

Spring Trash Bash

March 23, 2019
8 am - 12 pm
Public Works Facility

***We will accept trash until the containers are filled or noon, whichever is earlier.**

The City will provide disposal of large unwanted household items, along with household hazardous waste disposal, green waste recycling (branches up to 6" diameter, leaves, yard waste), electronic and metal scrap recycling and reuse, and other standard recycling services (paper, plastic, aluminum, steel, etc.). There will be no additional fee for any of these services for Shenandoah residents.

Household/Personal Chemical Waste:

Cleaners, polishes, degreasers, drain cleaners, fluorescent light tubes, fluorescent light bulbs, pharmaceuticals (no controlled substances), oil-based paints, varnishes, spray paints, turpentine, solvents, craft and hobby chemicals. Pool chemicals, herbicides, pesticides and fertilizers will also be accepted.

Not Accepted: ammunition, explosives, medical waste, radioactive waste, smoke detectors, PCBs and dioxins, and tires.

Electronic Materials: computer monitors, televisions, CPUs, peripherals (printers, scanners, copiers, PDAs, cell phones, chargers), vacuum cleaners, hard drives, circuit boards, network hubs, modems, routers, toner cartridges, CDs, DVDs, MP3 players, Game Boy, PlayStation, digital cameras, GPS systems, CD burners, photo and video equipment.

A shredding company will be on site to handle the destruction

of paper documents. Residents bringing documents for shredding will be able to observe the process to ensure all papers are fully destroyed.
