25 individuals at least 60 days out of the year. This term includes: any collection, treatment, storage, and distribution facilities under the control of the operator of such system and used primarily in connection with such system, and any collection or pretreatment storage facilities not under such control which are used primarily in connection with such system. Two or more systems with each having a potential to serve less than 15 connections or less than 25 individuals but owned by the same person, firm, or corporation and located on adjacent land will be considered a public water system when the total potential service connections in the combined systems are 15 or greater or if the total number of individuals served by the combined systems total 25 or greater at least 60 days out of the year. Without excluding other meanings of the terms "individual" or "served," an individual shall be deemed to be served by a water system if he lives in, uses as his place of employment, or works in a place to which drinking water is supplied from the system; and

WHEREAS, there is no state or county road within 150 feet of a state or county road; and

WHEREAS, it is the desire of the City Council of the City of Shenandoah, Texas, to establish rules protecting public water wells by establishing a sanitary control easement around each well operated as a PWS; and

WHEREAS, to promote orderly development of the City and to promote the health and safety of its residents, the City Council has determined that it is advisable and desirable to enact an ordinance regulating the sanitary control of water wells;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SHENANDOAH, TEXAS, THAT:

Section 1. Purpose

The purpose of this Ordinance is to protect the water supply of all public wells in the City of Shenandoah by means of sanitary control easements and regulation.

Section 2. Regulations

- A. Groundwater sources shall be located so that there will be no danger of pollution from flooding or from sanitary surroundings, such as privies, sewage, sewage treatment plants, livestock and animal pens, solid waste disposal sites or underground petroleum and chemical storage tanks and liquid transmission pipelines, or abandoned and improperly sealed wells.
- B. The construction, existence, and/or operation of the following within a 150-foot radius of any water well in the City of Shenandoah is prohibited; septic tank or sewage treatment perforated drain fields; areas irrigated by low dosage, low angle spray on-site sewage facilities; absorption beds; evapotranspiration beds; abandoned, inoperative or improperly constructed water wells of any depth; underground petroleum and chemical storage tanks or liquid transmission pipelines; sewage treatment plants; sewage wet wells; sewage pumping stations; drainage ditches which contain industrial waste discharges or wastes from sewage treatment systems; animal feed lots; solid waste disposal sites; landfill and dump sites; lands on which sewage plant or septic tank sludge is applied; lands irrigated by sewage plant effluent; military facilities; industrial facilities; wood-treatment facilities; liquid petroleum and petrochemical production, storage, and transmission facilities; Class 1, 2, 3, and 4 injection wells; pesticide storage and missing facilities; and all other constructions or operations that could pollute the groundwater sources of a water well. For the purpose of this Ordinance, improperly constructed water wells are those wells which do not meet the surface and subsurface construction standards for a public water well. The City shall have the right to enter all properties within a 150-foot radius of any public water supply well for the purpose of inspection and to verify that no potential sources of pollution prohibited by this Ordinance.
- C. No well site shall be located within 500 feet of a sewage treatment plant or within 300 feet of a sewage wet well, sewage pumping station, or a drainage ditch which contains industrial waste discharges or the wastes from sewage treatment systems.
- D. No water wells shall be located within 500 feet of animal feed lots, solid waste disposal sites, lands on which sewage plant or septic tank sludge is applied, or lands irrigated by sewage plant effluent.
- E. All known abandoned or inoperative wells (unused wells that have not been plugged) within ¼ mile of a proposed well site shall be reported to the TCEQ along with existing or potential pollution hazards. These reports are required for community and nontransient, noncommunity groundwater sources. This information must be submitted prior to construction or as required by the Executive Director of the TCEQ.

Section 3. Prohibited

The construction, existence and/or operation of tile or concrete sanitary sewers, sewer appurtenances, septic tanks, storm sewers, cemeteries, and/or the existence of livestock in pastures is specifically prohibited within a 50-foot radius of any public water well located in the City of Shenandoah.

Section 4. Permitted Exceptions

This Ordinance permits the construction of homes or buildings upon the real property and farming and ranching operations, as long as there is strict compliance with all items in Sections 2 and 3.

Section 5. Violations and Penalties

Any person who violates any provision of this Ordinance shall be guilty of a misdemeanor and upon conviction thereof by a court of competent jurisdiction, shall be punished by a fine in an amount not to exceed Two Thousand Dollars (\$2,000.00). Each and every day such violation continues or is allowed to exist shall constitute a separate offense.

Section 6. Repealing Clause

Any provisions in any other city ordinances in conflict with the provisions of this Ordinance are hereby expressly repealed and any requirements of TCEQ that are stricter than this Ordinance are hereby adopted.

Section 7. Savings Clause

If any part of this Ordinance shall be held unconstitutional or otherwise invalid by a Court, such part shall be deemed severable and the invalidity thereof shall not affect the remaining parts of this Ordinance.

Section 8. Effective Date

This Ordinance shall become effective upon its publication as provided by law.

PASSED, APPROVED, AND ADOPTED this the 27th day of May, 2020.

ORDINANCE NO O-20-010

AN ORDINANCE PROTECTING THE WATER SUPPLY OF ALL PUBLIC WELLS IN THE CITY OF SHENANDOAH BY MEANS OF CREATING SANITARY CONTROL EASEMENTS WITHIN 150 FEET OF WELLS AND ESTABLISHING EXCEPTIONS TO SUCH EASEMENTS; PROVIDING ENFORCEMENT AUTHORITY; PROVIDING A SEVERABILITY CLAUSE; PROVIDING FOR PENALTIES OF UP TO \$2000 FOR THE VIOLATION OF THIS ORDINANCE; PROVIDING FOR A SAVINGS CLAUSE IF ANY PORTION HEREOF IS DEEMED TO BE INVALID; PROVIDING A TEXAS OPEN MEETINGS ACT CLAUSE; AND PROVIDING AN EFFECTIVE DATE AFTER PUBLICATION AS PROVIDED BY LAW.

WHEREAS, pursuant to Title 30, Chapter 290 of the Texas Administrative Code, the Texas Commission on Environmental Quality (TCEQ) can authorize a municipality to protect the water wells of public water system (PWS) by means of sanitary control easements and regulation; and

WHEREAS, a public water system is defined as a system for the provision to the public of water for human consumption through pipes or other constructed conveyances, which includes all uses described under the definition for drinking water. Such a system must have at least 15 service connections or serve at least 25 individuals at least 60 days out of the year. This term includes: any collection, treatment, storage, and distribution facilities under the control of the operator of such system and used primarily in connection with such system, and any collection or pretreatment storage facilities not under such control which are used primarily in connection with such system. Two or more systems with each having a potential to serve less than 15 connections or less than 25 individuals but owned by the same person, firm, or corporation and located on adjacent land will be considered a public water system when the total potential service connections in the combined systems are 15 or greater or if the total number of individuals served by the combined systems total 25 or greater at least 60 days out of the year. Without excluding other meanings of the terms "individual" or "served," an individual shall be deemed to be served by a water system if he lives in, uses as his place of employment, or works in a place to which drinking water is supplied from the system; and

WHEREAS, there is no state or county road within 150 feet of a state or county road; and

WHEREAS, it is the desire of the City Council of the City of Shenandoah, Texas, to establish rules protecting public water wells by establishing a sanitary control easement around each well operated as a PWS; and

WHEREAS, to promote orderly development of the City and to promote the health and safety of its residents, the City Council has determined that it is advisable and desirable to enact an ordinance regulating the sanitary control of water wells;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SHENANDOAH, TEXAS, THAT:

Section 1. Purpose

The purpose of this Ordinance is to protect the water supply of all public wells in the City of Shenandoah by means of sanitary control easements and regulation.

Section 2. Regulations

- A. Groundwater sources shall be located so that there will be no danger of pollution from flooding or from sanitary surroundings, such as privies, sewage, sewage treatment plants, livestock and animal pens, solid waste disposal sites or underground petroleum and chemical storage tanks and liquid transmission pipelines, or abandoned and improperly sealed wells.
- B. The construction, existence, and/or operation of the following within a 150-foot radius of any water well in the City of Shenandoah is prohibited; septic tank or sewage treatment perforated drain fields; areas irrigated by low dosage, low angle spray on-site sewage facilities; absorption beds; evapotranspiration beds; abandoned, inoperative or improperly constructed water wells of any depth; underground petroleum and chemical storage tanks or liquid transmission pipelines; sewage treatment plants; sewage wet wells; sewage pumping stations; drainage ditches which contain industrial waste discharges or wastes from sewage treatment systems; animal feed lots; solid waste disposal sites; landfill and dump sites; lands on which sewage plant or septic tank sludge is applied; lands irrigated by sewage plant effluent; military facilities; industrial facilities; wood-treatment facilities; liquid petroleum and petrochemical production, storage, and transmission facilities; Class 1, 2, 3, and 4 injection wells; pesticide storage and missing facilities; and all other constructions or operations that could pollute the groundwater sources of a water well. For the purpose of this Ordinance, improperly constructed water wells are those wells which do not meet the surface and subsurface construction standards for a public water well. The City shall have the right to enter all properties within a 150-foot radius of any public water supply well for the purpose of inspection and to verify that no potential sources of pollution prohibited by this Ordinance.
- C. No well site shall be located within 500 feet of a sewage treatment plant or within 300 feet of a sewage wet well, sewage pumping station, or a drainage ditch which contains industrial waste discharges or the wastes from sewage treatment systems.
- D. No water wells shall be located within 500 feet of animal feed lots, solid waste disposal sites, lands on which sewage plant or septic tank sludge is applied, or lands irrigated by sewage plant effluent.
- E. All known abandoned or inoperative wells (unused wells that have not been plugged) within ¼ mile of a proposed well site shall be reported to the TCEQ along with existing or potential pollution hazards. These reports are required for community and nontransient, noncommunity groundwater sources. This information must be submitted prior to construction or as required by the Executive Director of the TCEQ.

Section 3. Prohibited

The construction, existence and/or operation of tile or concrete sanitary sewers, sewer appurtenances, septic tanks, storm sewers, cemeteries, and/or the existence of livestock in pastures is specifically prohibited within a 50-foot radius of any public water well located in the City of Shenandoah.

Section 4. Permitted Exceptions

This Ordinance permits the construction of homes or buildings upon the real property and farming and ranching operations, as long as there is strict compliance with all items in Sections 2 and 3.

Section 5. Violations and Penalties

Any person who violates any provision of this Ordinance shall be guilty of a misdemeanor and upon conviction thereof by a court of competent jurisdiction, shall be punished by a fine in an amount not to exceed Two Thousand Dollars (\$2,000.00). Each and every day such violation continues or is allowed to exist shall constitute a separate offense.

Section 6. Repealing Clause

Any provisions in any other city ordinances in conflict with the provisions of this Ordinance are hereby expressly repealed and any requirements of TCEQ that are stricter than this Ordinance are hereby adopted.

Section 7. Savings Clause

If any part of this Ordinance shall be held unconstitutional or otherwise invalid by a Court, such part shall be deemed severable and the invalidity thereof shall not affect the remaining parts of this Ordinance.

Section 8. Effective Date

This Ordinance shall become effective upon its publication as provided by law.

PASSED, APPROVED, AND ADOPTED this the 27th day of May, 2020.

Water Capital Projects

Water Plant #2

Booster Pump Deck Cover

- Construction of a fixed metal shade structure
- Protects booster pumps from the outdoor elements and reduces maintenance and replacement of pumps

Motor Control Center (MCC) Replacement

- Original MCC since construction
- MCC components are aging and failing more frequently, replacement is recommended by city engineers
- Out of space to add additional booster pump controls 1000 GPM or greater

Chlorine System Replacement and Building Update

- Original chlorination system
- Components are aging and requiring regular maintenance, replacement is recommended by staff

Water Plant #3

Chlorine System Maintenance

- Repair and replacement of worn components

Hydropillar Rehabilitation

- Repair and replacement of water storage tank protective coating
- Replacement of exterior and interior protective coating
- Repair of overflow drain piping

Water Distribution System

IH-45 and Texaco Asbestos Cement Pipe (ACP)

- Replacement of existing ACP along Interstate 45 service road between Shenandoah Dr. and Research Forest Dr.
- Unknown length of pipe, pot hole digging will need to be completed to determine extent

Memorial Hermann ACP

- Replacement of ACP under the west parking lot at Memorial Hermann hospital

- Unknown length of pipe, pot hole digging will need to be completed to determine extent
- Very disruptive project due to ACP being located under concrete parking spaces

David Memorial and David Vetter ACP

- Replacement of existing ACP at the intersection of David Memorial Dr. and David J. Vetter Blvd.
- Unknown length of pipe, pot hole digging will need to be completed to determine extent

Wastewater Capital Projects

Wastewater Treatment Plant (WWTP)

Replacement Fencing

- Replacement of wooden 8' fencing surrounding the wastewater treatment facility with cedar pickets and rot board

WWTP Improvements

- Upgrades recommended by the city engineer as follows:
 - Replace blowers, upgrade electrical system, and expand MCC room
 - Upgrade generator
 - Repair uneven airflow in chlorine contact basin
 - Extend 3-phase power to chemical building
 - Recoat Clarifier No. 1 bearing ring
 - Modify Return Activated Sludge (RAS) transfer from Clarifier No. 2
 - Begin building first half of digester complex
 - Convert existing aerobic digester to aeration
 - Supervisory Control and Data Acquisition (SCADA) improvements
 - Modify dewatering method

Lift Stations

New Pump at NTB Lift Station

- Purchase and installation of new pump

Construct Solids Removal System at Pineroft Lift Station

- The Pineroft Lift Station handles a large amount of rags from the hospital districts
- A solids removal system will extract the rags and prevent them from effecting three separate lift stations, reducing wear and tear on impellers

Wastewater Collection System

Inflow and Infiltration (I&I) Testing

- City data shows that our wastewater collection system has evidence of I&I
- Testing of the wastewater collection lines will identify and locate areas of inflow of storm water and infiltration of groundwater
- Often pressurized smoke is used during testing, public notifications are strongly recommended

Equipment

Sewer Inspection Camera System

- Purchase of camera to replace camera system from 2007

Stormwater Capital Projects

Detention Ponds

East Relief Pond

- A city owned property between David Memorial Dr. and the Pacific Union railroad tracks is acting as a detention pond for the region
- This project would deepen and improve the land into a wet-bottom amenity pond
- A large pump station with ten 20,000 gpm pumps will reduce the 100 year surface elevation and provide capacity during large storm events
- The project also includes funding to provide landscaping and pathways to create an amenity area

Sediment Removal

- Detention ponds regularly collect sediment over time as organic and inorganic debris is washed downstream
- The project provide sediment removal from all of the city's detention ponds (Vision Park, Oak Haven, and City Hall)

Stormwater Collection Lines

Wellman Road Drainage to East of Bridge

- Expansion of storm collection lines just east of the bridge on Wellman Rd.
- During heavy storm events this section of road closes due to high waters when the collection lines are overwhelmed

Cedarwood Reserve

- Installation of new storm collection lines in the 3 acre reserve west of Cedarwood Dr. and south of Blue Ridge Dr.
- This will provide drainage to areas that regularly have standing water after storm events

Holly Hill Reserve

- Installation of new storm collection lines in the 4.5 acre reserve at the north end of Holly Hill Dr.
- Amenity detention pond will be considered as a possible solution
- This will provide drainage to areas that regularly have standing water after storm events
- This project will consider the end use of the property for a park as discussed by city council and residents during townhall meetings

Cedarwood to Headwall Improvements

- Replacement and repair of existing storm collection lines that will connect the Cedarwood Reserve to the drainage headwall to the north
- Project can be completed separately from the Cedarwood Reserve project, however if the Cedarwood Reserve project is completed this project will need to be completed as well to handle additional flows and accommodate new flow lines

Stormwater Mapping and Modeling

- No comprehensive map exists for the city's stormwater system
- Project would include GIS mapping of the entire stormwater system, pipe diameters, manhole locations, etc.

Drainage Improvements at the WWTP

- Installation of sheet pile walls along the east and southern fence at the WWTP to prevent flooding of WWTP during heavy storm events
- Also includes the installation of a manual floodgate to release accumulated stormwater from the site into the outfall structure

Road and Pathway Capital Projects

Road Maintenance Projects

David Memorial Intersection

- Relocation of utilities on northwest corner of intersection and extension of north most lane to the intersection
- Repair of crosswalk located on the south side of the intersection

David Memorial Extension to HWY 242

- Extension of David Memorial Dr. to HWY 242 as a four lane boulevard with grassy median
- Project is planned to create a four way intersection with HWY 242 and S. Trade Center Blvd.
- Total project cost is approximately \$9.2M with 1/3 of the project located inside city limits
- Project requires extensive wetlands mitigation as well as ROW acquisition

Research Forest Right Turn Lane Extension

- Extension of dedicated right turn lane for Research Forest as it approaches IH-45
- Noted in a traffic study to improve intersection wait times

IH-45 and Research Forest Dr. Intersection Improvements

- Project to add two additional lanes underneath IH-45 at Research Forest/Tamina
- Extensive work with TxDOT will be required for completion
- Relocation of a fiber data point will add significant cost to project

Home Depot Driveway Modification

- Project to add a driveway from Home Depot's loading dock to Tamina Rd. to reduce traffic delays due to shipping trucks exiting the drive and blocking all lanes during maneuver
- Project also includes the removal of Home Depot's existing driveway off David Memorial Dr. closest to the intersection
- ROW will need to be acquired from multiple parties

Road Replacement

Shenandoah Park Drive Roadway Repair

- Removal of asphalt paving and replacement with concrete to tie in with existing driveway
- The existing tie-in is a common source of pot holes and maintenance issues

Pathways

David Memorial and Shenandoah Park

- Project to extend the pathway from the David Memorial roundabout west to IH-45 and south to existing an existing pathway at the Wood Forest Stadium
- This will provide a connection between two divided sections of the city's pathway system

Park Capital Projects

Park Projects

All Court Resurfacing at Main Park

- Project to repair and resurface both tennis courts and basketball court

Additional Parking at Toddler Park

- Project to add parking spaces at the Toddler Park

Construction of Holly Hill Park

- Construction of a walking trail style park on the City's property at the north end of Holly Hill Dr.
- This project could be completed separately after drainage work is completed in the same area or together with the drainage project

Facilities Capital Projects

City Hall

Flooring

- Removal and replacement of worn flooring surfaces throughout city hall

Wall Packs

- Installation of two wall packs on the southwest exterior walls of city hall
- Area has been noted by staff to not have adequate lighting and additional lighting in the area will improve visibility and security for both staff and individuals that use the community room

CVB Buildout

- Project to buildout the space inside city hall to accommodate CVB

Interior Re-paint

- Project to repaint walls inside of city hall that are in disrepair

Concrete Parking, Lights, and PD Fencing

- Project to remove all asphalt paving for the parking lot in front of city hall and replacement with concrete
- Repair of storm inlets and replacement of grates
- Demolition of existing parking lot lights and electrical, then installation of new LED parking lot lights
- Installation of fencing and security cameras to secure the police fleet

Public Works Building

Office Expansion

- Modification of interior space to create additional offices in the eastern side of the building
- City hall is reaching capacity and the staff members are sharing office space in the public works building

Platform and Lift for Second Story Storage

- Installation of a permanent platform and motorized lift for safe access to the storage on the second story
- Load bearing ratings for the second story will need to be checked in conjunction with this project

Set Generator and Auto Transfer Switch

- Project to place the backup generator on a concrete pad outside of the public works building
- Installation of new electrical and an auto transfer switch to provide the building with backup power

Pool Facilities

Pump Building Improvements

- Repair and replacement of several components to include a main circuit board, flow meter, salt generator control box, etc.
- Installation of a backwash view port to allow verification of a completed backwash of the sand filters

Deck Resurface

- Resurfacing of pool deck area with new texture and grip material to provide anti-slip surface around the pool

Equipment

Skid Loader

- Purchase of skid loader that comes with bucket and forks
- This equipment will receive regular use to move heavy materials and for drainage projects that are currently outsourced

Shenandoah City Council

AGENDA REPORT

AGENDA DATE: <u>May 27, 2020</u>	ITEM NUMBER: <u>19</u>
DEPARTMENT: <u>Water and Sewer</u>	PREPARED BY: <u>Joseph Peart</u>
PRICING: <u>\$30,112.38</u>	EXHIBITS: <u>500 GPM Booster Pump Proposal</u>

SUBJECT/PROCEEDING:

Discussion and possible action regarding purchase of a booster pump for water plant #2.

RECOMMENDED ACTION:

Staff recommends purchase of a 500 GPM booster pump from CSA Technical for \$30,112.38 to improve pumping capabilities of water plant #2.

BACKGROUND/DISCUSSION:

The addition of booster pumps at Water Plant #2 was recommended by Bleyl Engineering to increase the pumping capacity of our water system and provide redundancy. Booster pumps help increase or maintain pressures levels and flow volume for a water system. The booster pumps were funded in 2018, however the replacement of a ground storage tank and load calculations for the MCC delayed the purchase and installation of the pump. The MCC can handle the additional electrical load from a 500 GPM pump and the new pump will add pumping capacity and flexibility to our water system.

This purchase is cost shared between the City and the Municipal Development District (MDD), see breakout below:

- City (30%) - \$9,033.71
- MDD (70%) - \$21,078.67

APPROVALS:

Shenandoah City Council

AGENDA REPORT

AGENDA DATE: May 27, 2020

ITEM NUMBER: 20

DEPARTMENT: Public Works

PREPARED BY: Joseph Peart

PRICING: NA

EXHIBITS: Conceptual Drawings

SUBJECT/PROCEEDING:

Discussion and possible action regarding new design of city limits monument signs.

RECOMMENDED ACTION:

Staff recommends concept B for cost savings and better visibility in the right of way.

BACKGROUND/DISCUSSION:

City council approved design of new city limits monuments signs at the February 12 council meeting. Landology has completed two conceptual designs for consideration by council. Concept A and B are presented with the requested changes from the May 13 meeting.

The proposed sign will replace the city entrance monument sign on Six Pines Drive. The sign was demolished by the developer to install a new turn lane into their development. Cost of installation will be the responsibility of the developer. The city will retain the construction drawings for future replacements as determined by council.

The signs will be wired for internal illumination to match the design of the neighborhood entrance signs and will have an outdoor rated outlet installed for any future needs. Electrical does not exist to the current site and will be an additional cost of construction.

- Estimated construction costs for Concept A are \$38,000.
- Estimated construction costs for Concept B are \$30,000.

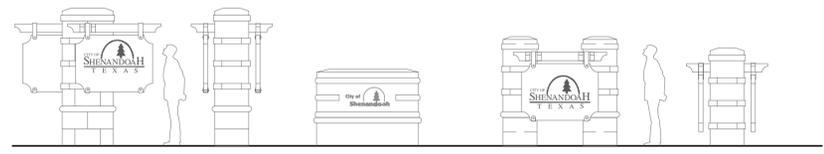

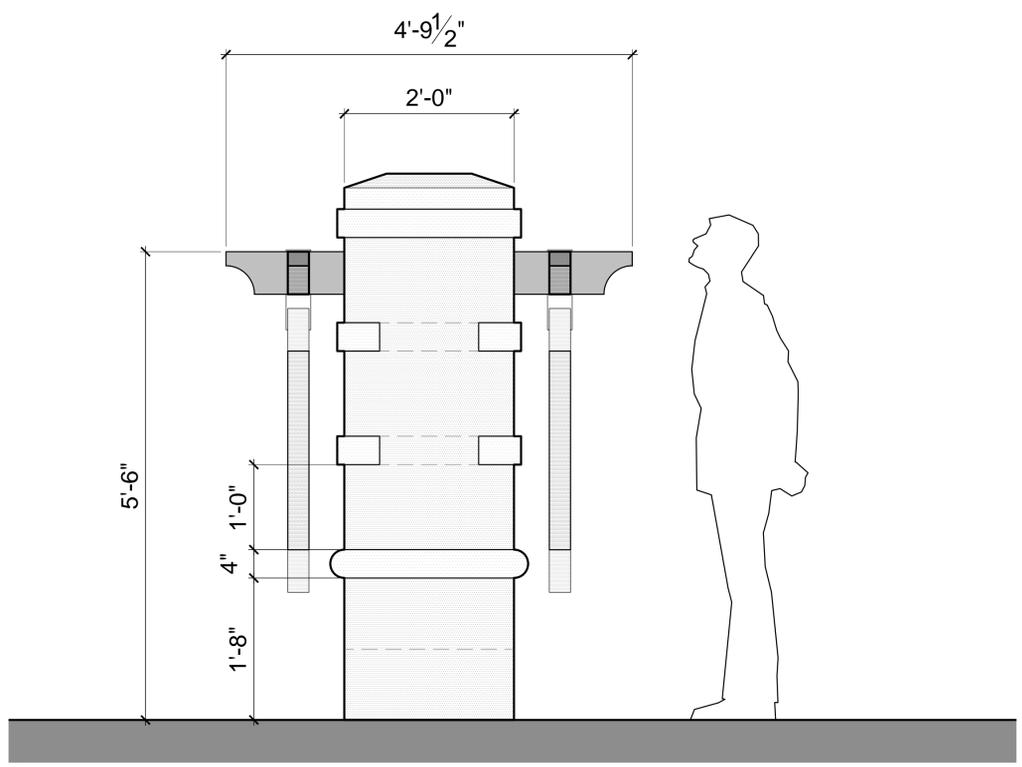

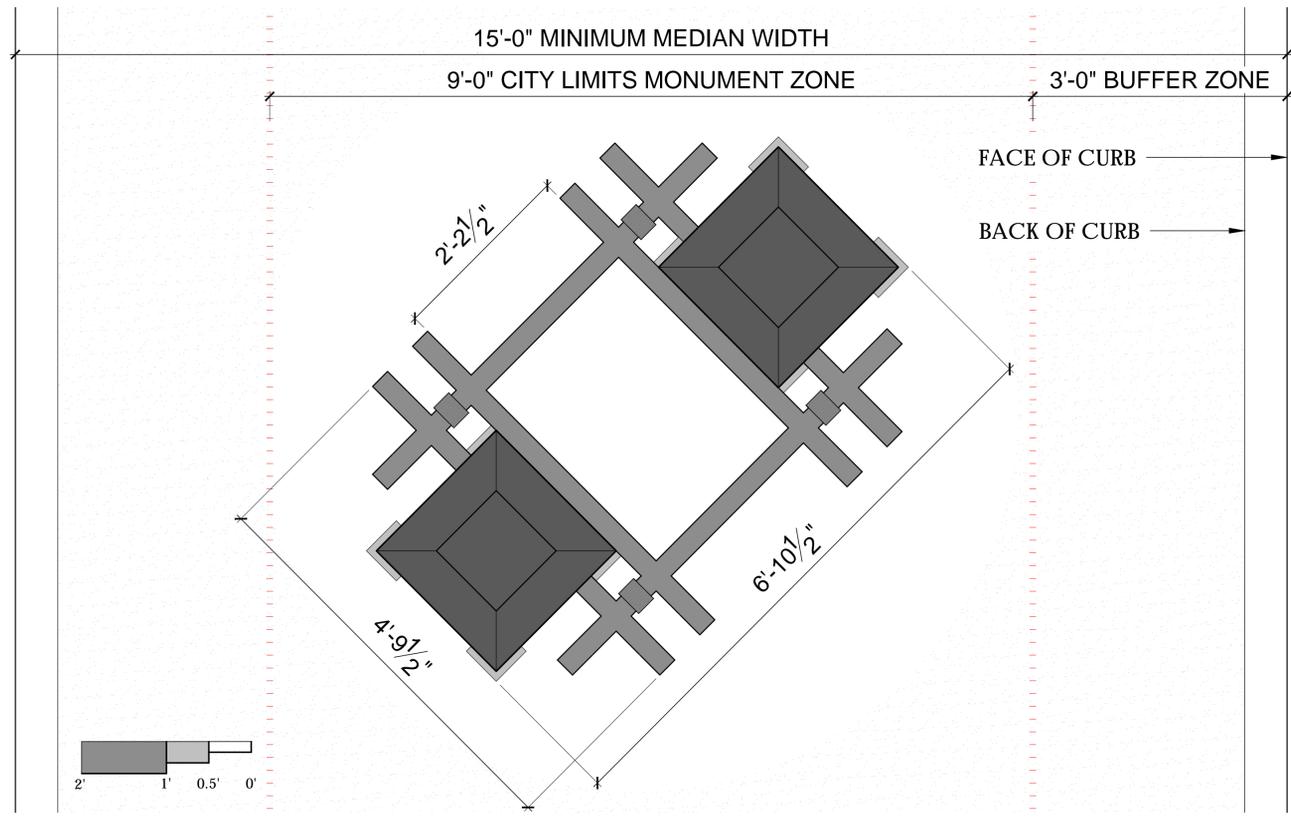

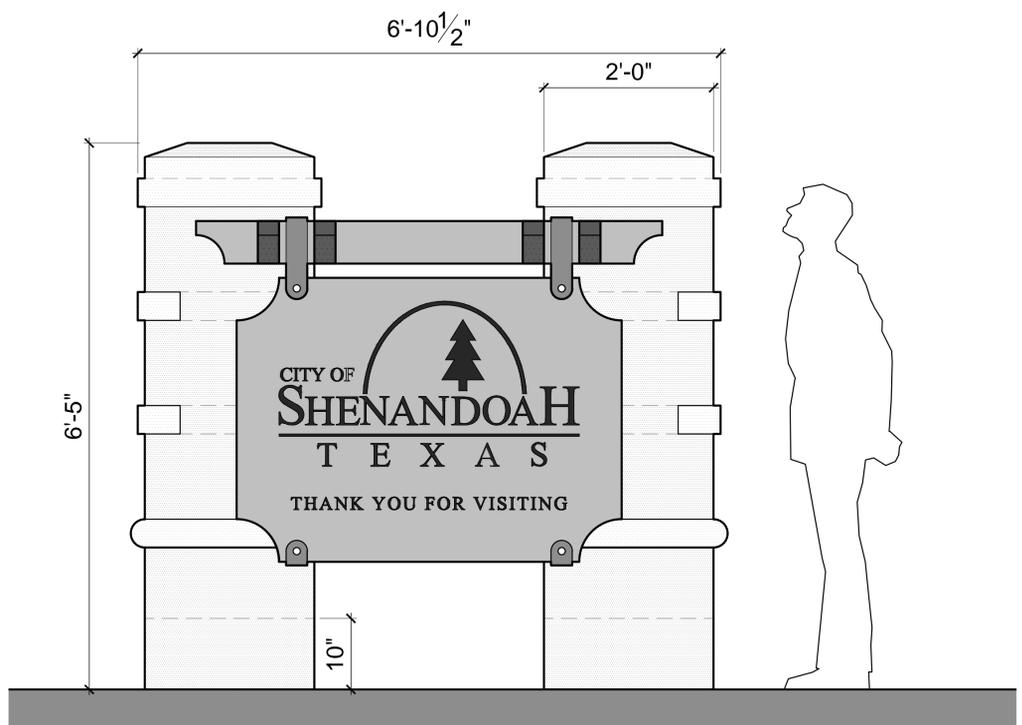

APPROVALS:

AN ORDINANCE BY THE CITY OF SHENANDOAH, TEXAS ("CITY") DENYING THE DISTRIBUTION COST RECOVERY FACTOR RATE INCREASE REQUEST OF ENTERGY TEXAS, INC. FILED ON MARCH 31, 2020;

MINUTES OF REGULAR MEETING

April 22, 2020

SHENANDOAH CITY COUNCIL

SETTING JUST AND REASONABLE RATES FOR ENTERGY TEXAS, INC. FOR SERVICE WITHIN THE MUNICIPAL LIMITS; FINDING THAT THE MEETING COMPLIES WITH THE OPEN MEETINGS ACT; MAKING OTHER FINDINGS.

COUNCILMEMBER MCLEOD MADE A MOTION TO ADOPT AN ORDINANCE DENYING THE DISTRIBUTION COST RECOVERY FACTOR RATE INCREASE REQUEST OF ENTERGY TEXAS, INC., COUNCILMEMBER FLETCHER SECONDED. THE MOTION CARRIED 5/0.

15. Discussion and possible action regarding funding for a local ad campaign.

Mayor Wheeler stated for the record that MDD voted to approve funding for the project and no action was necessary from Council.

16. Discussion and possible action to release ticket sales revenue to the NCAA for the 2019 Stagg Bowl.

Mayor Wheeler stated for the record that the agenda item would be moved to a future meeting.

17. Discussion and possible action to approve the minutes of the March 11, 2020 regular meeting and the March 23, 2020 special meeting.

COUNCILMEMBER BRADT MADE A MOTION TO APPROVE THE MINUTES OF THE MARCH 11, 2020 REGULAR MEETING AND THE MARCH 23, 2020 SPECIAL MEETING, COUNCILMEMBER GRISTY SECONDED. THE MOTION CARRIED 5/0.

18. Discussion and possible action to ratify the accounts payable for the month of March, 2020.

COUNCILMEMBER FLETCHER MADE A MOTION TO RATIFY THE ACCOUNTS PAYABLE FOR THE MONTH OF MARCH, 2020, COUNCILMEMBER MCLEOD SECONDED. THE MOTION CARRIED 5/0.

19. CITIZENS FORUM

MINUTES OF REGULAR MEETING

April 22, 2020

SHENANDOAH CITY COUNCIL

Responses to inquiries are limited by state law to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision by Council shall be limited to a proposal to place the subject on the agenda of a future meeting.

Jean Teague – To view the citizens comments, please click [HERE](#)

20. City Administrator Updates – Monthly Reports.

Ms. Reyer presented the following updates:

- Entergy started construction on the Wellman Road project. The concrete pad was poured for the switch cabinet and the equipment would be set, weather permitting
- Republic services to resume bulk trash pickup on April 28, 2020

21. COUNCIL'S INQUIRY

Pursuant to Texas Government Code Sect. 551.042, the Mayor and Council Members may inquire about a subject not specifically listed on this Agenda. Responses are limited to a recitation of existing policy or a statement of specific factual information given in response to the inquiry. Any deliberation or decision shall be limited to a proposal to place the subject on the agenda of a future meeting.

Councilmember Raymaker urged Council and staff to remain aware of lower sales tax revenues due to COVID-19 when moving forward with budget planning.

Councilmember Fletcher requested a future discussion regarding permit fees for home improvements for residents under \$100,000. Councilmember Fletcher also asked for an update regarding the open fire inspector position at the City. Ms. Reyer stated that the position had not been filled, and that the COVID-19 virus had only made it more difficult. She added that staff was working to create recruitment pieces and discussing ideas to promote open positions at the City.

Councilmember Fletcher also expressed his gratitude to the staff for helping to make Shenandoah a place that contractors were eager to work with due to receiving multiple bids on recent projects and stated that this would benefit residents moving forward.

MINUTES OF REGULAR MEETING

April 22, 2020

SHENANDOAH CITY COUNCIL

Councilmember Gristy concurred with Councilmember Fletcher regarding a future agenda item to discuss resident permit fees and he thanked MDD for funding the local ad campaign project.

Councilmember Bradt inquired about applications for the Planning and Zoning Commission. Mayor Wheeler stated that he had not reviewed any applications at the time and that he would reach out.

Councilmember McLeod thanked the police department and the staff for their hard work running the and maintaining the City during an unprecedented time.

Mayor Wheeler thanked the staff and stated that moral was high at the City and he thanked the City Secretary along with all the staff for the assistance provided to Council and residents alike. He also thanked Bleyl Engineering for always going above and beyond when working with and advising staff and Council on projects.

EXECUTIVE SESSION

Public notice is given that the City Council may elect to go into Executive Session at any time during the meeting in order to discuss any matters listed on the Agenda when authorized by the provisions of the Open Meeting Act, Chapter 551 of the Texas Government Code, to receive advice from legal counsel, to discuss matters of land acquisition, personnel matters or other lawful matters that are specifically related to items listed on this Agenda. Prior to any such closed session, the Mayor, in open session, will identify the agenda item to be discussed and the Section or Sections of Chapter 551 under which the closed discussion is authorized.

Mayor Wheeler stated for the record that Council would move into executive session at 7:37 p.m.

Executive Session – According to the Texas Open Meetings Act, Chapter 551 of the Texas Government Code as follows:

- i) Government Code § 551.071. Contemplated litigation
 - Settlement with Jacobson Hotels

MINUTES OF REGULAR MEETING

April 22, 2020

SHENANDOAH CITY COUNCIL

- Harold Denton possible litigation

Consideration and if determined appropriate, take action resulting from the item(s) listed under Executive Session.

Mayor Wheeler reconvened the regular meeting at 8:09 p.m. and stated for the record that no action was taken in executive session.

COUNCILMEMBER MCLEOD MADE A MOTION TO APPROVE A SETTLEMENT WITH JACOBSON HOTELS, COUNCILMEMBER FLETCHER SECONDED. THE MOTION CARRIED 5/0.

There being no further business, Mayor Wheeler adjourned the meeting at 8:10 p.m.

ADJOURN

The Council may vote and/or act upon each of the items listed on this Agenda. One agenda item will be discussed at a time unless logic and practical consideration allow similar topics to be considered together for purposes of convenience and efficiency. The Council may retire into executive session concerning any of the items listed on this Agenda, whenever it is considered necessary and legally justified under the Open Meetings Act.

Any discussion item on the City Council agenda permits City Council to question the involved parties or receive a presentation by the involved parties.

IMPORTANT POINTS: Anything above 500 for Shenandoah can be considered a “viral” posting. This month, we had **7** postings. The City’s Facebook page, Shenandoah, TX was renamed Shenandoah, TX – City Government this month to recognize that it is an official communication outlet of the city of Shenandoah. It is an instrument for providing information to our residents unlike personal and business Facebook pages that are designed for the interchange of ideas and opinions.

ArchiveSocial, archiving source

Starting with the 2017-18 budget year, ArchiveSocial is a program that allows us to archive postings in our social media accounts for public information requests or historical reference.

- April 8 new records
- Prior 6-month averaging: 284 records/month

Currently Archiving:

Three Facebook pages:

- City Facebook page: Shenandoah, Tx
- Civic Club Facebook page: Shenandoah Civic Club
- CVB Facebook page: Visit Shenandoah TX

Two Facebook owner accounts:

- STX Shenandoah
- Shenandoah CVB

Two Twitter accounts:

- City account: @ShenandoahTX
- CVB account: @shenandoahcvb

One Instagram account:

- VisitshenandoahTX

One YouTube account:

- City of Shenandoah, Texas

The two biggest sources of records archived are City Facebook and City YouTube.

Projects: The move of data backup equipment and servers to the new water tower location has been completed. A new air-conditioned server enclosure and environmental monitoring system was installed in the room on the second floor of the water tower. A 1Gb fiber connection was installed that provides a connection between City Hall and the Water Tower. All of our data backups and redundant server resources are now secure and operational at this facility.

A handwritten signature in black ink, consisting of a stylized 'H' followed by a horizontal line.

COUNCIL MONTHLY REPORT

DEPARTMENT: FINANCE

MONTH: APRIL 2020

REVENUE

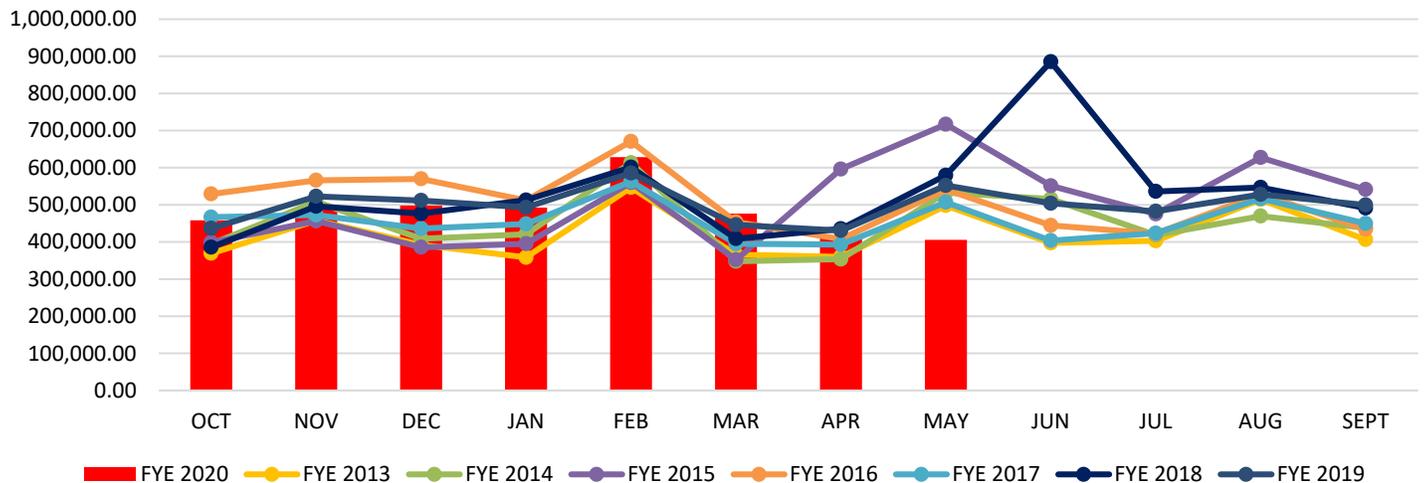

General Fund sales tax receipts received in March, reported in May are down 26.54% over the same month in 2019. Decreases from the previous year are shown in red. Significant changes from current year to previous year are primarily a result of a change in taxpayers and reduction in operation due to COVID-19.

COUNCIL MONTHLY REPORT
DEPARTMENT: SHENANDOAH POLICE
April 2020

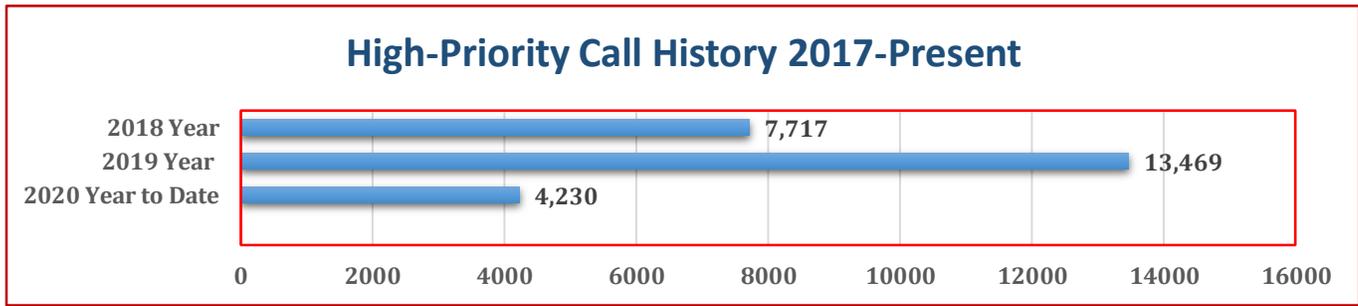

PATROL OPERATIONS I

The following is a breakdown of high-priority Shenandoah Police Department Patrol activities for **April 2020**.

PATROL OPERATIONS II PRIORITY CALLS YTD

Per the request of City Council, the Shenandoah Police Department Officer yearly contact statistics are attached to this monthly report. See 2018 call totals, 2019 call totals, and 2020 priority calls year to date in the totals.

NOTES: Although the report parameters and format have changed slightly, a significant increase in officer contacts with citizens is observed due to an obvious increase in population and traffic volume within the last three years.

PATROL OPERATIONS III LICENSE PLATE READERS

April 2020

Accepted (HITS) Alarms- See Table Below

READER	READS	SEX OFFENDER HITS	STOLEN VEHICLE HITS	STOLEN PLATE HITS	WARRANT HITS	UNIQUE HITS
Shenandoah Dr. Fixed	17,170	7	0	0	0	0
Wellman Rd Fixed	16,978	10	0	0	0	0
17-02 Mobile	46,236	2	1	0	0	0
17-03 Mobile	57,786	5	0	0	0	0
18-01 Mobile	60,430	3	0	0	0	0
Total	198,600	27	1	0	0	0

The table above shows number of HITS. All HITS require officers to accept HIT and take some type of action whether it be just observing an offender or other enforcement actions. Occasionally an officer may miss accepting a HIT if he or she is occupied with another type call for service. Not all HITS that are accepted are acted upon by the officer.

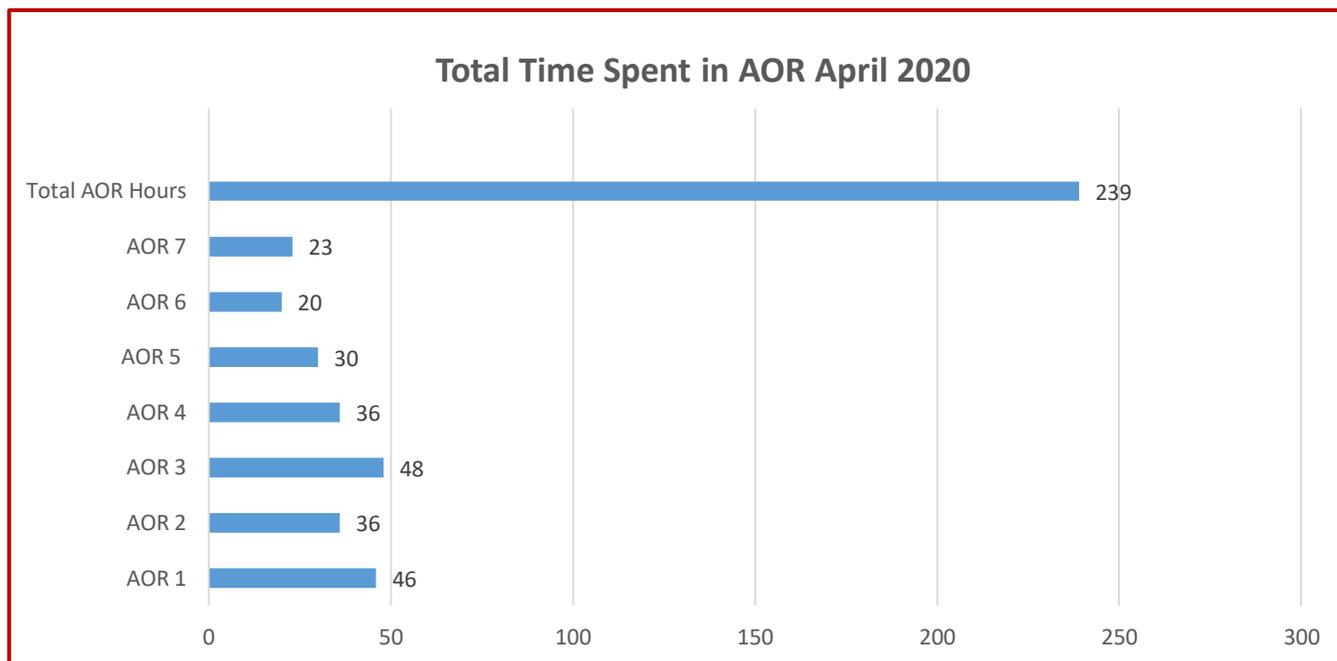

- Sex offender license plates may HIT on *multiple or all* of the Shenandoah Police Department cameras on a *variety of times, locations, dates* resulting in multiple reads on HITS. The LPR cameras will occasionally double read on a license plate at the same location and time resulting in double reads on HITS. Most Sexual Offender

HITS are single reads. The officers will accept the HIT but in nearly all instances, do not have any probable cause to stop or detain any of the sexual offender vehicles. Sexual Offenders cannot be stopped unless probable cause or reasonable suspicion for criminal activity exist. This information is used by law enforcement to observe these individuals in their daily activity.

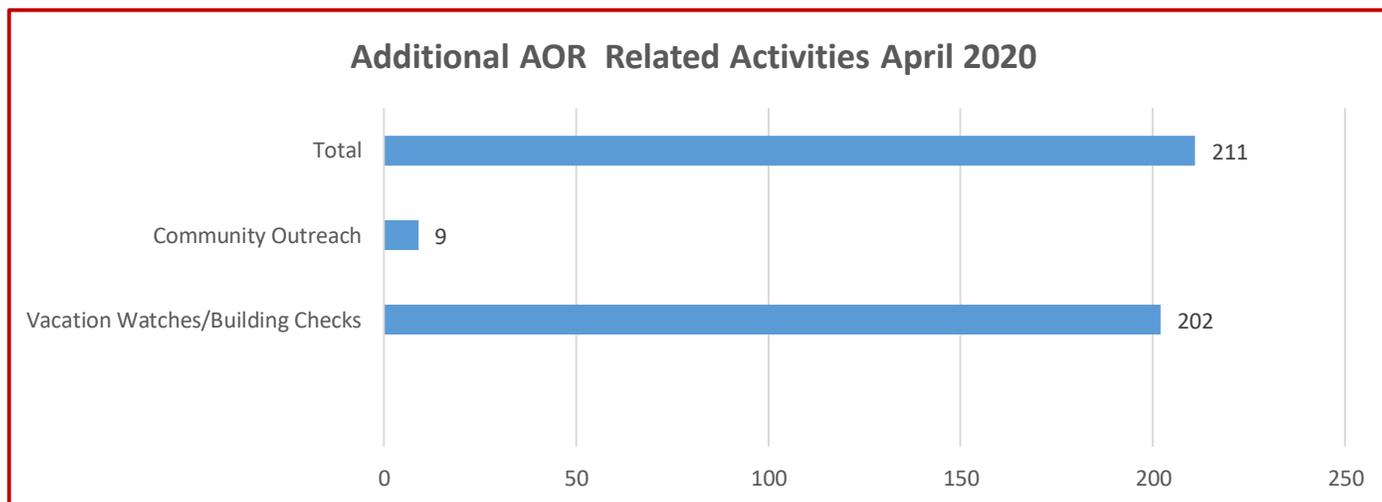

The information can also serve an affirmative link to locations where criminal activity is occurring within the city if necessary. Sex crime investigations can benefit from LPR information when or if those crimes occur in the city of Shenandoah. This information can also assist other jurisdictions where there is a need for the information during an open investigation or sexual offender compliance checks.

AREAS OF RESPONSIBILITY (AOR) OPERATIONS

The following is a breakdown of AOR activities during the month of **April 2020**:

AOR Continued:

AOR CONTACTS, EGOV ENTRIES, AND AOR FOLLOW UPS

	Number of AOR General Contacts	Number of AOR Specific EGOV Entries	AOR Post-Event Follow-Ups
AOR #1	26	0	0
AOR #2	12	0	0
AOR #3	15	3	0
AOR #4	20	2	0
AOR #5	5	0	1
AOR #6	6	0	0
AOR #7	15	0	0

“AFTER-HOURS” CALLS FOR SERVICE
--

The City of Shenandoah received 13 “after hours” phone calls during **April 2020**. The Conroe Police Department Communications Center provides non-emergency after-hours dispatching services for the Shenandoah Police Department, which includes relay of information for Public Works issues.

SHENANDOAH PATROLS AND THE WOODLANDS TOWNSHIP ACTIVITIES

During the month of **April, 2020**, Shenandoah officers conducted 468 residential patrols, 1486 commercial patrols, and 270 dedicated AOR patrols. More than 2448:25 patrol hours that were specific to the City of Shenandoah were logged. There were an additional 334 patrols conducted within the extended service area with more than 376:13 hours of activity specific to The Woodlands Township, as demonstrated by the chart below:

PATROLS	TRAFFIC ENFORCEMENT	ASSISTS/ CALLS	TOTAL TIME
334	2	30	376:13

Total time dedicated to The Woodlands Township service: 376:13 hours/12 hours per day. The “per day” time is based upon a full 24-hour cycle, or two 12-hour shifts. Each shift is responsible for at least six hours of patrol time within the service agreement area, per shift, barring any critical issues affecting the City of Shenandoah.

TRAFFIC ENFORCEMENT OPERATIONS SHENANDOAH

In **March 2020**, Shenandoah officers initiated 110 traffic stops while engaged in aggressive traffic enforcement activities within the city. Shenandoah Police Officers wrote 11 citations. The following table indicates general locations and number of traffic stops in conducted in each area.

AREA OF TRAFFIC ENFORCEMENT	April 2020	March 2020	February 2020
North Bound Service Road and Eastern Commercial Areas	24	76	223
South Bound Service Road	9	10	28
Residential Areas	2	5	19
Interstate 45 Main Lanes	1	5	5
Woodlands Township Area	0	14	25
Total	36	110	300

CRIMINAL INVESTIGATIONS

There were approximately 165 patrol dispatched complaints for the month of **April 2020** with complaints that required the initiation of a criminal offense report or an incident report. The 13 written reports are composed from the following **complaints** made to the Shenandoah Police Department: (Complaint numbers may differ from report numbers as not all complaints contain all the elements of a penal code offense or the complaint cannot be substantiated)

TYPE OF OFFENSE	NUMBER OF INCIDENTS INITIATED April 2020
Burglary (Vehicle)	3
Criminal Mischief	2
Theft (Vehicle)	
Fraud/Forgery/CC Abuse	
Theft	3
Robbery	

Narcotics	1
DWI	1
Public Intoxication	
Assault/Family Violence	1
Arrests	6
Warrant Arrest	
FSGI Report	2
Sexual Assault	
Death investigation	
Recovery of Stolen Vehicle	1
Recovery of Missing Person	1
Lost/Found Property	1
Burglary of Building	1
Disturbance (All)	9

Continued:

During the month of April, 2020 a total of 17 cases were generated. All reports were reviewed, including but not limited to the following offense types:

Assault – 1	Indecent Exposure - 0
Assist other agency - 0	Indecency with a Child – 1
Burglary of Building - 1	Narcotics – 2
Burglary of a Habitation - 0	Prostitution - 0
Burglary of Motor Vehicle – 6	Public Intoxication – 0
Criminal Mischief – 0	Recovery of Stolen Property - 0
Criminal Trespass - 0	Resisting Arrest - 0
Death investigation – 0	Recovery of Stolen Vehicle – 1
Disorderly Conduct - 0	Robbery - 0

DWI – 1	Sexual Assault - 0
Evading Arrest - 0	Terroristic Threat - 0
Recovery of missing person - 1	Theft – 1
Found Property - 0	Theft of Motor Vehicle - 1
Fraud - 0	Traffic Hazard - 0
Harassment - 0	Warrant Service – 0
Hit and Run Accident – 1	Welfare Concern - 2

Pending Assigned Cases

Pending Active Arrest Warrants

Gordon – 2	Gordon – 23
Thompson – 2	Thompson - 3

Additional

Due to COVID-19 most investigations were placed on hold during the month of April.

Cases of note

The Burglary of a Building case involved a break in at Pappasito’s. A single suspect entered the building, at approximately 0115 hours and then fled the scene. The alarm company did not call in the alarm, at that time. The suspect returned, at approximately 0345 hours, and attempted to make entry to the safe. The alarm company called the alarm in at this time and when units arrived the suspect had already fled the scene. Video evidence indicated the suspect was wearing a hoodie, a mask, and was wearing gloves.

CODE ENFORCEMENT ACTIVITIES

The following is a list of quality of life issues that were submitted during **April** 2020 either by residents, Administrative Code Enforcement or police officers in the course of maintaining assigned Areas of Responsibility.

5 GoGov action items submitted to the Shenandoah Police Department in **April** 2020:

TYPE OF ACTION LINE REQUEST	NUMBER OF ACTION LINE REQUESTS	NUMBER OF REQUESTS RESOLVED	NUMBER OF REQUESTS UNRESOLVED
Animal Control	1	1	0
Grass Complaint	1	1	0
Code Enforcement	2	2	0
Vacation Watch	0	0	0
Graffiti	0	0	0
Non-Conforming Signs	1	1	0
Other	0	0	0
Junk Motor vehicle	0	0	0

The action items submitted revealed **5** by Shenandoah PD officers, **0** by city employees and **0** by citizens. In **April, No** property liens were recorded for city ordinance violations (high weeds and grass). **0** Citations were issued for city ordinance violations. No yard force mowed.

SHORT TERM RENTALS

The department has checked the following address on April 29, 2020 for municipal ordinance violations, criminal offense reports, and calls for service within the Caliber Report Management System, EGOV system, and Computer Aided Dispatch System (Spillman) call incidents.--

No records of calls or reports were observed for **April 2020** in reference to any short-term rental. Short term rental web sites checked that are available to the department for inquiry include AirBnb, VRBO, Home Away, Rent by Owner, and WIMDU.

The 28923 Pecan Circle home is back on VRBO plus one previously identified home that remains on the above sites. These two homes are the only ones that can be identified. It is important to note that the web sites do not list addresses of the privately-owned homes and many of the advertisements do not show photographs of the exterior of the available homes. The department is also attempting to identify advertisements for room rental in private homes within the city of Shenandoah, but none have been identified as of the report date.

The department has no real estate database or subscription allowing access to a portal where information can be obtained inside the real estate community. This is the only residence that is currently advertised as short-term rental.

1. 515 Thornwood No calls for service or code violations
2. 28923 Pecan Circle No calls for service or code violations

Submitted by 

COUNCIL MONTHLY REPORT

DEPARTMENT: PUBLIC WORKS

MONTH: APRIL 2020

PUBLIC WORKS

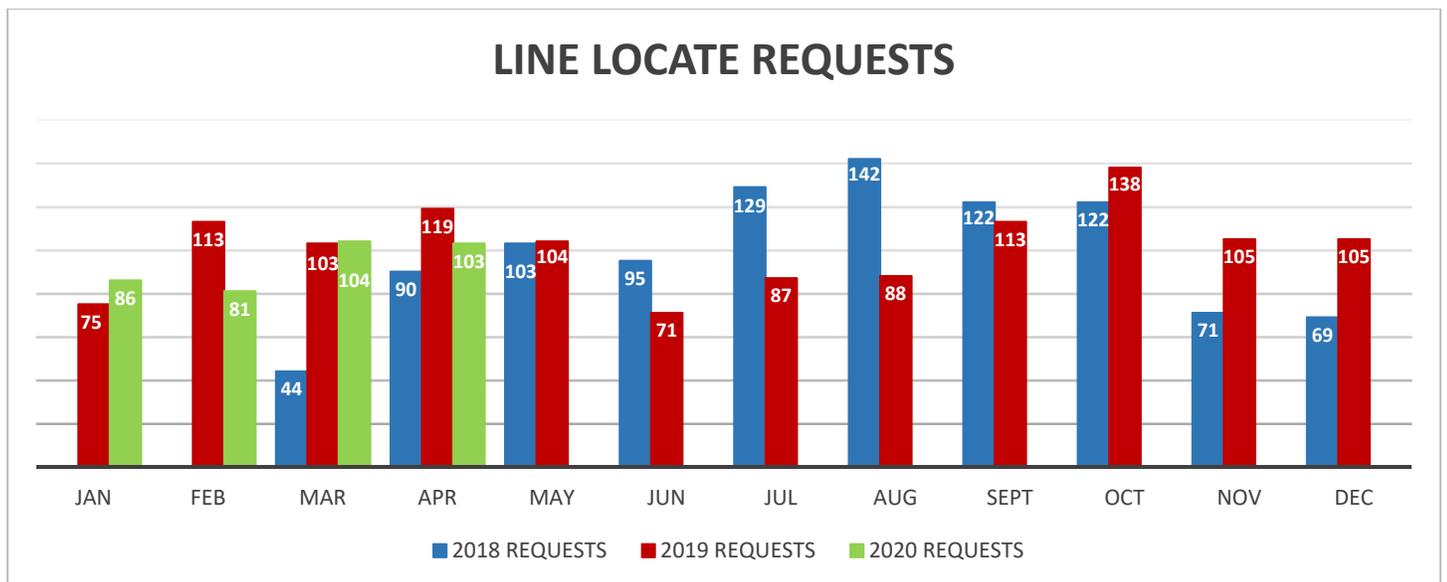

During this month, Public Works staff responded to 19 requests for service submitted through the City's E-Gov software. Of those requests for service 6% were generated from outside City Hall.

Public Works staff ran the street sweeper five times this month. The table below records the debris recovered, diesel used, hours swept, and the volume of water used.

Date Swept	Diesel Used (gallons)	Hours Swept	Collected Amount (cubic yards)	Water Used (gallons)
4/02/2020	9	4	8	300
4/09/2020	12	5	8	300
4/16/2020	11	4	4	300
4/23/2020	9	3	4	150
4/30/2020	11	4	4	300
APRIL	52	20	28	1350

In April, there was four cuts of the irrigated areas (those areas of the City with sprinkler systems), and four cuts of the non-irrigated areas. Once a week LandCare's staff checks these areas and picks up any debris.

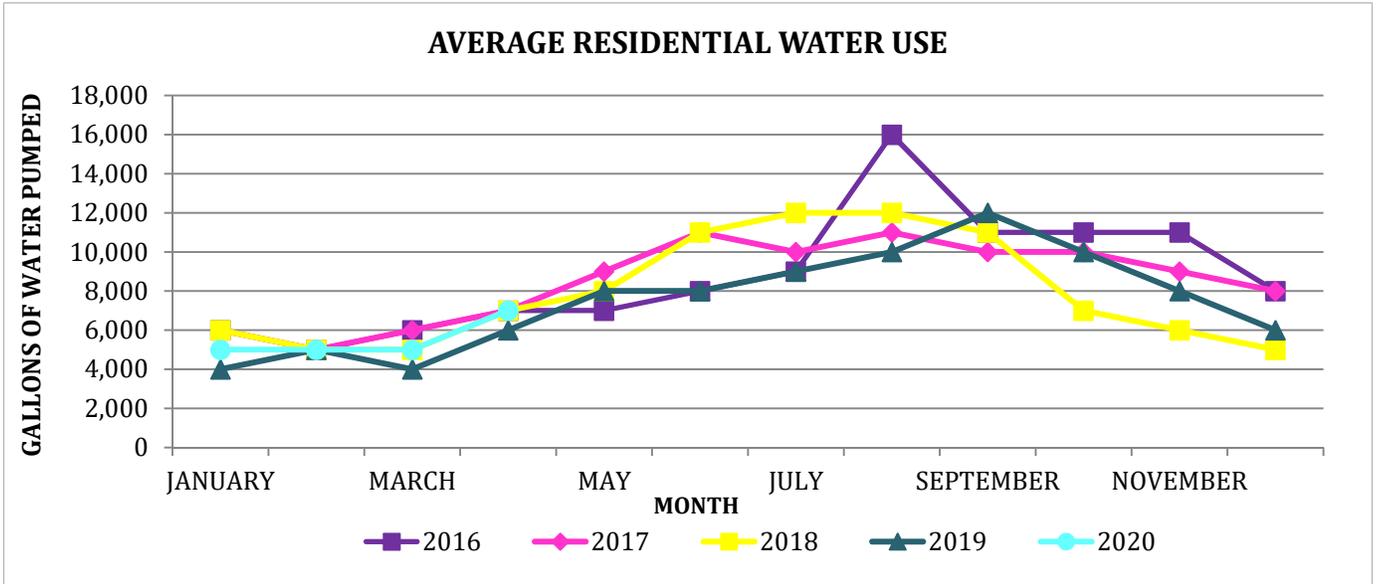

In March 2018 the City became a member of Lone Star 811. The chart below shows the number of requests the City has received to locate our water and sewer lines from contractors before they dig.

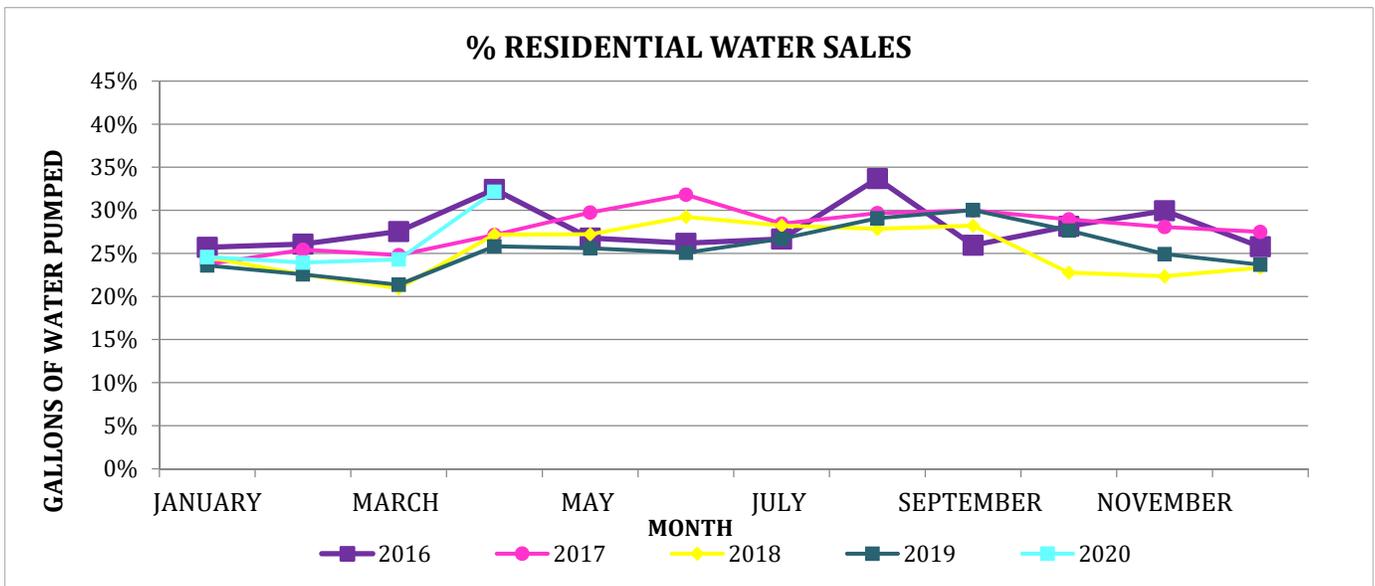

WATER & SEWER

Water and sewer data is reported on monthly reports as calendar months except for the average residential water use and the water loss data which are reported for the billing month as these data points are based on use data which is only available on a billing month cycle.

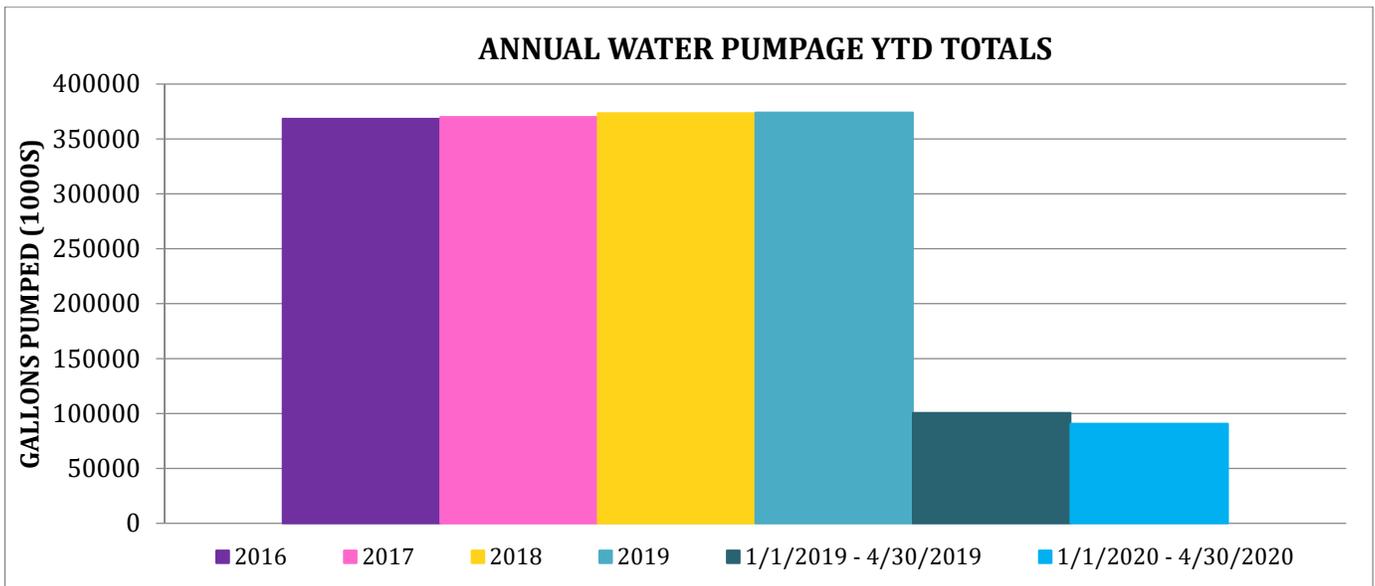

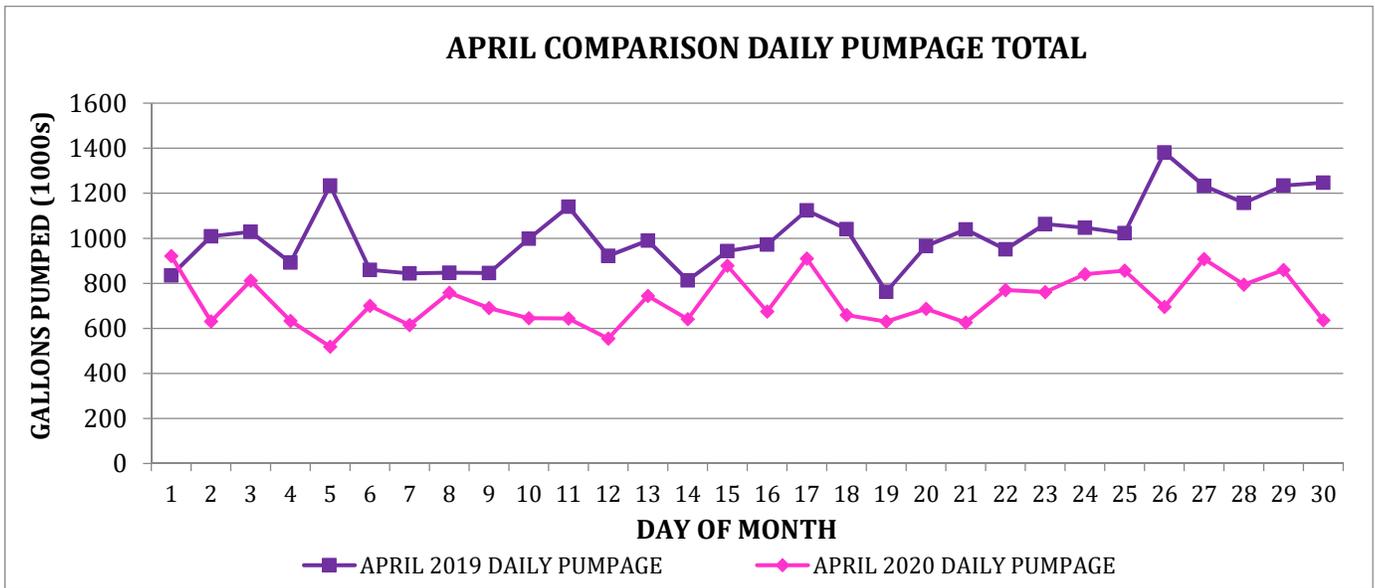

Groundwater production for the calendar month of April was approximately 21.7 million gallons with an average daily use of 723,000 gallons. The average residential water use for the billing month was 7,000 gallons. The next chart shows the average residential water use for each month compared to previous months.

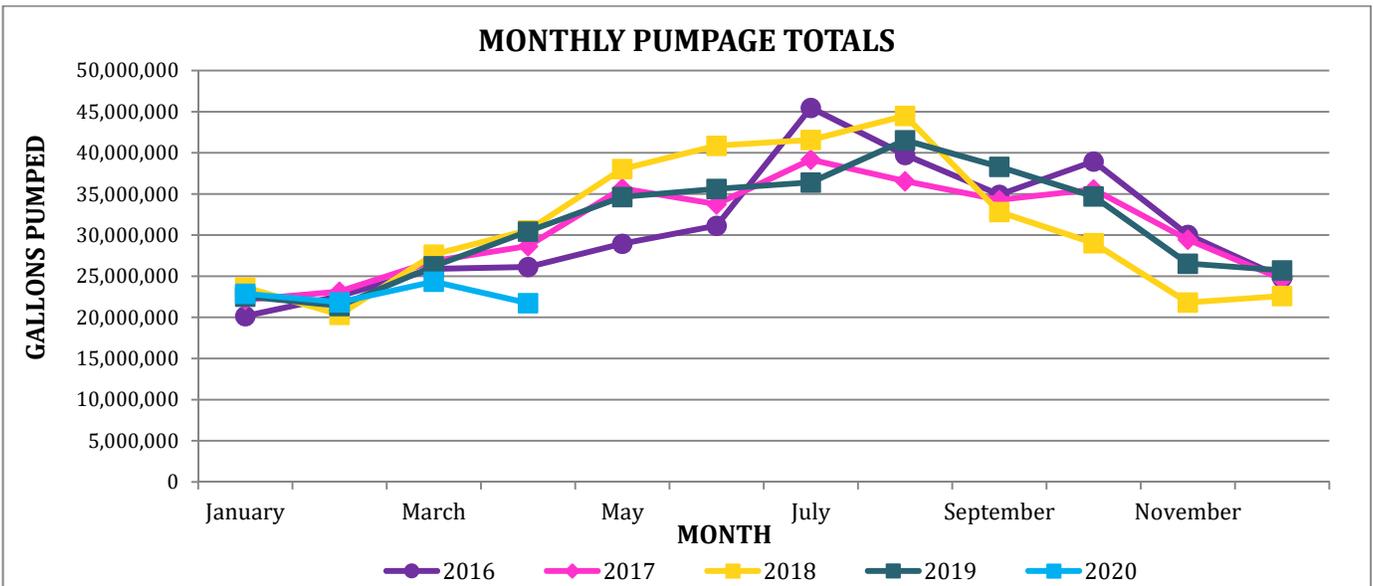

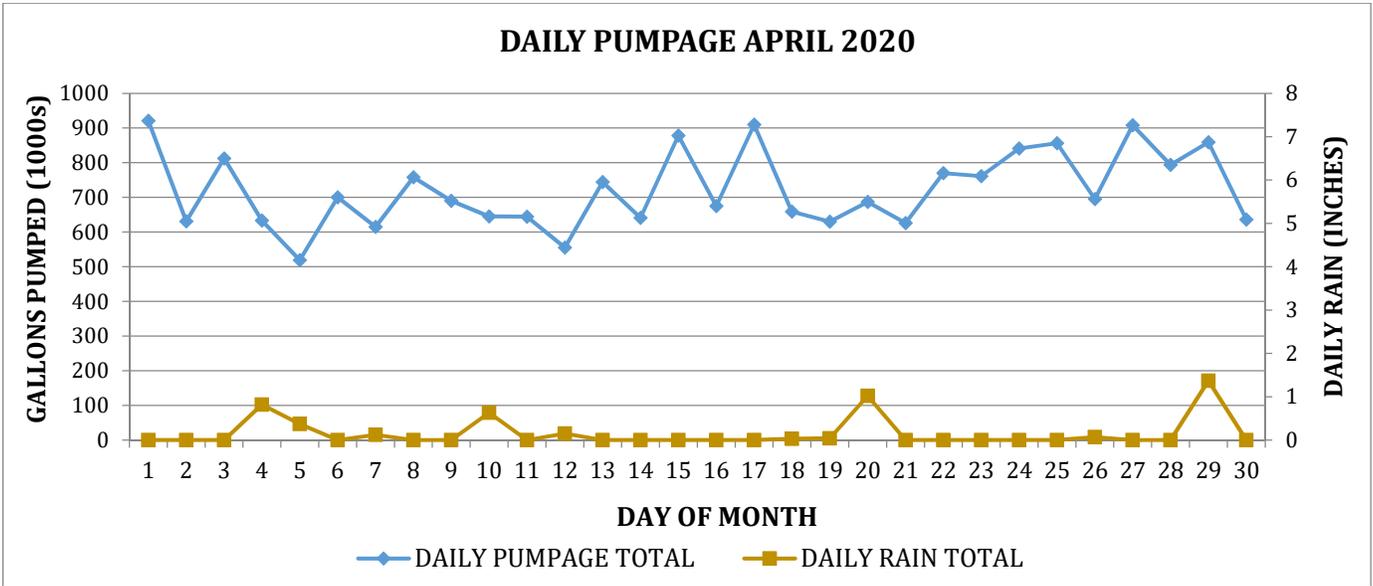

The next chart shows how much residential water sales have accounted for. In April 2019 residential water sales accounted for 25.81% of all water sales compared to 32.15% for the current month.

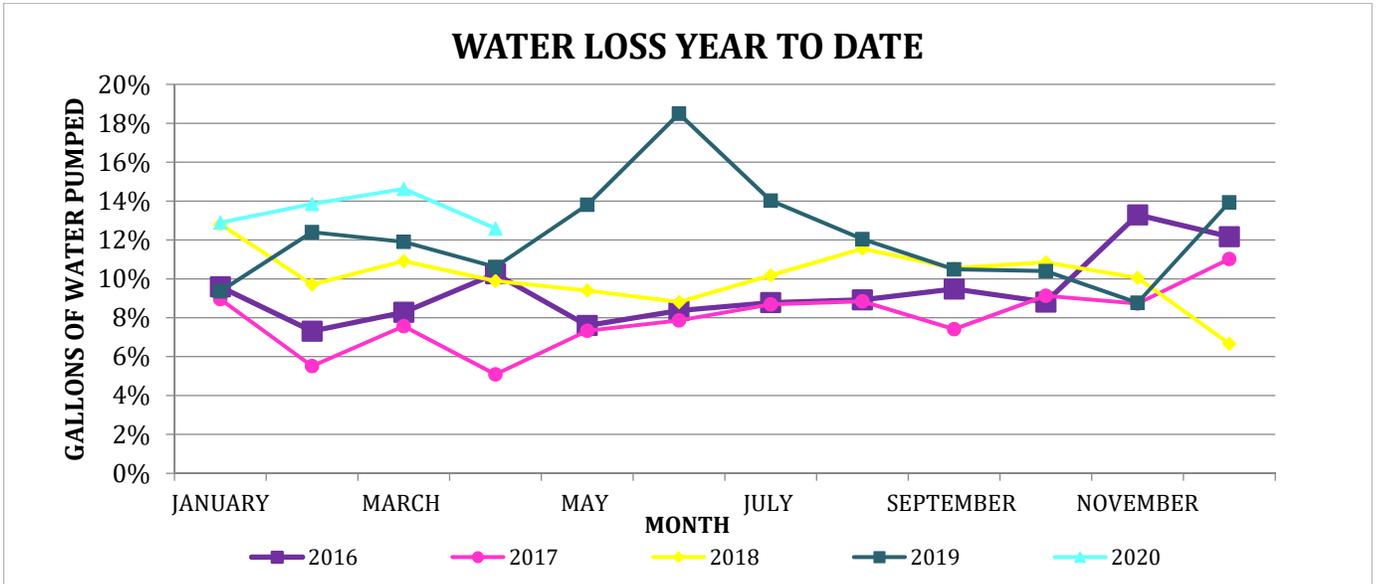

The next two charts show the daily pumpage data compared to previous years. Through April the City has pumped 90.8 million gallons of water this year. Last year during the same period the City pumped 100.6 million gallons.

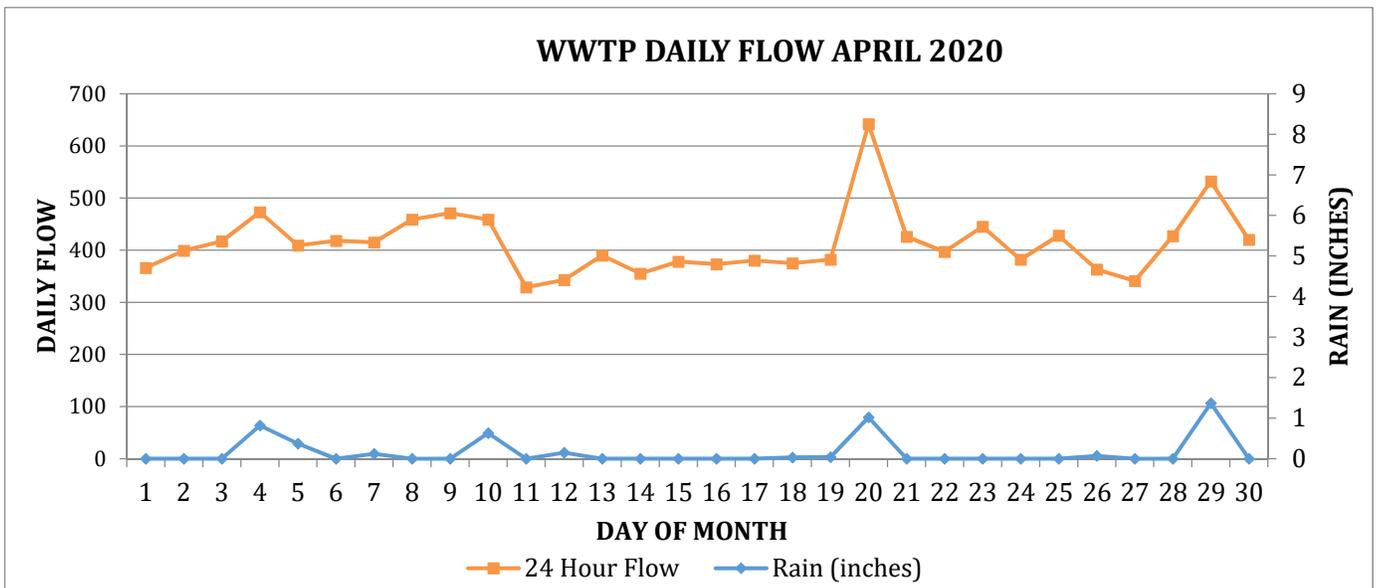

The next charts show the daily pumpage compared with rain and monthly pumpage totals.

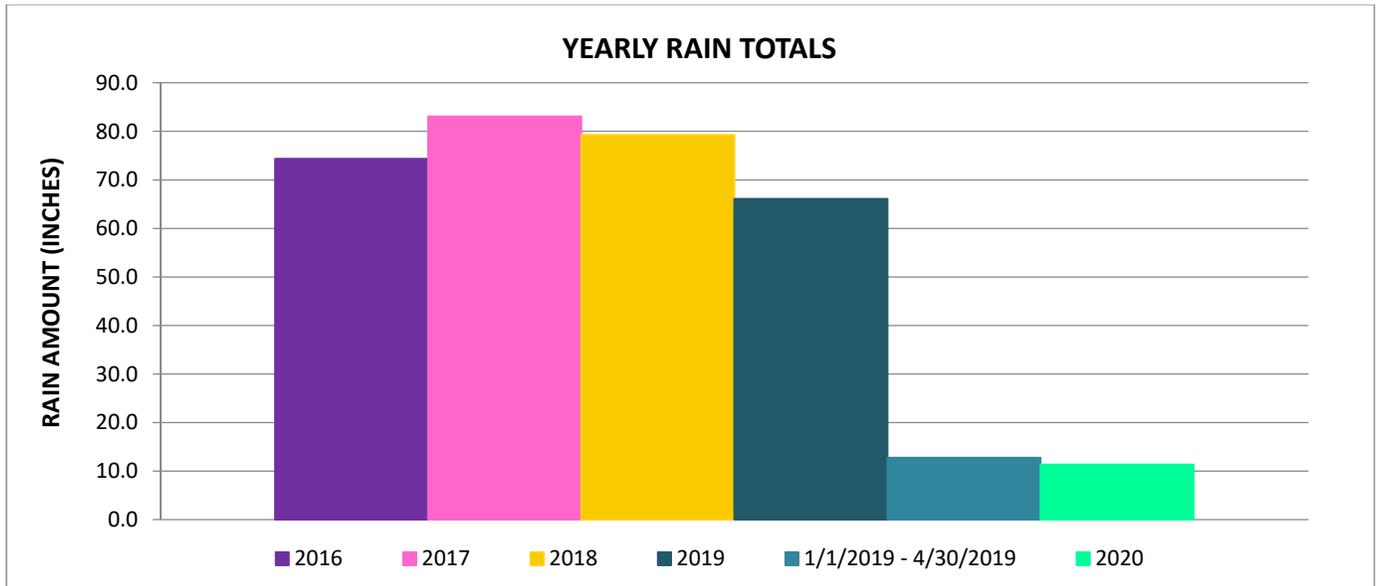

The water loss for the month of April was 12.59%. The next chart compares the loss rate to previous years.

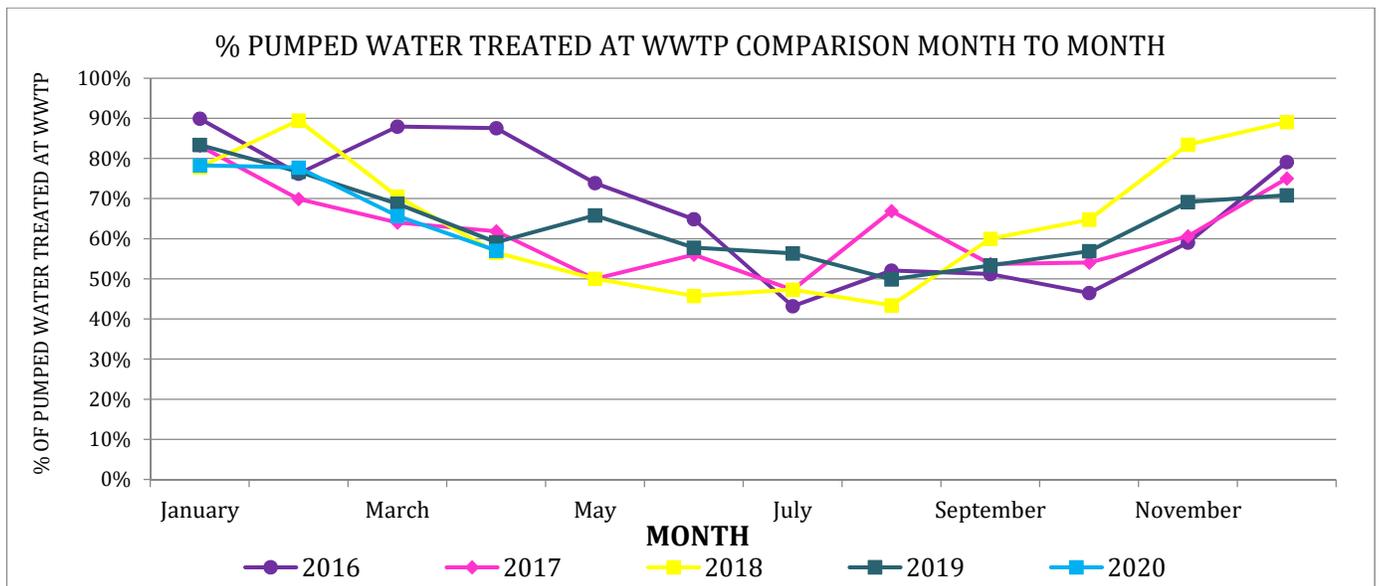

The City's wastewater treatment plant flowed 21.7 million gallons this month for an average of 413.1 gallons per day. Through the year, the City has treated 63.3 million gallons of drinking water. The next chart shows the daily flow at the treatment plant and daily.

Through April 30th the City has registered 11.34 inches of rain at the treatment plant compared to 12.76 and 22.18 inches in previous years. The next chart summarizes rainfall from previous years.

The City “recovered” over 57.04 % of the water pumped at the treatment plant. The next chart compares the monthly percent recovery to previous years.

Our water system has been reviewed by TCEQ and rated to be a Superior water system.

CAPITAL PROJECTS

PROJECTS UNDER DESIGN

- **Impact Fee Study 2019**

March - Bleyl Engineering submitted a draft report for staff to review and a review by the public including outside of the city limits needs to make a recommendation. An impact fee advisor committee was selected by city council to review staff recommendations for impact fees.

April – Impact Fee advisory committee meetings delayed by COVID-19.

- **Water/Sewer Rate Study 2019**

March - Bleyl Engineering was sent all information required to complete draft report(s)/study.

April – Rate study nearly completed, presentation of findings to city council anticipated in May.

- **Sewer Collection System Model 2019**

March - Bleyl continued to work on system base map with data sent from city and information already in position by Bleyl.

April – Several locations across the city are lacking sizing data and invert elevations. Subcontractor considered by Bleyl to collect remaining missing data.

- **Transportation Coordination (Tamina, David Memorial, I-45, Research, and Grogan’s Mill at Research)**

March - Design and construction projects have been started from the work completed under this project.

April – Design of Research Forest right turn lane extension and Home Depot driveway swap is nearing completion. ROW discussions are in progress with Home Depot to complete IH-45 Intersection improvements at Tamina/Research Forest. Grogan’s Mill improvements on hold while Entergy moves an existing pole out of proposed lane.

- **East Relief Pond (Eastside Regional Detention Pond)**

February – Bleyl and Kimley-Horn spoke with USACE and resolved the issues with additional information and a new complete total package being send to USACE.

March – Ongoing

April – Ongoing discussions with property owners to obtain drainage easements.

- **Research Forest Lift Station Rehabilitation**

Project not started.

PROJECTS UNDER CONSTRUCTION

- **Elevated Storage Tank Rehabilitation 2019**

March – Construction started on the 27th.

April – Construction ongoing. Several items not listed in original bid in need of repair are being combined in Change Order #1.

- **Vision Park Rear Lot Storm Sewer Improvement Project**

February – All easements obtained. Project to be bid next month.

March – Project advertised and bid.

April – Project bid and approved for construction by city council.

- **Pinecroft/Savannah Waterline Replacement Project**

February – Savannah water line has been installed and is operational. Waterline install almost completed and beginning to schedule the customer tie-ins for March.

March – Waterline install almost completed and customer tie-ins complete but one. A power/communication box was placed in the path of the old and new water line tie in and is being scheduled for relocation.

April – All customer tie-ins completed. Change order #1 completed, final walkthrough scheduled for May.

Design Projects see additional updates in Bleyl's report.

- **Community Room**

February – Flooring, baseboard, counter, and paint colors selected. Appliances selected.

March – Demolition in progress. Change order #1 added for re-plumbing work, and HVAC electrical and thermostat modifications.

April – Re-construction of room nearing completion, ADA accessible exterior door yet to be completed and some minor electrical work. Final walkthrough scheduled for May.

- **Park Surge Protector**

February – COVID-19 delays to rebuilding of surge protector.

March – COVID-19 delays to rebuilding of surge protector.

April – COVID-19 delays to rebuilding of surge protector.

Elevated Storage Tank Rehabilitation	Tank Pro, Inc.	3/27/2020	160 Days	9/2/2020			36.93%	21.21%
Vision Park Storm Drain	A-Status Construction	5/12/2020	60 Days	7/11/2020			0.00%	0.00%

* Time is at the beginning of the month if there is no date of substantial completion.

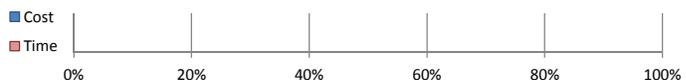

Savanah and Pineroft Waterline Improvements - 12243

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 12/12/18 for Pineroft and 2/28/18 for Savanah for engineering and management services to design waterline improvements off of Savanah Drive and along Pineroft Drive.	Phase 1 was substantially completed on 11/29/19. Phase 2 of construction began 12/2/19. A final inspection of the site was performed on 5/6/20 and punch list items issued.. The project is now substantially complete.

Elevated Storage Tank Rehabilitation - 12531

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 9/25/19 to provide plans and specifications for sand blasting and recoating the existing elevated storage tank.	Bids were received on 3/3/20 and a recommendation of award was presented to Council on 3/11/20. Council approved the project to be awarded to Tank Pro. The project is in construction and completion is scheduled for September 2020.

Shenandoah Vision Park Storm Drain - 11824

<i>Project Description</i>	<i>Update</i>
Bleyl Engineering was authorized on 4/27/16 by the City Council to proceed with design on the necessary improvements to the storm drain system that ties into the Vision Park Detention Pond. Route changes and pond easement acquisition have delayed the project.	The easements have been identified on the revised route and been obtained. The bid opening for the project was on 4/14/20 and the project was awarded to A-Status Construction with a start date of 5/12/20.

City of Shenandoah Engineer's Report
April 2020
(April 8, 2020 through May 13, 2020)

Projects Under Design

Shenandoah East Side Wetlands Permitting - 12101

<i>Project Description</i>	<i>Update</i>
In support of the East Relief Pond Project, Bleyl was authorized on 6/28/17 for wetlands permitting for the City site east of David Memorial Drive. Kimley Horn is a sub consultant for this project.	The permit application was submitted in March 2018 and is under review by the Corps of Engineers. The City has acquired the credits needed for mitigation. A public notice was published in August 2019. Comments were received on 11/4/19 and a response was sent on 12/4/19. Additional comments were addressed in February and March 2020.

David Memorial Extension Phase II and III - 12473

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 1/25/17 for design of Phase II including approximately 1,500 LF from the end of Phase I to the northern City limits. The interlocal agreement between the City and County was approved by all parties. Phase III (Montgomery County and City of Conroe) has been authorized.	A revised USACE application will be submitted in May. The hospital is coordinating on the roadway alignment. Letters for ROW were submitted to the hospital by the City and County. The hospital will provide the metes and bounds description for the right-of-way. Right-of-way deeds are being prepared. The 60% design will be submitted in June 2020.

East Relief Pond Option 1B - 12203

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 1/24/18 for engineering and management services to construct a stormwater pump station at the existing east pond.	The roject is on hold to explore additional options for draining this area by gravity east of the railroad. Negotiations are continuing with the property owners to the east to secure drainage easements for the project. Additional options are also being considered. A proposed plan, schedule and budget will be presented at the May 27 Council meeting.

Carter's Slough Hydraulic Study - 12370

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 11/14/18 to perform a drainage study on Carter's Slough downstream of the railroad to determine potential impacts of downstream developments.	The hydraulic study is complete. The City is working on an agreement with property owners to provide drainage relief to the East.

City of Shenandoah Engineer's Report April 2020 (April 8, 2020 through May 13, 2020)

MS4 General Permit Renewal - 12391

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 12/12/18 to obtain authorization for stormwater discharge for the City under the renewed General Permit TXR040000.	NOI and updated SWMP were submitted in July 2019 to the TCEQ. Bleyl is awaiting further direction from the TCEQ once they have reviewed the submittal. Bleyl had an annual meeting with City staff on 12/4/19 to discuss the storm water management program for the City.

Tamina West Bound Turn Lane/Research Forest East Bound Right Turn Lane - 12402

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 1/23/19 to prepare a detailed design and submittal to TXDOT of a plan to modify the west bound turn lane on Tamina in front of Home Depot, along with the Research Forest right turn lane.	Home Depot prefers construction to occur in June and July of 2020. The project needs authorization from Home Depot for a temporary construction easement. Precinct 2 has approved the Research Forest right turn lane. Final plans are ready for bidding.

Research Forest/Tamina Major Intersection Improvements - 12403

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 1/23/19 to prepare a detailed design and submittal to TXDOT of a plan to modify the Research Forest and Tamina Road intersection. (Adding one lane each direction).	The detailed design layout has been completed. The updated traffic model and study was submitted to the City and TxDOT on 3/2/20. TxDOT has approved the project for final design. The proposal for final design was approved at the 4/22/20 MDD and Council meetings. Design Completion/Approval - December 2020/ Bidding and Construction 2021

Shenandoah Impact Study - 12535

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 9/25/19 to evaluate the City's water and sewer system demands for potential development within the City's ETJ.	The impact study is estimated to be completed by October 2020. The first committee meeting for the study was cancelled. The project is on hold until a committee meeting can be rescheduled (June 16, 2020).

Shenandoah Utility Rate Study - 12534

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 9/25/19 to evaluate the existing water and sanitary system to estimate the cost of water and sewer based on historical usage and cost analysis.	The rate study was presented at the May 13th Council Meeting. The study will be discussed at the August 1, 2020, Budget Workshop.

City of Shenandoah Engineer's Report
April 2020
(April 8, 2020 through May 13, 2020)

Shenandoah Sewer Model - 12536

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 9/25/19 to evaluate the existing sanitary sewer system and provide recommendations for the City.	Bleyl has received a survey that was required for the model. Bleyl is in need of additional lift station information.

ADA Completion Report - 12567

<i>Project Description</i>	<i>Update</i>
Bleyl was authorized on 12/11/19 to evaluate ADA compliance for parking lots, City facilities, parks, etc. for the City.	The ACCESS partnership, an ADA consultant, has completed a field inspection. The final report was submitted to the City in April 2020. Public Woks is addressing the comments.

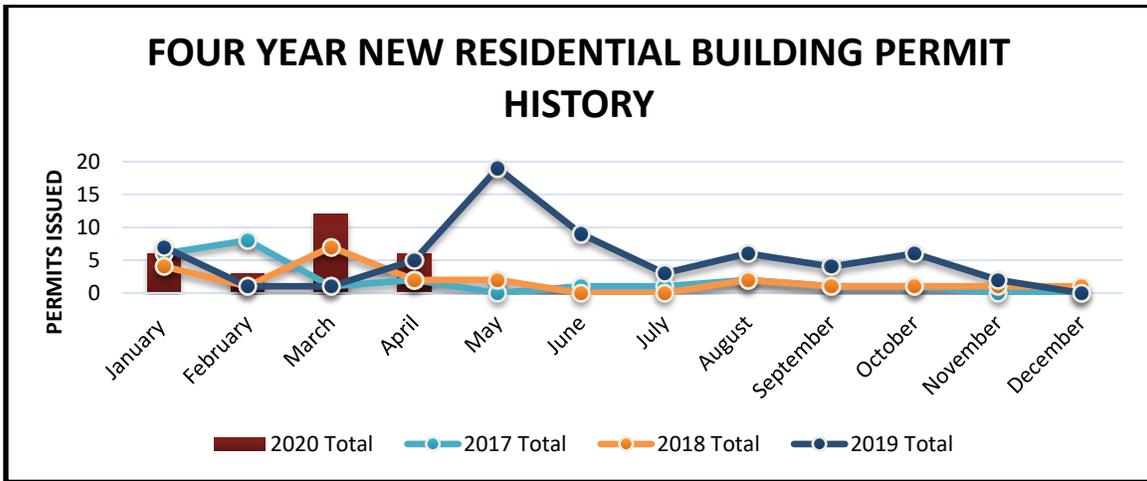

COUNCIL MONTHLY REPORT

DEPARTMENT: COMMUNITY
DEVELOPMENT AND MUNICIPAL COURT

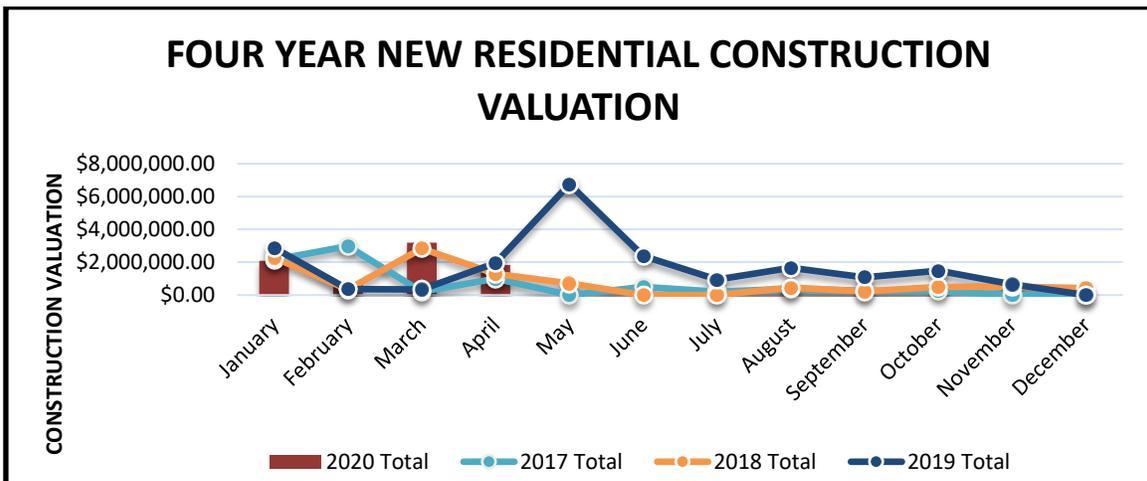

MONTH: APRIL 2020

COMMUNITY DEVELOPMENT

During April the City issued six permits for a new residential home compared to five in April 2019. The chart below compares residential permits issued from 2017 to current year.

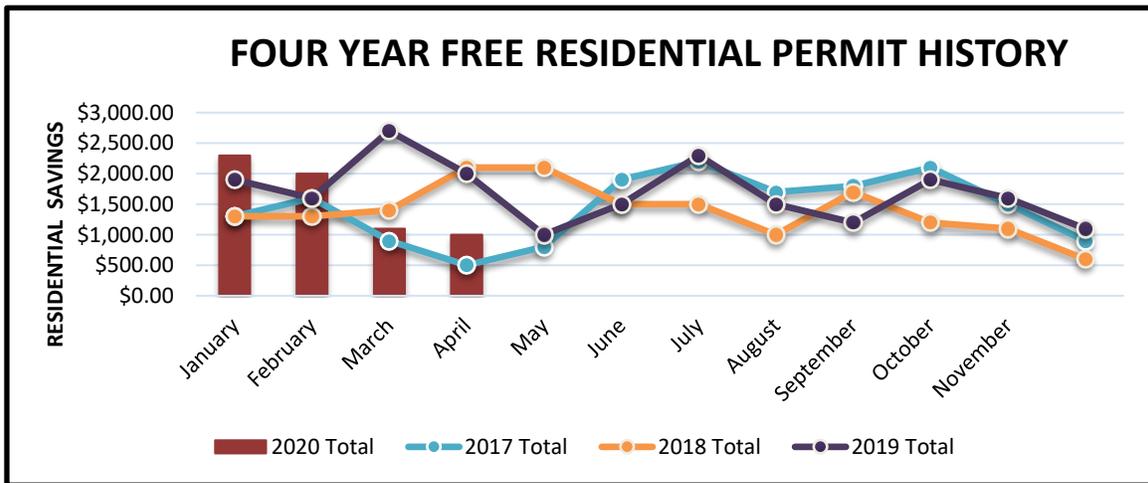

Residential construction value based on the contractors' declared construction cost during the month of April is \$1,829,326.00. A YTD increase of 41% compared to 2019. The chart compares new residential construction valuation data from 2017 to current year.

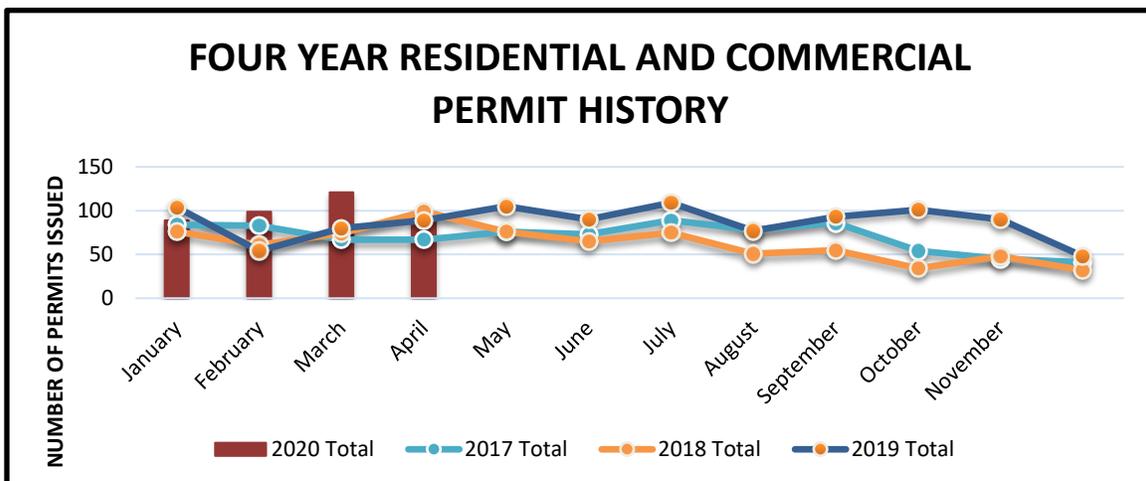

The table below shows the residential development and each subdivisions overall completion rate. Shenandoah has a total of 1,292 lots in the residential subdivisions and is currently at 84% built out. Vacant lots also include lots which residents have fenced in as part of their yard but a house could be built on those lots in the future.

Residential Subdivision Development					
	Total Lots	Open permits	Vacant Lots	Completed	Percentage Completed
Parkgate Reserve	58	0	1	57	98%
Tuscany Woods	101	1	0	100	99%
Malaga Forest	36	1	4	31	86%
Reserve at Grogan's Mill	42	0	1	41	98%
Marion	44	0	0	44	100%
Silverwood Ranch	80	0	0	80	100%
Grogans Forest	128	0	0	128	100%
Shenandoah Valley	506	0	3	503	99%
Lily	62	21	0	41	66%
Wellman Manor	32	6	18	8	25%
Boulevard Green	89	4	50	35	39%
The Centro	114	10	86	18	16%
CITY TOTAL	1292	43	163	1086	84%

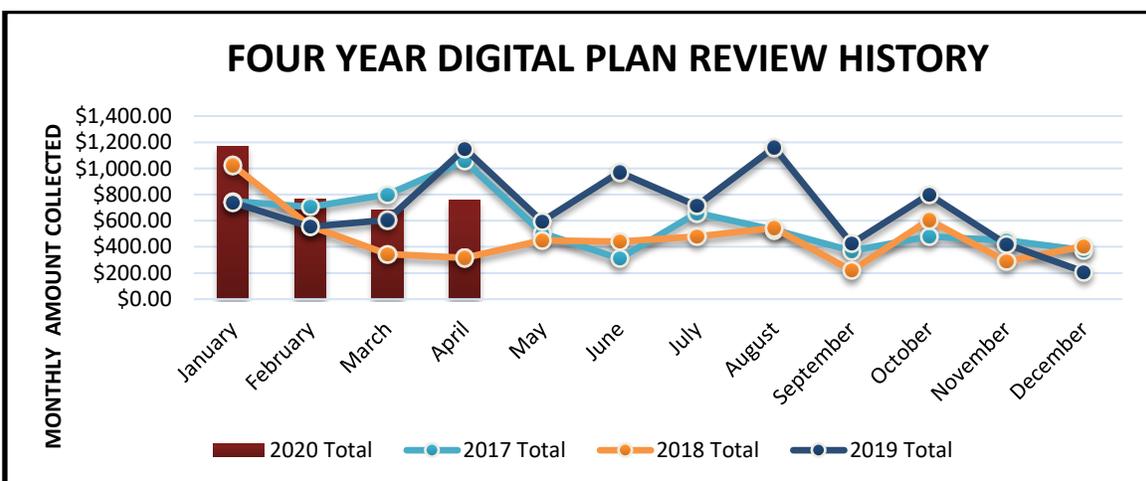

Currently the City issues permits for residential remodels, roofs, irrigation systems and pools for no charge. In April the City issued ten free permits for residential improvements. Total savings to residents is \$117,100.00. The chart below compares free residential improvement permit data from 2017 to current year.

During April the City issued 97 residential and commercial permits compared to 89 in 2019. The chart below compares all residential and commercial permits issued from 2017 to current year.

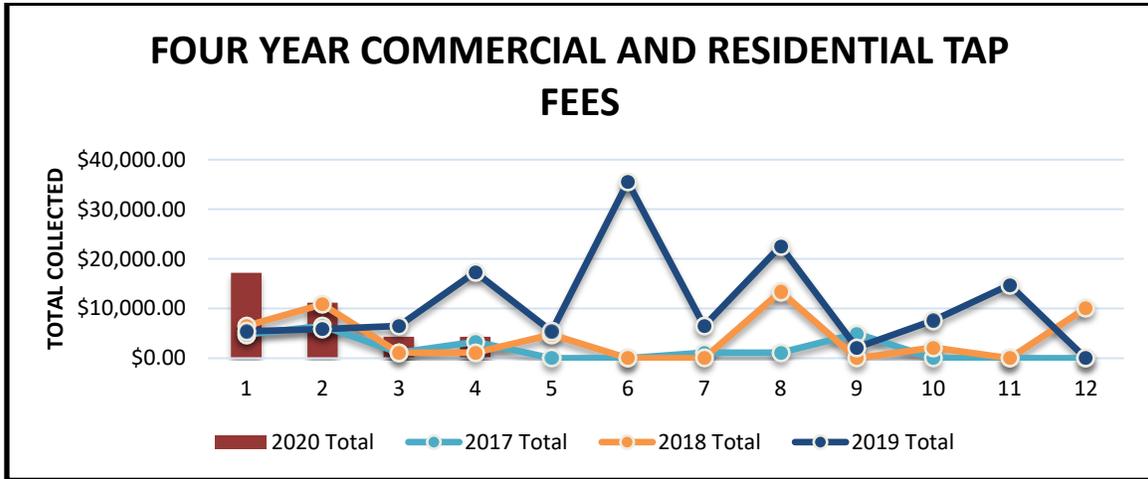

In 2014 the City implemented a digital plan review process to provide better service for the contractors and to accept plans digitally, charging a nominal fee depending on the number of pages submitted for review. During April the City collected \$760.00 for digital plan review fees. The revenue collected since implementation in 2014 is \$41,149.99. The chart below outlines the fees collected for the digital plan review from 2017 to current year.

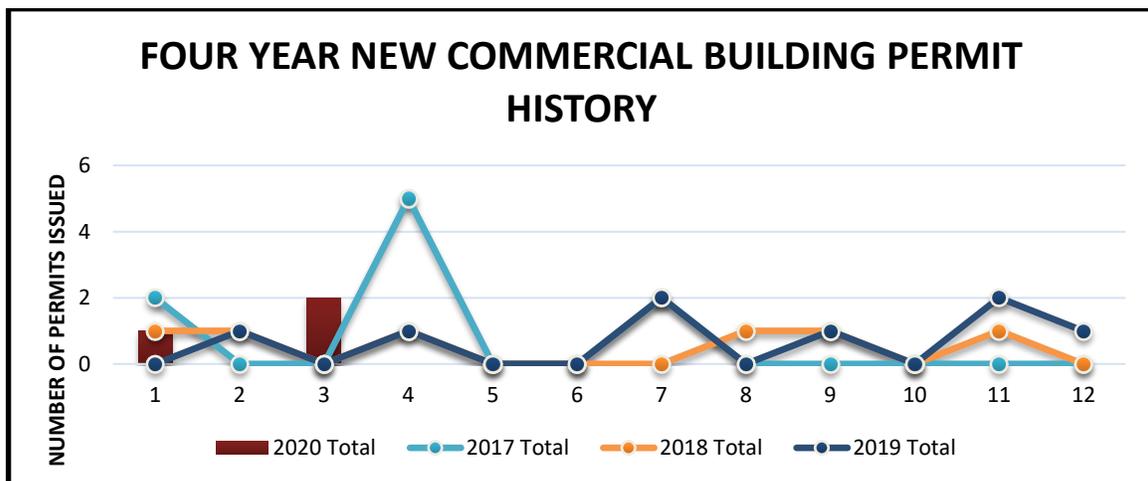

The digital plan review fee is used to purchase equipment and enhance the digital plan review process. In April there was one purchases from the digital plan review account. The digital plan review fee balance is \$25,388.12. The chart below outlines the digital plan review revenue and the expenses based on each fiscal year.

Digital Plan Review History							
	FY 2014-2015	FY 2015-2016	FY 2016-2017	FY 2017-2018	FY 2018-2019	FY 2019-2020	Balance
Total Revenue	\$7,047.00	\$6,095.84	\$7,226.15	\$5,680.00	\$8,215.00	\$4,810.00	
Total Expenses	\$3,344.25	\$5,029.99	\$795.00	\$475.22	\$0.00	\$810.99	
Total	\$3,702.75	\$1,065.85	\$6,431.15	\$5,204.78	\$8,215.00	\$3,999.01	\$25,388.12

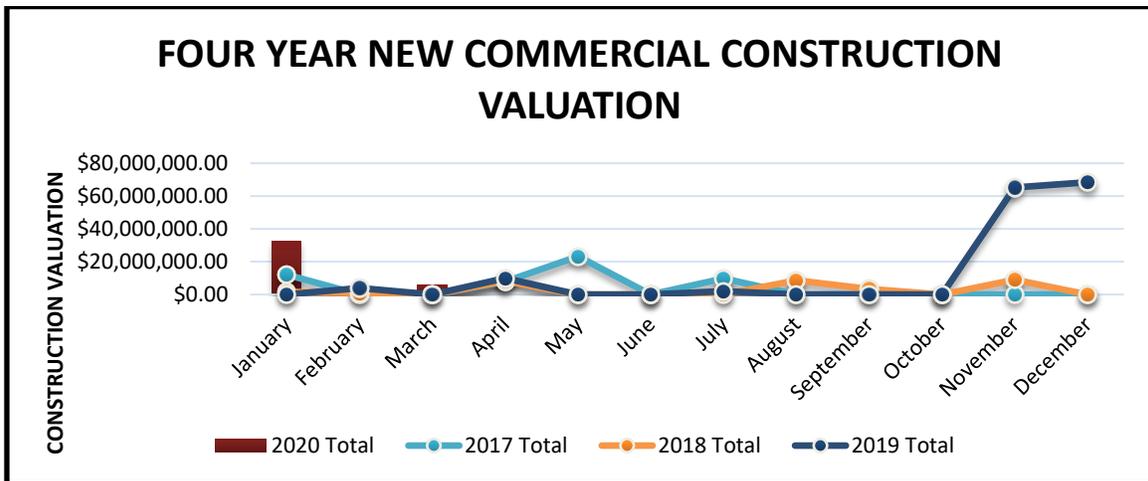

During April the City collected \$4,340.00 for commercial and residential tap fees. The chart below compares commercial and residential tap fees collected from 2017 to current.

During April the City issued zero new commercial permit comparable to one in 2019. The chart below compares commercial building permits issued from 2017 to current year.

The commercial construction value based on the contractors' declared construction cost during the month of April is \$0.00. The chart below compares new commercial valuation data from 2017 to current year

The table below provides a snapshot of new commercial development and the date the permit was issued.

Active New Commercial Projects		
Address	Description	Date permit issued

9180 Pinecroft Drive, Suite 405	Memorial Hermann Cardio Expansion	April 24, 2020

During April the Building Official had zero scheduled development meeting.

Development Meetings	
Meeting Date	Topic for Discussion

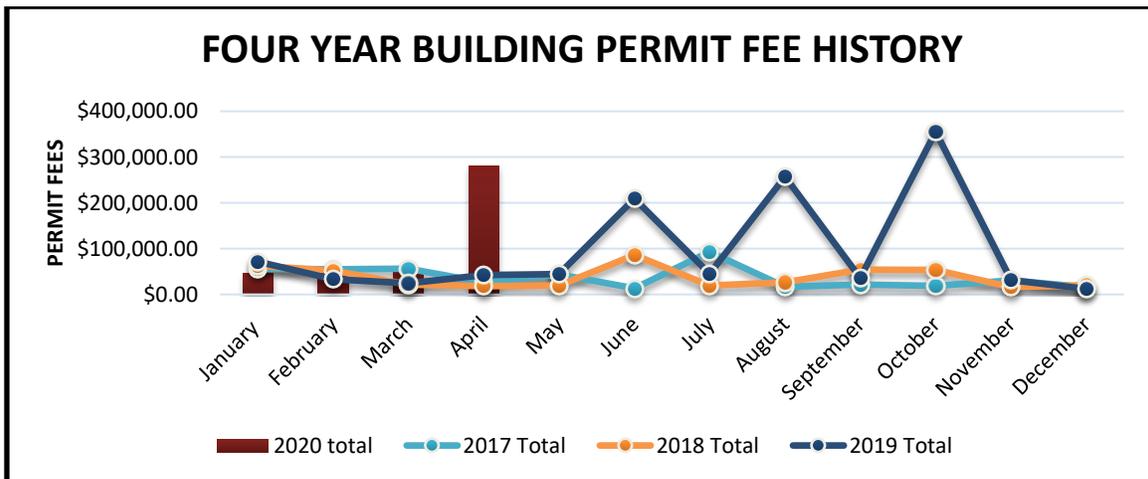

During April the City performed 331 inspections. A YTD increase by 29% compared to 2019. The chart below compares the total number of inspections performed from 2017 to current year.

Inspections performed include:

- Building Department – 299
- Fire Inspector – 32
- Third Party Inspector – 0

During April the City collected \$281,379.90 for building permit fees. Permit fees have increase by 154% YTD compared to 2019. The chart below compares building permit fees collected from 2017 to current year.

There were ten Certificates of Occupancy/completion issued in April including the following:

Owner	Address	Project	Date Issued
**GRACEPOINT HOMES (MODEL HOME)	227 BONNIE RIDGE DR.	20181489	04.03.2020

COUNCIL MONTHLY REPORT

DEPARTMENT: CVB

MONTH: APRIL 2020

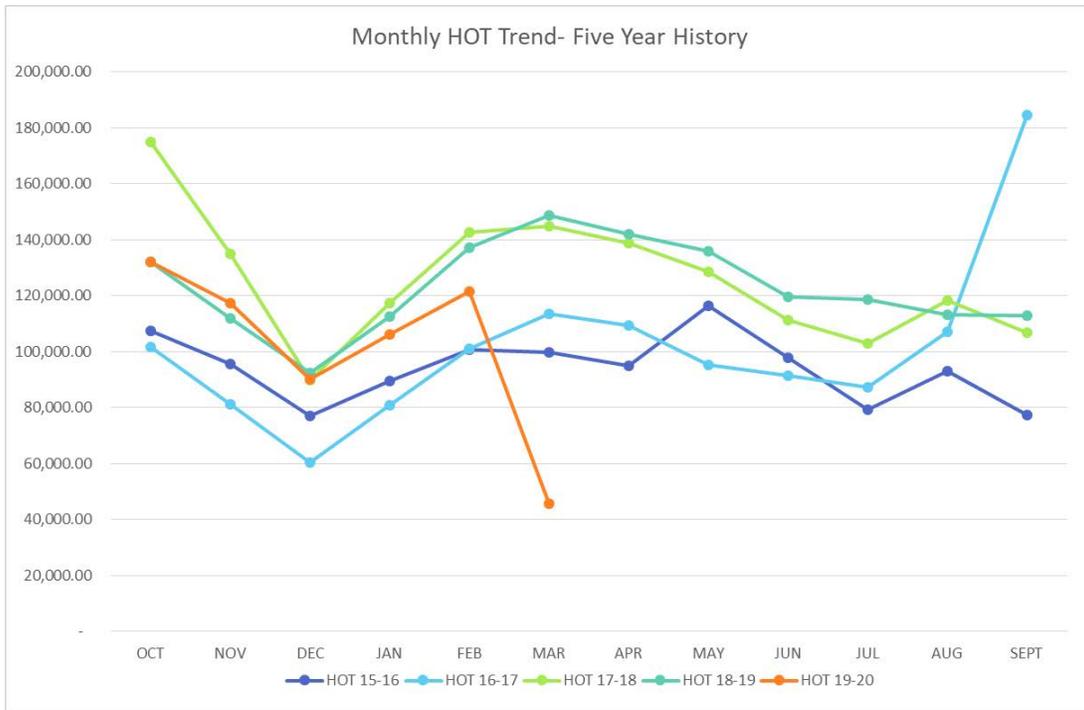

VISITOR CENTER

Due to COVID-19 precautions, the CVB has been closed to the public during the month of April. Staff has used this time to prepare for the move to City Hall, work on redesign of new website and to begin planning efforts relating to COVID-19 recovery efforts.

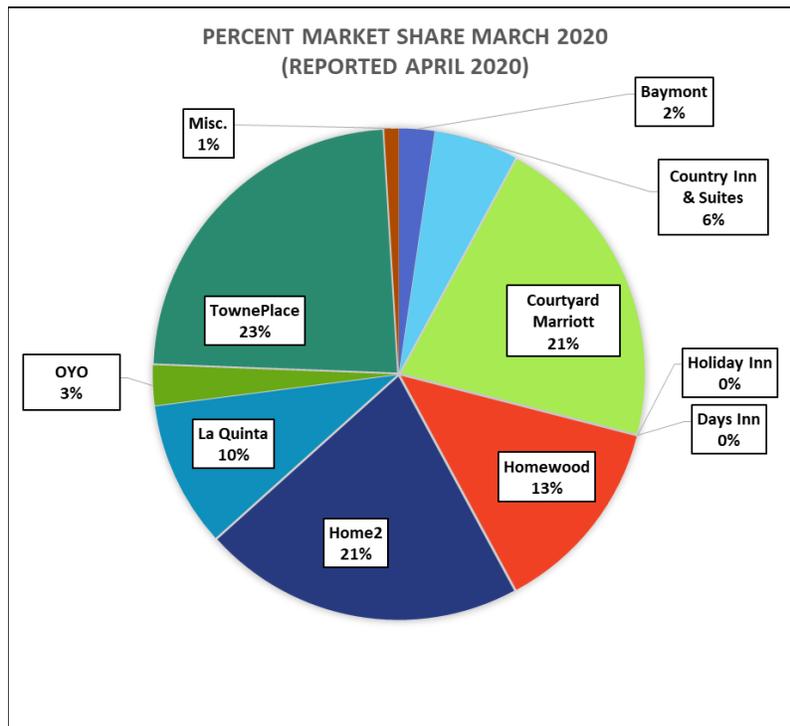

HOTEL OCCUPANCY TAX

The tables below show hotel occupancy tax receipt trends over the past five fiscal years. All decreases from the prior year are highlighted in red. Occupancy tax received in April is for hotel stays in March.

Hotel Occupancy Tax Revenue - Five Year Comparison					
	HOT 15-16	HOT 16-17	HOT 17-18	HOT 18-19	HOT 19-20
OCT	107,316.66	101,567.28	175,090.83	132,006.78	132,121.00
NOV	95,637.35	81,222.24	134,841.48	111,923.97	117,269.67

EXPEDIA ADVERTISING

Below is a [recap of March 2020 performance](#) on Expedia TravelAds. Current reporting lag time is running one month behind in order to coincide with occupancy tax and self-reported occupancy data.

The graphic below depicts the relationship between the clicked room nights booked through Expedia

Travel Ads and the return on ad spend on Travel Ads.

ITEMS OF ADDITIONAL NOTE

- Continued to work on content and blog posts to support our restaurants, hotels and shops via our website and social media channels as pandemic continued.
- Participated in/attended several industry webinars relating to COVID-19 pandemic, including TACVB, THLA and DI.
- Finalized efforts to close Visitor center and relocate our CVB offices over to City Hall first week on Wednesday, May 6, 2020.
- Continued to work on website redesign efforts in to launch new website in advance of COVID-19 recovery efforts – website officially went live on May 19th, and website launched with updated Shenandoah Visitors Map and new ***Small Meetings and Special Events Planner***
- Continued to hold calls and plan for hyperlocal ad campaign to support local businesses once Governor authorizes re-opening and adequate numbers of businesses re-open and public begins to feel safe enough to get out.
